OUR

Anglo-Wall Street Administration

Is now endeavoring to precipitate upon the nation

A Gold Debt of Five Hundred Million Dollars,

Which will entail 50 years of added labor, self-denial and privation. Had COIN'S FINANCIAL SCHOOL been studied more generally some years ago the wise men of finance could not today hope to carry their audacious and infamous measure.

Coin's Financial School Is Waking Up the People.

READ IT!

STUDY IT!

RECOMMEND IT!

This book, which is sold everywhere for 25c., and is being printed from four rapid presses at the rate of 10,000 a day, than which no other book has been so warmly defended by the masses of the people or so bitterly opposed by the banks and wealthy classes through the single-gold-standard press; this book, which is more extensively read and commented upon than any other book of recent years, can be had free by the payment of \$1.00 on subscription to The People's Pilot, either for what is now due or for a year in advance.
