Berkley of Rensselaer perform the surgical work. It is believed that Mr. Woods will come out with a fairly good foot, much better than a cork substitute, as on Wednesday he was feeling well and the wound was in a healthy condition.

Obituary.

The following, taken from a La Junta, Colo., paper is read with deep regret by the editor of the Pilot, who knew the deceased well and from an acquaintance of two years can testify to the appropriateness of this eulogy on the high character of a former citizen of Rensselaer:

A GOOD MAN GONE.

Yesterday morning, Sunday, at 1 o'clock, there passed from earth all that was mortal of Mr. W. E. Sears, a well known and prominent citizen of La Junta. Consumption was the dread disease that ended a busy and useful life. Deceased was born in Rensselaer, Indiana, and lacked just one day of being forty years of age. For the past eight years he has been a resident of La Junta, for most of the time prescription clerk in Emerton's drug store, and only a few brief months ago engaging in business for himself. For the past four years he has been coroner of Otero county, having been elected by the largest majority of any candidate on the republican ticket, and which position he filled with signal ability and economy to the taxpayers. He had many friends, being familiarly known and accosted as "Doc," had a heart as large as his will was free, never turning a deaf ear to the cry of the needy, but always contributing of his purse and sympathy to the afflicted and distressed, and his name is blessed by many a poor unfortunate who has been the recipient of his bountiful charity. His life acts stamp him as a good man, and whatever his faults, they were outweighed by his kind and goodly deeds. The funeral will take place tomorrow at 2 o'clock, from the Presbyterian church, Rev. Lyle preaching the sermon, and the funeral obsequies will be under the charge of the Knights of Pythias and the Woodmen lodges, both of which orders he was a member. He leaves a sorrowing wife and four little children, who have the sympathy of the community in their deep affliction. Sleep on, old friend, and your memory will ever remain green in the hearts of those who knew you best in life, and loved you for your many noble qualities of both mind and heart. Night has closed, and day has opened for our friend, Doc W. E. Sears.

Whirl Forty Miles an Hour.

The spectacle of people too sick to navigate from the effects of a "fast ride" on the merry-go-round, should condemn the practice as disgusting and dangerous. It is within the province of the police to prohibit a rate of speed that is notoriously detrimental to health and which would result seriously in case of an accident, liable to occur at any time.

The "merry-go-round" should be classed as a tent show and required to pay the same license fee. The paltry sum of \$1.00 a day is entirely disproportionate to benefits received, and there are as good reasons for charging a higher fee that there are in the case of tent shows.

Wednesday evening the tent over the concern was thrown down and several persons injured, one little girl requiring the services of a doctor. The tent poles got under the wheels, stopping the machinery and the alleged sport. It is very lucky that what might have been an appalling accident was averted.

He was the sixth in a family of ten children, five of whom still survive him. He was married Nov. 4, 1875, to Mary Perilla Huff of Marion county, Indiana.
