PILOT PUBLISHING CO., (Limited.) Proprietors.

BURN, Vice President. LEE E. GLAZE-
BROOK, Sec'y. J. A. McFARLAND, Treas.

THE PEOPLE'S PILOT is the official organ of
the Jasper and Newton County Alliances, and
is published every Thursday at

ONE DOLLAR PER ANNUM.

Entered as second class matter at the post
office in Rensselaer, Ind.

People's Party Platform. FOUNDATION PRINCIPLES.

FIRST.—That the union of the labor forces
of the United States this day consummated
shall be permanent and perpetual; may its
spirit enter into all hearts for the salvation
of the republic and the uplifting of man-
kind.

SECOND.—Wealth belongs to him who cre-
ates it, and every dollar taken from industry
without an equivalent is robbery. "If any
will not work, neither shall he eat." The in-
terests of civic and rural labor are the same;
their interests are identical.

THIRD.—We believe that the time has come
when the railroad corporations will either
own the people or the people must own the
railroads, and should the government enter
upon the work of owning and managing any
or all railroads, we should favor an amend-
ment to the constitution by which all per-
sons engaged in the government service
shall be placed under a civil service regu-
lation of the most rigid character, so as to pre-
vent an increase of the power of the national
administration by the use of such additional
government employees.

FINANCE

FIRST.—We demand a national currency,
safe, sound and flexible, issued by the gen-
eral government only, a full legal tender for
all debts public and private, and that with-
out the use of banking corporations, a just,
equitable and efficient means of distribution
direct to the people at a tax not to exceed 2
per cent, per annum to be provided as set
forth in the sub-treasury plan of the Farm-
ers' Alliance or a better system; also by
payments in discharge of its obligations for
public improvements.

We demand free and unlimited coinage of
silver at the present legal ratio of 16 to 1.

We demand that the amount of circulating
medium be speedily increased to not less
than \$50 per capita.

We demand a graduated income tax.

We believe that the money of the country
should be kept as much as possible in the
hands of the people, and hence we demand
that all state and national revenues shall be
limited to the necessary expenses of the
government, economically and honestly ad-
ministered.

We demand that postal savings bank be
established by the government for the safe
deposit of the earnings of the people and to
facilitate exchange.

TRANSPORTATION

SECOND.—Transportation being a means of
exchange and a public necessity, the govern-
ment should own and operate the railroads
in the interests of the people.

The telegraph and telephone, like the
postoffice system, being a necessity for the
transmission of news, should be owned and
operated by the government in the interest
of the people.

LANDS

THIRD.—The land, including all the natural
sources of wealth, is the heritage of the peo-
ple, and should not be monopolized for specu-
lative purposes, and alien ownership of
land should be prohibited. All lands now
held by railroads and other corporations in
excess of their actual needs, and all lands
now owned by aliens should be reclaimed by
the government and held for actual settlers
only.

SUPPLEMENTARY RESOLUTIONS.

WHEREAS, Other questions have been pre-
sented for our consideration, we hereby sub-
mit the following, not as a part of the plat-
form of the People's Party, but as resolutions
expressive of the convention.

RESOLVED, That we demand a free ballot
and a fair count in all elections and pledge
ourselves to secure it to every legal voter
without federal intervention through the
adoption by the States of the unpurged
Australian or secret ballot system.

RESOLVED, That the revenue derived from
a graduated income tax should be applied to
the reduction of the burden of taxation, now
levied upon the domestic industries of this
country.

RESOLVED, That we pledge our support to
fair and liberal pensions to ex-Union soldiers
and sailors.

RESOLVED, That we condemn the fallacy
of protecting American labor under the present
system, which opens our ports to the
pauper and criminal classes of the world and
crowds out our wage earners; and we de-
nounce the present ineffective laws against
contract labor and demand the further re-
striction of undesirable immigration.

RESOLVED, That we cordially sympathize
with the efforts of organized workmen to
shorten the hours of labor and demand a
rigid enforcement of the existing eight hour
law on government work and ask that a
penalty clause be added to the said law.

RESOLVED, That we regard the mainte-
nance of a large standing army of mercen-
aries, known as the Pinkerton system, as a
menace to our liberties, and we demand its
abolition and we condemn the recent inva-
sion of the Territory of Wyoming by the
hirelings of plutocracy, assisted by
federal officers.

RESOLVED, That we commend to the
thoughtful consideration of the people and
the reform press the legislative system
known as the initiative and referendum.

RESOLVED, That we favor a Constitutional
provision limiting the office of President and
Vice President to one term and providing
for the election of senators of the United
States by a direct vote of the people.

RESOLVED, That we oppose any subsidy or
national aid to any private corporation for
any purpose.

Nearly every reader of the
Pilot has a friend some where
who would like to hear from Jas-
per county. It costs but 2c a
week to send them all the news,
beautifully printed; why not do
it? Twenty-five cents for three
months including Coin's Finan-
cial School.

Liberal Offer.

At any time before Aug. 20th,
the People's Pilot will be sent to
new trial subscribers, in clubs
of ten, for ten weeks at 10 cents
each. The names need not all
be at one postoffice, or confined
to Jasper county, but may be in
different states if desired.

It is hoped that friends of the
paper will forward clubs as
above and at once increase the
circulation of the paper by at
least 1000 new names. It is be-
lieved that a large proportion of
the new ones will become per-
manent subscribers after they
have read the paper for a few
weeks. If it is not convenient
to send in a club of ten, send a
less number, even one name will
be appreciated. Remember that
the offer holds good only until
August 20th.

SPECIAL NOTICE.

All persons who are entitled to
premium books and have not re-
ceived them will kindly advise
us of the fact and they will be
sent at once.

THE PEOPLE'S PILOT.

JOURNALISTIC JABS.

The United States is the only
nation on earth that is begging
money from foreigners to keep
itself alive.—Farmer's Voice.

Davy Crockett's motto was be
sure you are right and go ahead.
The populists know their princi-
ples are founded upon the bed-
rock of eternal truth, conse-
quently will keep up a constant
warfare until right triumphs over
wrong.—Logansport Advance.

A fellow by the name of Mitch-
ell, a southern bank president,
has written a book favoring the
gold standard. In it he says that
if all the nations in the world
should demonetize gold it would
lose none of its commercial
value. That is, if you destroy
the market for an article it will
not affect the price of the article.
Great Scott! What are lunatic
asylums for while a fellow with
a mind like that is at large.—Ex.

It leaks out from Washington
that the Cleveland presidential
program is for Mr. Cleveland to
be nominated by acclamation,
with the understanding that he
will decline the honor, thus
placing himself beside Washing-
ton as having declined a third
term. It is his desire that the
convention then nominate John
G. Carlisle. It is our judgment
that, if this is Mr. Cleveland's
plan, it will miscarry. Mr. Car-
lisle is persona non grata, as the
diplomats say, to too large a fol-
lowing in the president's party.
A man just as surely a gold bug
will be chosen, but it will be one
whom the bosses can make ap-
pear a silverite until after the
election.—Progressive Farmer.

When the gold-bug parties
have to call to their aid Eli Per-
kins, the man whose only repu-
tation comes from his ability to
tell big lies, they are in straits
sure enough. We would advise
Eli to hold up until he has had
time to consult his Uncle Con-
sider.—Progressive Farmer.

A good, honest farmer was
standing in front of the court
house yesterday looking mourn-
fully at his tax receipt. He said:
"I brought a bale of cotton here
five years ago; sold it for \$49.25.
With this money I paid my taxes,
\$22; got a dress for my wife, \$5;
shoes for the children, \$6; a bar-
rel of flour, \$6.50; fifty pounds
of sugar, \$4; ten pounds of cof-
fee, \$2, and went home happy
with \$3.75 in my pocket for the
preacher. I brought in a bale
to-day; sold it for \$22.50; paid
my taxes, \$22.25, and have a
quarter left. They tell me I can
get flour and frocks and sugar
and shoes for half I paid then,
but it 'pears to me I hain't got
the half. I've made up my mind
to invest this quarter in United
States bonds and howl for the
gold standard."—Birmingham
State.

Grover (at the telephone)
Hello! Is that you, Carie? Car-
lisle—Yes, Grov.; what can I do
for you? Grover—Call up Bel-
mont's supply store and ask them
to send me a lot of the best gold
bugs they have. I must have
good bait to catch suckers this
year.—Hardy Herald.

Disguise the fact as you may,
the principal objection to the
free and unlimited coinage of
silver is that it will offend "Wall
street" and the gold speculators.
That little gold game is quite
profitable, and they could, per-
haps, arrange for another slice
of bonds.—American Bimetallist.

It is unsafe at all times that
the treasury of the United States
government should be compelled
to barter with any cabal of bank-
ers and financiers either in
America or Europe for the pro-

tection and the maintenance of
its monetary prestige. Such an
instance, or a few instances, of
this character is by no means a
guarantee of protection and sol-
vency, though this has been
done it is an ignoble confession,
and should make every true pa-
triot blush with shame.—To Date,
Chicago

What is needed to make your
farm pay? More money, says
the farmer. What would restore
prosperity to commerce? More
money, replies the merchant.
Why are not things booming in
this marvelously rich country?
There is no money, answers the
man amidst the unoccupied acres
in the rich west. The common
millions answer thus. But the
lone banker, sitting in his richly
upholstered chair, waiting for
his victim, as the spider waits
for the fly, knows more, in his
own estimation, than all the rest,
and tells us that our whole trou-
ble is over-production and natural
reaction from a great prosper-
ity.—Farmer's Voice.

Beware of Ointments for Catarrh
that Contain Mercury,
as mercury will surely destroy the sense of
smell and completely derange the whole sys-
tem when entering it through the mucous
surfaces. Such articles should never be
used except on prescriptions from reputable
physicians, as the damage they will do is ten
fold to the good you can possibly derive from
them. Hall's Catarrh Cure, manufactured
by F. J. Cheney & Co., Toledo, O., contains
no mercury, and is taken internally, acting
directly upon the blood and mucous sur-
faces of the system. In buying Hall's Cat-
arrh Cure be sure you get the genuine. It

Comparative Cost of Life Insurance.

Official reports show for 1893
the following in regard to the
three classes of life insurance in
the United States.

Fraternal Societies, including
the National Alliance Aid, have
1,801,000 members, carrying \$3,-
000,000,000 in risks; paying \$31,-
000,000 in losses, at an expense
of \$2,413,000, or a total average
of \$9 for every \$1,000 insurance
carried, of which only 62 cents
per \$1,000 was used for expense.

Ordinary Assessment Compan-
ies had 1,676,000 members, car-
rying \$4,170,000,000 in risks,
paying \$28,655,000 in losses,
with \$18,305,000 for expense; or
total cost per \$1,000, of \$11.70,
of which \$4.50 went for expen-
ses.

Old Line Companies had 1,167,-
000 members, carrying \$3,213,-
000,000 of risks, paying \$57,-
192,000 at an expense of \$48,-
636,000 or total cost of \$32 per
\$1,000 carried, of which \$10.34
went to pay the expense!!

You pay your money and take
your choice. The expense of
conducting the old line company
is more than the entire cost of
Insurance in the Fraternal Soci-
ety.

The fraternal orders furnish
the cheapest kind of life insur-
ance in the world, and the farm-
ers live longer than other classes,
accordingly the death rate is
lower than in other occupations
—therefore, it naturally follows
that life insurance furnished in
our own order will be cheaper
than in any other order—the
cheapest in the world. The fol-
lowing counties in Indiana are
now represented in the Aid De-
gree: Boone, DeKalb, Green,
Hamilton, Henry, Madison,
Marion and Tipton.
