A Close Shave.

E. M. Parcels having vacated his old stand, is now located in his handsome new barber shop on Van Rensselaer street, rear of Ellis & Murray's, where patrons will continue to receive his services and those of his excellent assistant.

Attention Comrades.

Notice is hereby given to all comrades of Rensselaer Post No. 84 that we will meet at G. A. R. hall Sept. 9, at 9 o'clock a. m. to go as a post to Louisville, Ky., to the national encampment. It will be the greatest encampment ever known in the United States, where the boys in blue and the boys in gray will unite and shake hands as one people. In this glorious country we should not be divided, but be united under one flag. Now comrades and citizens, you cannot afford to stay away from such a great national event. This may be the last opportunity you will have to attend an encampment until the reassembling above where Christ is the captain. CHAS. PLATT, Q. M. Rensselaer Post No. 84.

Notice.

The W. C. T. U. will meet Saturday, Sept. 7, at the residence of Mrs. Jennie L. Wishard, at 2:30 p. m. sharp, for the purpose of electing officers for the ensuing year and transacting other important business. A special invitation is extended to members of the society and all others interested in temperance work.

MRS. MALISSA MORLAND.

President.

EDITH WALKER,

Secretary.

Special additional, 15c and 25c on each poll.					

Notice.

All farmers interested in the farmers institute of Jasper county are requested to meet at the Makeever house Saturday, Sept. 14, at 2 p. m. The state managers of farmers' institutes think that an early meeting should be held in order to discuss such questions as farmers, at this time of year, are asking themselves, viz., "What shall I do with my corn crop, and how shall I arrange for the care of my live stock the coming winter?" etc. These early meetings are not intended to take the place of the regular annual winter meeting. The meeting on the 14th will be held for the purpose of arranging time, place, and subject matter for the proposed institute. R. STRONG, President.

L. L. PONSLE, Secretary.

A New Bicycle Tire.

A new tire has been invented, called the ball-bearing bicycle tire. The objection to the ordinary tube tires is that a puncture in one place destroys the usefulness of the whole tire until the puncture is repaired. The new tire consists of a closed rubber tube, filled with hollow elastic balls of the same diameter as the internal diameter of the tube. These balls are vulcanized and inserted in the tube during the process of manufacture. The tube may first be vulcanized, however, and the balls inserted through an opening which is afterward closed. It is said that additional elasticity and rigidity is imparted to the tire by the insertion of these hermetically sealed elastic balls, and, as each ball is an independent cushion, it would require puncture of several balls to make the tire useless. Another curious pneumatic ball tire has been patented in England, substituting for the continuous tubular tire a series of rubber balls, set in cups at the outer end of the spokes; the balls are so arranged that they may be simultaneously inflated. Several advantages are claimed for this device, one of them being that no serious inconvenience will follow the puncturing of one or two of the balls. It is also claimed that there is a great saving of ground cohesion, and this will increase the ease and speed of propulsion. —Scientific American.

"Dang" Philosophy.

A man who was working for a very penurious but wealthy man, was complaining to him about the smallness of his wages. "I can't help that, sir," the employer said. "I pay all I can afford." "But I can't live on it." "Why don't you do as I do? Save your money and live without working?" "That's just it. You live without working and save your money, so that we have to work without living, and there is no pleasure for us. Dang philosophy; give me more pay." —Rose-dale Herald.

Ferguson & Wilson, will practice in all the courts of the state.

Isaac Glazebrook employs in his blacksmith, horseshoeing and wagon repairing shop more workmen than any other like establishment in Jasper county.
