Send us your name and the names of your friends who would buy the best and sweetest toned piano made if they could buy it on extra favorable terms. Your Christmas will be happier if you have a new Bradbury in the parlor. Our Christmas will be happier if our immense factories, stores and warehouses in Chicago, New York and other cities are emptied to meet your demands.

We want you to have the same sort of Bradbury Piano that Mrs. Cleveland plays on in the White House, and that Mrs. Hayes and Mrs. Harrison used, and that Mrs. Grant uses also. Don't be afraid the price is too high for you.

There is good news for you in our special 1895 Christmas offer. We don't expect the prices we got forty years or twenty years or ten years ago. But the Bradbury is better than ever in tone and quality and in every way. Our guarantee with over one million dollars capital behind every piano we make and sell.
