The Chicago Ladies' Military Concert Band gave a very creditable entertainment at the opera house Saturday evening, but the patronage was very meager. Had the performance been better billed and understood by the usual theatre patrons the attendance would have been good.

One of the benefits suggested as a result of incorporation under a municipal charter would be control of the rate of speed at which trains would pass through the town. It is only a question of time when a frightful accident will occur at some of our crossings, and it is doubtful whether the town as at present organized could compel the enforcement of their ordinances in such matters.

It has been understood that Mr. Kitt had a string on the new Tribune and it is quite probable he will pull it sufficiently to shut off competition. It is safe to predict that Goodland will have to be content with one paper and that issued but once a week.

Father Follows Mother.

Michael Brunsahan has for about fifty years been an honored citizen of Jasper county and resident of Union township. His death last Monday morning, March 16, at 4 o'clock, was really from old age, as he was 74 years old. His good wife preceded him to the grave by exactly two weeks, having passed from this life on Monday, March 2. They have five surviving children; Stephen, Thomas, James, Cornelius, and Mrs. John Carlin. James and Cornelius live in Helena, Montana, and the others reside in Union township.

The parents were both born in Ireland were devout Catholics, and died at the home of their son Thomas on the old homestead near Parr. The funeral occurred on Tuesday from St. Augustine's church, Rensselaer, Rev. Father Stanislaus officiating. All of the children were in attendance except Cornelius. James arrived home from the west a few hours too late to attend his mother's funeral. These good people will be long remembered by those who had the good fortune to know them as neighbors and co-workers in the battle of life. They were hospitable to a fault and deserved the warm place they held in public esteem.

Deafness Cannot be Cured

by local applications as they cannot reach the diseased portion of the ear. There is only one way to cure deafness, and that is by constitutional remedies. Deafness is caused by an inflamed condition of the mucous lining of the Eustachian Tube. When this tube is inflamed you have a rumbling sound or imperfect hearing, and when it is entirely closed, deafness is the result, and unless the inflammation can be taken out and this tube restored to its normal condition, hearing will be destroyed forever; nine cases out of ten are caused by Catarrh, which is nothing but an inflamed condition of the mucous surfaces. We will give One Hundred Dollars for any case of Deafness (caused by Catarrh) that cannot be cured by Hall's Catarrh Cure. Send for circulars; free.

Suicide of Joseph A. Timmons.

For some time it has been suspected that Mr. Timmons was mentally unbalanced at times, but the news of his suicide last Saturday morning was a surprise and shock to the people of Jordan township where he was born and raised and has always been an honored and enterprising citizen. At the last election he was the successful candidate for township trustee, but because of ill health he resigned the office.

The deplorable act was accomplished with a shot gun, the muzzle being placed to the side of his head, blowing off the top of his head mutilating it in a frightful manner. Death was instantaneous. The deed came without warning to any of the family, though his son Henry was at work but a few feet away and hearing the gun discharged turned in time to see his father falling. Coroner Wright held an inquest over the remains and rendered a verdict in accordance with above. The funeral occurred at the Egypt school-house, Monday, Rev. B. F. Ferguson officiating. Joseph A. Timmons was a son of Charles W. Timmons a pioneer settler of Jasper county, and was born Jan. 3, 1847. He married Miss Jennie Wayne about 23 years ago, and they have been blessed with eight children.
