Greatest Opportunity Yet Offered!

**A \$15 000.00 STOCK OF CLOTHING!**

To Be Sacrificed and thrown to the Four Winds of Jasper County.

Is determined to sell every dollar's worth of clothing, hats, caps and furnishings; cost ignored, prices ignored, to get rid of every suit, overcoat, ulster, pants, hats and caps and furnishings within 90 days requires heroic measures, but the Model never was afraid to take the bull by the horns and isn't now. That's why we sell everything at cost.

**QUIT THE CLOTHING BUSINESS**

As an evidence that we mean what we say about this matter we will deposit \$500 against \$100 that we will not remain in the clothing business any longer than 90 days. This wager is good from date, April 18, '96. No other merchant in the state could afford to sell goods as we are and we could not afford it either if it was not for the fact that we want to get out of the clothing business. Vigorously cut prices will do wonders. Seeing is believing. Not again this year will the opportunity occur to buy clothing at such fractional prices. In making these prices we have not considered the cost of goods but what would sell the more quickly.
