Willie Parkinson, of Rensselaer, Ernest Wishard, of Mt. Ayer, and several other young gentlemen who were on their way home from Purdue where they had been attending school, got off the north bound train here Friday and gave the "college yell" while the train stopped. Purdue boys as a rule are particularly proud of that institution of learning, and having won in the state field day exercises and ranking high in every particular they certainly have a right to be. Marvelous Results.

From a letter written by Rev. J. Gundersman, of Dimmondale, Mich., we are permitted to make this extract: "I have no hesitation in recommending Dr. King's new Discovery, as the results were almost marvelous in the case of my wife. While I was pastor of the Baptist Church at Rives Junction she was brought down with Pneumonia succeeding La Grippe. Terrible paroxysms of coughing would last hours with little interruption and it seemed as if she could not survive them. A friend recommended Dr. King's New Discovery; it was quick in its work and highly satisfactory in results." Trial bottles free at Frank B. Meyer's Drug Store slug Bar size 50c. and \$1.00.

Electric Bitters is a medicine suited for any season, but perhaps more generally needed, when the liver is torpid and sluggish and the need of a tonic and alterative is felt. The townships participating were Barkley, Marion, Gillam, Hanging Grove, Newton, Jordan and Union.

The forenoon exercises consisted of music and an address by Dr. J. A. Woodburn, of the Chair of American History, of the State University. The subject of his address was "Education in Civic Life."

It was pronounced by all as a masterly effort.

The picnic dinner was one of the most attractive features of the day. There was abundance and to spare. If any person left the grounds hungry it was their own fault.
