HEADQUARTERS AT ST. LOUIS.

Plutocracy is Alarmed at the Growth of the Reform Forces.

THE INDEPENDENT VOTER IN THE SADDLE FOR HIS RIGHTS.

The Tenth Congressional District of Missouri in recent convention selected Brother Shattenger, of St. Louis, the well-known lecturer, as a delegate to the National Convention.

Another Populist congressman has been seated from North Carolina—C. H. Martin, of the Sixth Congressional District.

Reform editors desiring to secure transportation to attend the St. Louis Convention, July 22nd, on advertising contracts, should make application at once to the General Passenger Agent of the lines over which they wish to travel.

Gen. Weaver made several speeches in Idaho, enroute to Iowa, after the Oregon campaign.

The Republican National Convention held last week in St. Louis, was exceedingly tame and uninteresting. The program throughout, including the balloting, was cut and dried, and the absence of genuine enthusiasm was painfully apparent.

There was no meeting of the National Committee of the People's party at St. Louis last week, as given out by the Associated Press. The only thing that could give rise to such a report was the presence of a number of Populists in the city, watching the drift of things in the Republican National Convention, in order to take advantage of republican mistakes.

The Press reports indicate the election of Mr. Benoit, Populist, to congress, from the Fifth Louisiana District, on the 9th inst., to fill a vacancy.

With all the bolting and talk of bolting in the other political organization, there is a manifest disposition for harmony in the Populist ranks. Our people are learning the lesson that in union there is strength.

The Populists of the Fifteenth Missouri District held a rousing convention at Lamar, on the 18th inst., and selected four strong delegates to the National Convention. The Omaha platform was reaffirmed with the initiative and referendum added.

The Populists of South Carolina are organizing clubs throughout the state preparatory to the real work of the campaign.

Reports from Georgia show an unusually active condition among the Populists of that state. With a free ballot and a fair count, Georgia is ours this year.

The following are the names of delegates chosen to the National Convention from the Sixth Missouri District:—W. O. Atkinson, E. W. Langfellow, Jno. K. Byers and L. J. Martin.

J. H. McDowell, member of

the People's Party National Committee for Tennessee, has been elected Sergeant-at-Arms, to take charge of the hall and arrange the details for the People's Party National Convention, to be held in St. Louis on July 22nd. He will have charge of an Information Bureau at headquarters for the purpose of locating the different state delegations who have not already secured quarters, also making arrangements for reduced railroad fares including special train service for those desiring to come to the Convention in large bodies, the printing and distribution of the tickets for the Convention, the provision of badges for the delegates and visitors, arranging of details in the Convention Hall including the seat of state delegations and visitors and providing quarters for the press representatives.

All State, County and Local Committees and members of the party everywhere, are urged to organize clubs to bring as many people to the convention as possible, especially from the states within two hundred miles of St. Louis. Tickets to the convention will be furnished to the editors of all reform papers attending the convention and they are requested to do all in their power to make their convention a grand success, by assisting to bring as many Populists to St. Louis as possible. All letters which refer to the details of the convention should be addressed to Hon. J. H. McDowell, Room 525, Commercial Building, St. Louis, Mo.

The reform Press Association will hold an important meeting in St. Louis June 20th, just prior to the National Convention, which promises to be largely attended.

A. A. Carnahan, of Concordia, Kas., writes that "Kansas will be at St. Louis like on a Fourth of July. Give us a short and sweet platform and a clean candidate and take our electoral vote."

Regarding state issues in Georgia, W. E. Smith, of Attapulgus, writes "It is a notorious fact that the democrats will steal anything from the best plank of the Populist platform to a dead negro's vote, therefore the strongest plank in our State Platform will be a free ballot and a fair count."

Owing to acceptance of the duties of Sergeant-at-Arms of the People's Party National Convention, J. H. McDowell has been compelled to cancel dates for a two weeks' stumping tour in Arkansas.

J. Odum, of Lowe, N. C.,

writes that two-thirds of the voters of that section will vote the people's party ticket.

State Chairman Young, of Oregon, writes that it is probable that four populist members elected to the legislature will be counted out by the republican election officers as well as both Congressmen and the chances are of even others being defeated in the same manner. He adds, "I am not advised as to whether or not Quinn and Vandenberg will contest the seats of Ellis and Tongue." He hopes they will. The work in Oregon was accomplished by an expenditure of less than \$600.00.

J. L. Pate, of Swansboro, N. C., informs the National Committee that in his state, or in his section of the state, at least, nearly all the populists favor a protective tariff.

Oscar Parker, secretary of the people's party of Georgia, writes "We are marching straight to a great victory in Georgia this year. The result in Oregon is having a remarkably good effect. The declaration of the Georgia democrats in favor of free coinage will have no effect upon the populist voters who are already in the majority in the state."

L. C. Bateman, candidate for governor of Maine, predicts that two or three speakers of national fame will secure 20,000 votes to the populist party in that state. The election will be held in September.

W. S. Morgan is now systematically stumping in Arkansas. "Cyclone" Davis began work in the state June 20.

Bob Schilling, the irrepressible member of the national committee from Wisconsin says the populists will carry Milwaukee at the coming election over the combined opposition, and Bob is not in the habit of talking through his hat" either.

The National Reform Party will meet in conference with the National Committee of the people's party in St. Louis the day preceding the latter party's convention. The Nationalist party, led by John P. St. John, has also been invited to the conference, but has not replied. The conference has been arranged wholly upon the request of the National Reform party.

Accessions to the populist's ranks from the free silver republicans are reported daily, in almost every state in the union.

It is a notable fact that little discussion has thus far been heard throughout the country regarding candidates for presidential and vice-presidential nominations, by the Populist National Convention. The people are evidently trusting to the logic of events to bring forth their standard bearers.

It is two whole weeks now since a fake report was started at Indianapolis, calculated to injure the people's party. The fakirs trolley must be off the track somewhere.

Minnesota is one of the states from whence comes reports of the greatest gains to the people's party. Late news regarding the work of organization is especially encouraging. A. R.

Electric Bitters.

Electric Bitters is a medicine suited for any season, but perhaps more generally needed, when the liver is torpid and sluggish and the need of a tonic and alterative is felt. A prompt use of this medicine has often averted long and perhaps fatal bilious fevers. No medicine will act more surely in counteracting and freeing the system from the malarial poison. Headache, Indigestion, Constipation, Dizziness yield to Electric Bitters. 50c and \$1.00 per bottle at Frank B. Meyer's Drug Store.

Marvelous Results.

From a letter written by Rev. J. Gundersman, of Dimondale, Mich., we are permitted to make this extract: "I have no hesitation in recommending Dr. King's new Discovery, as the results were almost marvelous in the case of my wife. While I was pastor of the Baptist Church at Rives Junction she was brought down with Pneumonia succeeding La Grippe. Terrible paroxysms of coughing would last hours with little interruption and it seemed as if she could not survive them. A friend recommended Dr. King's New Discovery; it was quick in its work and highly satisfactory in results." Trial bottles free at Frank B. Meyer's Drug Store along size 50c. and \$1.00.
