Onemost noticeable feature about the Great Wallace Shows was the high tone of every thing, and above all the extreme gentility of all its people and their uniform and universal courtesy to all patrons.—Salem [Ore.] Post, 1895.

Newspapers are paid for advertising shows, but now that the Great Wallace Shows have gone and we have no further favors to ask, we are pleased to bear witness to the fact and be sustained by thousands of our citizens that a better show never exhibited in our city and we have had all the other big ones. The Great Wallace Show is strictly up-to-date in all its details and the performance moves with a rush that unfolds new features at every turn. Every artist is a star in his or her particular line. **An Unavoidable Delay.**  
 The following explains why that it will be impossible for the Chicago Bargain Store to open their magnificent stock of fresh goods in the splendid new block on Aug. 10th, as announced:  
 Mr. B. Forsythe, Rensselaer, Ind.:  
 Dear Sir:—We will not be in position to ship your store fixtures as you request as we had arranged and have cars ordered to ship fixtures to Siegel, Cooper & Co., New York, at same time. Will ship Wednesday, Aug. 5th, and send a man down next day.

Yours Respectfully,

**Gus Phillips Departs.**

Gus Phillips left yesterday morning for New York to join his troupe for a forty-five weeks engagement. He plays, as mentioned before, with the Cecil and Edna Spooner Comedy Company, who visits only large towns making week stands of the same play. The following is a press notice from the Boston Critic, and Mr. Phillips has reason to feel that his services are appreciated when chosen to fill a responsible roll with a star that is earning such rich laurels:

I don't know when I have been more captivated by a dancer than by that graceful sylph, Cecil Spooner, who is at Keith's this week. This is her debut in the East, but she is well known and popular all over the West, where she has starred at the head of her father's company in comedies of the New England type. In these she introduced a kaleidoscope dance, with brilliant electric light effects, and it is said to be almost as entrancing as that of the more widely known terpsichorean artist, La Loie Fuller. Miss Spooner's dances during this engagement depend altogether upon the grace of movement of the agile performer, and it is to be hoped that this visit will not be the last Boston will see of her.

### Do You Use It?

It's the best thing for the hair under all circumstances. Just as no man by taking thought can add an inch to his stature, so no preparation can make hair. The utmost that can be done is to promote conditions favorable to growth. This is done by Ayer's Hair Vigor. It removes dandruff, cleanses the scalp, nourishes the soil in which the hair grows, and, just as a desert will blossom under rain, so bald heads grow hair, when the roots are nourished. But the roots must be there. If you wish your hair to retain its normal color, or if you wish to restore the lost tint of gray or faded hair use Ayer's Hair Vigor.

Headquarters to Be in Chicago.

Canton, O., Aug. 6.—Chicago will be the republican headquarters and New York will have only a branch. This conclusion is announced here with authority and reasons are given for the statement. It is recognized by Mr. Hanna that the main battle for votes is to be made in the west, and consequently Chicago will be more convenient as a base of supplies for campaign literature and other information incident to the work of the presidential struggle.

**Pennsylvania Fusionists Win.**

Pittsburg, Pa., Aug. 6.—The state convention of the people's party was held here Wednesday. The question of fusion on presidential electors was the most difficult problem up for discussion. In the platform co-operation was urged. A letter was read from Joseph Sibley urging one ticket. State Chairman Leslie said the populists will insist on the gold democrat electors in Pennsylvania retiring from the ticket. There are seventeen of them. If they do not retire the populists will put up electors of their own.

**Leedy for Governor of Kansas.**

Abilene, Kas., Aug. 6.—The populist state convention had three lively sessions Wednesday. The conference committee received notice from the democratic convention delegates at Hutchinson that no compromise would be considered, and that the democratic electoral ticket must be indorsed in full. Four ballots were taken for governor. The third showed 25 gain for Leedy, and the fourth was a stampede to Leedy, who was nominated.

**Senator Peffer Wants Renomination.**

Topeka, Kas., Aug. 6.—Senator W. A. Peffer has authorized the announcement that he is a candidate for re-election to the United States senate. In his card he says he has no claims beyond many other faithful populists, and urges only one superior qualification—that of six years' experience.

**New Hampshire Prohibitionists.**

Concord, N. H., Aug. 6.—The prohibition party met in state convention here Wednesday. The following nominations were made: Governor, J. C. Berry, Plymouth. Electors, Dr. E. L. Carr, Pittsfield; Eben Ferris, Manchester; Samuel C. Sawyer, Littleton; Franklin L. Sprague, Keene.

**Talmage Favors Silver.**

New York, Aug. 6.—The Rev. T. De Witt Talmage predicts that silver will win, and says we will have renewed prosperity if the white metal is victorious. He freely admits his economic views, but will not admit that he is a partisan.

**Nebraska Campaign Opened.**

Lincoln, Neb., Aug. 6.—Ex-Congressman Horr of New York opened the campaign for the republicans in this state Wednesday night. He spoke to a large crowd in the M street park, urging the election of McKinley.
