The annual reunion of the Forty-sixth Indiana, Regiment will be held at Brookston, Sept. 29th and 30th.

Mrs. Ines has received her first selection of fall millinery among which are some beautiful new designs. See her new walking hats and sailors, and other popular styles.

Mrs. R. B. Harris broke one of the bones of her left leg just above the ankle last Friday, by the collapse of a box about a foot high upon which she was standing. She is doing well and resting easily, though it will be several weeks before she can leave her bed.

Mr. and Mrs. James Yeoman and Mr. and Mrs. Chas Hammond returned last week from a two week's visit with friends in Ohio. They were present at the family reunion on the occasion of the birthday anniversary of Mrs. Osea Yeoman, wife of Ira Yeoman, who are probably the oldest pioneer couple now living in Fayette county, Ohio, being respectively 85 and 88 years old. Next week we will reprint from a local paper a write-up of the occasion.

#### Mrs. J. F. Hiff Dead.

As we go to press this Friday morning it is announced that Mrs. Henrietta S. Hiff died at eleven p. m. yesterday, (Thursday). The funeral will occur from the family residence Saturday at 1 p. m. Interment at Pleasant Grove, Rev. B. F. Ferguson officiating.

Mr. W. E. Moore and daughter, Mrs. Mell Parkinson, returned last evening from Albany where they had been called on account of the illness of Mrs. Mattie Parton, their daughter and sister respectively. They report her in a serious condition from chronic trouble and nervous prostration, but in a fair way to recover. She has been taken to Dr. Fletcher's Sanatorium at Indianapolis for treatment.

#### Parade Indicates the Show.

Be sure to be out for the parade of the Great Wallace Shows. It is a solid mile of glittering pageant, with many grand and artistic tableaux, beautiful women, handsome men, all gorgeously attired, and the finest horses ever seen anywhere. There are a number of bands, a herd of elephants, a caravan of camels and scores of open dens. The parade is a true index to the show; so see for yourself in advance whether this one is worth paying to attend. At Rensselaer, Sept. 4th.

The Jasper County Republican Central Committee are erecting a wigwam on Hollingsworth & Hopkins lots in Riverside Park. It will be a substantially constructed affair 40 x 84 feet and well arranged for the accommodation of public meetings. We are sorry that this matter was not talked of soon enough that it could have been made a mutual affair between the Republican, Democratic and Populist parties, and had one three times as large, and for the accommodation of all as a better location could not be found for that purpose.

#### "Old Hayseed."

A well pleased audience, the largest of the week, saw a fine production of the above play at the Pavilion last evening. The play was well put on and the songs were new and well received, calling forth numerous encores. Mr. Eldon and Miss Clifton being particular favorites. Dad Hamter as "de tough" was out of sight.

People were under the impression that cheap prices mean a cheap show and that after the first night the performance would be ordinary. In this they have been mistaken as the attractions give better satisfaction each evening. Mr. Eldon and his pleasant manager, have found out what suits a Peru audience, and are trying to please the people and from the way "Old Hayseed" was received last night we think they have succeeded. A better pleased audience never left the Pavilion.—Peru Press.

It would be hard to convince a man suffering from bilious colic that his agony is due to a microbe with an unpronounceable name. But one dose of DeWitt's Colic & Cholera Cure will convince him of its power to afford instant relief. It kills pain. A. F. Long.

Tuesday about one o'clock p. m. an alarm of fire was rung, the occasion being a blaze on the roof of the steam laundry. Prompt action subdued the flames before any great amount of damage was done. This is the third time this building has been on fire, and an iron roof is now being put on.

W. H. BEAM, Monon Agent.

Chas. D. Fertig, Miss Emma Leuris, Miss Nellie McHoy, Miss Maggie Priest, Mr. Charley Bryant.

Persons calling for any of the above letters in this list will please say they are advertised. E. P. HONAN, Postmaster.

#### Electric Bitters.

Electric Bitters is a medicine suited for any season, but perhaps more generally needed, when the languid exhausted feeling prevails, when the liver is torpid and sluggish and the need of a tonic and alterative is felt. A prompt use of this has often averted long and perhaps fatal bilious fevers. No medicine will act more surely in counteracting and freeing the system from the malaria poison. Headache, indigestion, constipation, dizziness yield to Electric Bitters. 50 cents and \$1.00 per bottle at F. B. Meyer's drug store.

#### New Presiding Elder.

From The Valparaiso Daily Star.  
A few weeks ago Dr. J. H. Wilson, of this city, on account of failing health, more particularly his eye sight, he being almost blind, and through the advice of an ophthalmist who is soon to perform an operation, sent to Bishop Andrews his resignation as Presiding Elder of the Valparaiso district of the Northwest Indiana conference of the M. E. Church. Yesterday Dr. Wilson's resignation was accepted and Dr. Samuel Beck, of South Bend, was appointed to fill the vacancy until the session of the annual conference which convenes at Terre Haute next month.

Dr. Wilson has worked hard to place the district where it now stands, it being one of the foremost in the church. To accomplish this he has labored both in and out of season, and The Star hopes that, after a few month's needed rest and a successful operation for his eyes, Dr. Wilson will be able to resume his active labor in the church.

#### Summer Resorts on the Monon.

The summer resorts on the Monon Route are more than usually popular this year, West Baden and French Lick Springs, in Orange Co., are overflowing with visitors, and the hotels have all they can do. Paoli, the county seat, has opened a rival sanatorium, which is well patronized. The waters of the various springs differ materially in their constituents, and are successively prescribed for a great variety of maladies. The woods in the neighborhood abound in game and all the streams teem with fish—some of them having been stocked by the government fish commission. All indications point to West Baden (and the neighborhood springs) as the great sanatorium and popular summer resort of the west.

Cedar Lake, forty miles from Chicago, is a favorite picnic and outing spot where the Monon has a fine wooded park of nearly 400 acres. The fishing is first rate.

#### "Old Hayseed."

The "S. R. O." sign was displayed the second time this week at the opera house last night, and hundreds of people were turned away not able to get even good standing room. The Eldon combination has evidently struck the town amidship, and everything seems to be going their way. "Old Hayseed" is the only farmer play in their repertory, and they made the most of it. As "Old Hayseed" Mr. Eldon was a great success, personating the typical "jay" as if to the manner born. The musical specialties pleasing and gave a restful diversity to the performance. The company closes a very satisfactory week's engagement with to-night's performance, on which occasion they will present the beautiful Irish play, "Inshavogue". In view of the almost certain probability that standing room will be at a premium, those desiring to see this performance would act the part of wisdom by securing their seats in advance. A grand farewell ten cent matinee will be given at 2 o'clock to-day, on which occasion every child will be presented with a sack of candy. Admission 10 cents to any part of the house. —Kokomo Dispatch.

One most noticeable feature about the Great Wallace Shows was the high tone of every thing, and above all the extreme gentility of all its people and their uniform and universal courtesy to all patrons.—Salem [Ore.] Post, 1895.

Rev. R. Sylvans Morgan, Pastor of Barkley Christian Church, will greet the people next Sunday with the following themes:

"The evolution of salvation" 11:00 a. m.; "Hearing the word," 8:00 p. m.

James H. Chapman loans B. & L. money. Number of payments limited.

J. P. Hammond was down from DeMotte the last of the week attending the teacher's institute. He returned home Tuesday. Mr. Hammond has been engaged for his third year as teacher at DeMotte.

Hollister & Hopkins have leased the Monitor Roller Mills for another year, refitted the same with some new machinery and are prepared to do all kinds of milling. They thank the public for its liberal patronage in the past and trust to merit a continuance of the same.

Newspapers are paid for advertising shows, but now that the Great Wallace Shows have gone and we have no further favors to ask, we are pleased to bear witness to the fact and be sustained by thousands of our citizens that a better show never exhibited in our city and we have had all the other big ones. The Wallace Show parade was the best ever seen in Des Moines.—Register.

A Farmer's Institute and picnic will be held at Parr on Labor Day, September 7th, 1896. One of the professors of Purdue University will lecture at 2 o'clock. Premiums will be given for the best exhibition of farm products. A general good time is expected. See programme next week. S. P. THOMPSON.

Chairman of executive committee. Eli Hill, Lumber City, Pa., writes, "I have been suffering from Piles for twenty five years and thought myself incurable. DeWitt's Witch Hazel Salve was recommended to me as a pile cure, so I bought a box and it performed a permanent cure." This is only one of thousands of similar cases. Eczema, sores and skin diseases yield quickly when it is used. A. F. Long.

C. C. Sigler and family will move this week from the Porter residence on Division street to the old J. W. Duval home on Front street. Their daughter and her husband, Mrs. and Mr. LeMotte Hubbard, will make their home with them for the present. It will be remembered that Mr. and Mrs. Hubbard lost their home by fire at East Chicago a few months ago. Messrs. Sigler and Hubbard will engage in the hay business in Rensselaer.

The Great Wallace Show is strictly up-to-date in all its details and the performance moves with a rush that unfolds new features at every turn. Every artist is a star in his or her particular line. In the five performances thus far given at Central Park, over 58,000 people have been present; last evening it was absolutely necessary to close the doors and refuse further admission, as even standing room could not be secured.—San Francisco Examiner, Sept. 9, 1895.

Rev. Tucker and wife experienced an accident last Monday afternoon, while driving on the pike near Mr. Cowden's place east of town, that may prove quite serious to the former. In some manner their vehicle was overturned into the ditch, which frightened the horse so that he ran away. Mrs. Tucker escaped with slight injury though quite severely bruised. Rev. Tucker however sustained a dangerous scalp wound which may cause serious trouble. Dr. English was called to the scene of the accident and dressed the wounds at the home of Mr. Cowden. The injured people were brought home in the evening a few hours after the accident.

#### Marvelous Results.

From a letter written by Rev. J. Gundersman, of Dimondale, Mich., we are permitted to make this extract: "I have no hesitation in recommending Dr. King's New Discovery, as the results were almost marvelous in the case of my wife. While I was pastor of the Baptist church at Rives Junction she was brought down with Pneumonia succeeding la grippe. Terrible paroxysms of coughing would last hours with little interruption and it seemed as if she could not survive them. A friend recommended Dr. King's New Discovery, it was quick in its work and highly satisfactory in results." Trial bottles free at F. B. Meyer's drug store regular size 50 cents and \$1.00.

#### Fifty Years Ago.

President Polk in the White House chair, while in Lowell was Doctor Ayer's. Both were busy for human well. One to govern and one to heal. And as a president's power of will sometimes depends on a liver-pill, Mr. Polk took Ayer's Pills I trow For his liver, 50 years ago.

#### Ayer's Cathartic Pills

were designed to supply a model purgative to people who had so long injured themselves with griping medicines. Being carefully prepared and their ingredients adjusted to the exact necessities of the bowels and liver, their popularity was instantaneous. That this popularity has been maintained is well marked in the medal awarded these pills at the World's Fair 1893.

#### Semi-Centennial Celebration.

Fifty years ago two young men, John and David Alter, driving an ox team, struck this town inquiring for a location to farm on the prairie. Our old enterprising townsman, Geo. W. Spidler, directed them where they could find a stone quarry, 'way out upon the prairie.'

Thither they journeyed and located on sec. 21, town 27, range 7 west. This we believe was the first settlement made out on the prairie.

Arrangements are now being made for an old settler's meeting to be held Sept. 17, at Alter's Grove to celebrate the semi-centennial of the settlement of the prairie.

Short speeches by old settlers and other entertaining features will make it pleasant for all. Everybody is invited to attend. Bring your baskets well filled and have a picnic.
