LOUIS WILDFRIG, Mgr.

After a three weeks visit with her mother, near Shelbyville, Mrs. James Flynn arrived home again last Saturday.

A hacking cough is not only annoying to others, but is dangerous to the person who has it. One Minute Cough Cure will quickly put an end to it.

The style for ladies' hats and dresses this fall are extravagant to an extreme in trimmings, and expensive beyond the point of prudence for existing times.

DeWitt's Witch Hazel Salve is an anti-septic, soothing and healing application for burns, scalds, cuts, bruises, etc., and cures piles like magic. It instantly stops pain.

The Supreme Court has declared Giffords drainage district unconstitutional which will be a great relief to many farmers of the county. Judge Monks rendered the decision.

A letter from Indianapolis to Dr. English, on Tuesday, says that Dr. Mills is still delirious; he has had two hemorrhages from the bowels and his symptoms are very discouraging.

I have an able work team that I will trade for young stock or a good wagon, also some good milch cows to sell or trade for young cattle. South-east Marion township. A. G. W. FARMER.

While driving cattle, last Tuesday, James Yeomans' horse became frightened and came in collision with the steers, resulting in a general pile up and slight physical damage to rider horse and steers.

Many lives of usefulness have been cut short by neglect to break up an ordinary cold. Pneumonia, bronchitis and even consumption can be averted by the prompt use of One Minute Cough Cure.

A fight occurred, on Washington street, Saturday night, between Frank Liff jr. and a Mr. Wood; the most serious effects of which was a twelve and a half dollar fine each of the belligerents was assessed to pay for the luxury.

They are so little you hardly know you are taking them. They cause no griping, yet they act quickly and most thoroughly. Such are the famous little pills known as DeWitt's Little Early Risers. Small in size, great in results.

The Court House Square is again taking on a lively appearance. 10 stone-cutters, 6 rock-masons and 15 laborers are now employed and more are to be added from day to day. The drainage to the river is perfect and the work now being done appears to be of the most workmanlike and substantial character.

Chronic constipation is a painful, disagreeable and life-shortening difficulty. It deranges the system, causes sick headache, bad breath, and poisons the blood. It can be readily overcome by DeWitt's Little Early Risers. These little pills are great regulators.

Dr. Washburn attended a session of the Chicago Medical Society last Monday evening; he also clinics in the new Post-graduate Hospital Tuesday. The new building cost \$80,000, it is located corner of Twenty-fourth and Dearborn streets, south side, where soon will be the finest operating rooms and hospital in the city. They have room for one hundred patients.

W. B. Sinclair, democratic candidate for state superintendent, was in the city Wednesday looking after his political fences and paying a short visit to his relatives here, L. E. & I. A. Glazebrook. Mr. Sinclair is one of Jasper's former district teachers having several years ago taught a couple of terms in Kankakee township; he was also a resident of the county for a short time in the early sixties. He is a very fine scholarly appearing gentleman and is no doubt well fitted for the important office to which he aspires. For twelve years he has been county superintendent of Starke county, should he be elected state superintendent he will surely go into the office well trained for the performance of, its many duties.

Mr. Nelson, a brother of Wm. Nelson, of Union Township, Jasper County, has just returned from Mexico, where he has resided three years. He says all laborers are employed in Mexico and such things as strikes are unknown. He has always been a republican but is now supporting the election of Wm. J. Bryan and trying to persuade his republican brothers to do the same.

### Krueger Nominated.

The people's party committee, which was selected by the late convention and intrusted with the duty of naming a candidate for congress, met in Monon to-day (Friday the 25th) and nominated Hon. Martin G. Krueger of Michigan City. The committee was fully represented and the first ballot was unanimous. Every committeeman was enthusiastic in his championship of Mr. Krueger and were confident that he would carry the district. Mr. Krueger is one of the most progressive thinkers on economic matters, believing firmly in government ownership of our railroads and telegraph, and in other matters being more nearly in harmony with the people's party platform than with the Chicago platform. It is pleasant to recall that before he had aspirations for the high office he now stands, for he was fearless in the defense of the cause of organized labor. Repeatedly has he given his legal services and his means to defend men from the oppression of corporations, and in his appeal to them this fall to vote for the cause of silver they will loyally respond, and cast their vote solidly for the man they love to call their brother.

The Silver Daily, (published at Pilot office) 25 cents for campaign.

Many political speakers, clergymen, singers and others who use the voice excessively, rely upon One Minute Cough Cure to prevent huskiness and laryngitis. Its value as a preventive is only equaled by its power to afford instantaneous relief.

### Fifty Years Ago.

This is the cradle in which there grew That thought of a philanthropic brain; A remedy that would make life new For the multitudes that were racked with pain. 'Twas sarsaparilla, as made, you know By Ayer, some 50 years ago.

### Ayer's Sarsaparilla

was in its infancy half a century ago. To-day it doth "bestride the narrow world like a colossus." What is the secret of its power? Its cures! The number of them! The wonder of them! Imitators have followed it from the beginning of its success. They are still behind it. Wearing the only medal granted to sarsaparilla in the World's Fair of 1893, it points proudly to its record. Others imitate the remedy; they can't imitate the record!
