The vote shows an increase of 458 votes for the republican ticket over that of 1894, and 314 for the fusion ticket, a total gain of 772 votes.

The gold democratic vote was 8, socialist 2. The prohibition vote is united in above table, 14 of the total being for the National (Silver) faction. The democratic and populist vote is united on all officers where there was fusion.

Jerry Simpson, in spite of
heavy odds is elected by a hand-

the Western states, Nebraska

majority than ever, after being out
of Congress for two years.

formerly two. In this state the
full Populist vote sustained the

Bring on your prosperity! We
have heard enough about it. It
has been promised to us by the
Plutoeratic Press. They put it
on the transparencies and had
the weary laborer carry it
through the street. The orators
have yelled that it was coming.
Even the goldbug preachers
pledged it. Now let it come.
We will take no excuses. Begin
at once. We are eager to see

the difference between gold basis
democratic rule and gold basis
republican rule. We, the common
people, the silver fanatics
calamity howlers, cranks, will
not sit as spectators at this con-
tinuous show, but while we pay
our price we will jeer the clown
and hiss the villain and ring
down the curtain in 1900 upon
the whole sorry lot.

The Government must own the
telegraph lines of the United
States. When a corporation has
spread its meshes over a great
country, crowding out all com-
petition, arraying itself against
the people as they align them-
selves against the power which
makes the existence of such a
trust possible, it is indeed time
for government control of the
telegraph to be considered. No
man who stood and read the one-
sided reports of the election
could question this. Only after
two hours of false reports did
the Western Union begin to admit
anything favorable to Bryan.

Just what is gained by this delay
is not manifest, but that the
wires should deliver only the
truth to a waiting people, and
that such a condition cannot be
obtained under present circum-
stances is indisputable. The first
returns reported a republican
landslide but later came the
assurance of a strong Bryan
vote. This being the first pres-
idential election under the secret
ballot system has caused much
delay in returning the vote but
the slowness with which reports
have come in from doubtful
states suggests the trickery of
1876. The believe that such
manipulation was progressing
has caused widespread anxiety.

William J. Bryan is not elected
but he is not defeated. Such
noble, patriotic labor as his has

closed, cannot be in vain. Had

was prevented from doing so,

Condensed Testimony.

Chas. B. Hood, Broker and Manufac-
turer's Agent, Columbus, Ohio, certifies
that Dr. King's New Discovery has no
equal as a Cough remedy. J. D. Brown,
Prop. St. James Hotel, Ft. Wayne, Ind.,
testifies that he was cured of a Cough
of two years standing, caused by La
Gripe, by Dr. King's New Discovery.
B. F. Merrill, Baldwinsville, Mass., says
that he has used and recommended it
and never knew it to fail and would
rather have it than any doctor, because
it always cures. Mrs. Hemming, 222 E.
25th St., Chicago, always keeps it at
hand and has no fear of Croup, because
it instantly relieves. Free Trial Bottles

Retiring sheriff, Charles Hanley, will
turn the office over to his successor, Nate
Reed of Remington, on the 25th inst. He
leaves two prisoners in jail. Mr. Hanley
will open a law office in Rensselaer as
soon as his term of office expires. He
has held the keys to the Jasper county
jail for four years, the limit prescribed
by law, and has given very general satis-
faction in the discharge of his duties.
