MINISTERS WILL HOLD MEETING

M. E. CHURCHMEN TO DISCUSS MATTERS OF RELIGIOUS INTEREST.

South Bend District of Northwest Indiana Conference Will Meet at South Bend.

The triumph of the Anti-Saloon league of Indiana will be recalled next week at the ministerial institute, South Bend district of the Northwest Indiana conference of the Methodist Episcopal church. The institute opens Monday afternoon at 2:30 o'clock with devotions by David Handley, of Door Village. Tuesday evening the program ends. The meetings will be held in the Methodist Episcopal church, and a cordial invitation is extended to the general public. It is probable that at least 50 visiting elders will assist on the program by presentation of papers or participation in discussion. Vest results should be obtained if members will patronize the meetings. Many vital subjects of the day will be exhaustively treated principally among which is the county local option question. Following the recital of the achievements of the Anti-Saloon league of Indiana by S. E. Shumaker, of Indianapolis will be a general discussion, open to everybody. William Pomeroy Hovis, D. D., of South Bend, will outline "The Brotherhood Movement," and it is expected that directly following the close of the institute a "Brotherhood" society will be formed in many of the towns and cities of the district. The purpose of these "Brotherhood" societies is to bring the male members of the congregation in closer contact, social as well as religious. In all large cities of the country these societies have met with great success, and resulted in a closer union in church circles. Membership is not limited to churchmen. One of the main addresses of the session will be made by Edwin R. Randall, D. D., of Chicago, national secretary of the Epworth league. His subject will be "The Problem of the Epworth League."

THE THIRTEENTH DISTRICT.

What the Different Counties of the District Did at the Recent Election.

Rock-ribbed Kosciusko county gave Taft a majority of 1044 and Watson for governor 906, but it elected Ed Boxer judge over Lemuel W. Royse, by 174 majority and a Democratic treasurer, sheriff and one commissioner.

Edwin W. Higbee Republican candidate for state senator was given 330 plurality, this was 137 less than enough to overcome Harry Grube's plurality of 467 in Marshall county and Grube will fill the seat of John W. Parks for the next four years. Charley Miller had a plurality of 102 for congress.

ELKHART COUNTY.

For years Elkhart county has collected extraordinary Republican majorities. A sudden change has taken place in that locality.

Four years ago was more than 2000. Taft's ran down to 287, and Watson for governor squeezed through with 48. Goodwin for lieutenant governor has a lead of 323; Sims, for secretary of state, 293. None in the Republican state ticket reached the 400 figure.

The Democrats elected R. E. Proctor, state senator by 94; David D. Rollins, a representative; W. P. Kram treasurer by 56; H. B. App and Eli Fisher commissioners. The Democrats made their heaviest gains in the city of Elkhart.

The Republicans got one representative, prosecutor, sheriff, surveyor and coroner.

The Prohibitionists and Socialists made quite a showing in Elkhart county. These are the figures:

Prohibition—President, 396; governor, 516; congressman 488; judge no candidate; senator, 501; representative, 494 and 493; treasurer, 489; sheriff, 494; coroner, 512; commissioners, 522 and 529. In 1904 this vote was 628, a falling off of 112.

Socialist—President, 400; governor, 360; congressman, 340; judge, 342; senator, 340; representative, 350 and 349; treasurer, 348; sheriff, 351; coroner, 345; surveyor, 351; commissioners, 351 and 342. In 1904 the vote was 315. This shows a gain in this year's vote.

It will be readily seen that the Prohibition party is responsible for the election of a whisky senator and a whisky representative to the legislature in Elkhart county.

PULASKI COUNTY.

Bryan's plurality in Pulaski county is 200; Marshall's 300; Barnhart's 340; Bernethy's for joint representative, 297; Vurpila's for circuit judge, 320. The candidates for county officers were all elected. The lowest plurality is 93; the highest 289.

STARKE COUNTY.

Starke county gave Taft a majority of 321 and Watson 160, but elected all the Democratic county candidates except three. The Republicans elected Ransbottom auditor by 34 over Kurz, the Democrat, Short treasurer by 93 over Joseph, and Morris surveyor by 34 over Wynant. The Democrats elected Doyle sheriff by 125 over Ankerman, Fisher coroner by 61 over Donat, and Fuller and Lukens commissioners by 116 and 120 respectively over Warkenstein and Smith. Miller's plurality for congress was 32.

FULTON COUNTY.

Every Democratic candidate on the county ticket in Fulton county was elected. Their majorities are as follows:

H. A. Barnhart, congress, long term, 127, short term 135; Harry Bernetha, judge 460; Geo. Rentscher, representative 122; Frank McCarter, treasurer 3; Clem V. Miller, sheriff 85; James M. Burns, surveyor 85; Milo O. King, coroner 84; Edward Camerer, com. 2d district 136; Alonzo Coplen, com. 3d district 184. For prosecuting attorney R. R. Carr, Republican, carried the county by 88, and T. R. Brady, Republican, for joint senator by 11 votes.

St. JOSEPH COUNTY.

St. Joseph is the banner county of the district. It gave Mr. Taft a plurality of 2,506, gave the Republican state ticket over 1,500, elected every Republican county officer and gave Miller a plurality of 1,141 for congress.

Without the extraordinary upheaval in Elkhart county Henry A. Barnhart would not have been elected to congress over Chas. W. Miller. That Barnhart would make heavy inroads on Chas. W. Miller was generally expected, but that the upheaval would reach the proportions of a landslide was hardly looked for. However, wonders never cease in this world.

Ready for a Contest.

Concerning the threatened contest of the election by Democratic candidates who have been defeated in the recent election, Attorney General Bingham re-elected, declares that the Republicans are ready to meet any kind of an issue that may arise. Mr. Bingham states that reports of irregularities come from everywhere. The statement made by Democratic Chairman Jackson that a contest would be instituted brought some remarks from Mr. Bingham about the state chairman.

"If Mr. Jackson thinks it is well to go into a contest of an election that has been dominated by the brewers, we can certainly afford to meet the issues. We have received reports of crookedness from everywhere. In one place thirty men voted from one house, and not one of those men can be found now. Money was also freely used. In my opinion Mr. Jackson didn't have anything to do with this campaign; it was dominated by the brewers, and that he is not advised what his brewer friends have been doing."

TO RECOVER MONEY PAID.

Mutual Insurance Company Compels Its Debt to State Already Had Been Satisfied.

The Mutual Life Insurance Company of New York filed suit in Superior Court Room, against the State of Indiana to recover \$5,000. The suit grows out of the demand made about two years ago by the auditor of state upon a number of insurance companies for amounts paid by them to James H. Rice and David Sherrick which it is charged was misappropriated by Rice and Sherrick. The action is a test case to determine the right of the state to collect and retain such funds.

In the case of the Mutual Life Insurance Company it states it paid in \$3,023.60 at the demand of Auditor of State Billheimer under protest, on the ground that the amount had been previously paid to Sherrick. They held that payment to Sherrick satisfied the Company's debt to the state.

Whisky Killed Him.

Of Interest to Women.

To such women as are not seriously out of health but who have exacting duties to perform, either in the way of household cares or in social duties and functions, which seriously tax their strength, as well as to nursing mothers, Dr. Pierce's Favorite Prescription has proved a most valuable supporting tonic and invigorating nerve. By its timely use, much nervous weakness and suffering may be avoided. The operating table and the operating knife would be of little use to a woman who would not be employed if this most valuable woman's remedy were resorted to in good time. "The Favorite Prescription" has proven a great boon to expectant mothers by preparing the system for the coming of baby, thereby rendering childbirth safe, easy, and almost painless.

Bear in mind, please that Dr. Pierce's Favorite Prescription is not a secret or patent medicine, against which the most intelligent people are quite naturally averse, because of the uncertainty as to their composition and harmless character, but is a medicine of known composition, a full list of all its ingredients being printed, in plain English, on every bottle wrapper. An examination of this list of ingredients will disclose the fact that it is purely alcoholic in its composition, chemically pure, triple-refined glycerine taking the place of the commonly used alcohol.

It is a medicine put up for the cure of a woman's peculiar weaknesses and ailments, and sold through druggists, all over the world, of which have the unanimous endorsement of all the leading medical writers and teachers of the several schools of practice, and that too as remedies for the ailments for which "Favorite Prescription" is recommended.

A full list of all its ingredients being sent to any address post-paid, and absolutely free if you request by postal note or letter of Dr. R. W. Pierce, Dr. Pierce, Pleasant Hill, Cts., Buffalo, N. Y.
