PLAN TO REDISTRIBUTE STATE.

**Will Tell Republicans Arrangement Would Mean End of Party Factions.**

A correspondent writing from Washington, says it has developed that an effort will be made at the coming session of the legislature to redistrict Indiana for congressional purposes. A congressional reapportionment is earnestly sought by a number of the Democratic congressmen-elect, who were swept into power by the Democratic landslide this year. They fear that unless the legislature gives them reinforcements by changing the boundaries of their districts and including Democratic territory they will be wiped off of the political board in 1910.

Several of the Democratic members elect are in Washington and at informal conferences with the Democratic congressmen from Indiana the question of a congressional reapportionment has been discussed in all its phases. There is no legal barrier to a congressional reapportionment by the coming legislature, but the chief obstacle in the way is the Republican majority in the state senate.

As a means of overcoming possible Republican opposition in the senate the argument will be used that by helping to change the boundaries of the congressional districts the Republicans, especially in northern Indiana districts, like the eighth and eleventh, can iron out their local dissensions and differences as they could not hope to do otherwise.

### THREE RAILROADS FINED.

**B. & O. Pennsylvania and Monon Found Guilty of Violating Appliance Law.**

The Baltimore & Ohio, the Pennsylvania and the Monon Railroads were Tuesday found guilty in Federal District Court of violation of safety appliance laws in the matter of defective couplers on freight cars. Each road was fined \$100 and costs.

The Pennsylvania suit was originally filed against the Pittsburgh, Ft. Wayne & Chicago Railroad, but the Pennsylvania company was substituted. Three counts were brought against the Monon in that trial, but the jury found guilty on but one of the counts.

**Cocooners Fed to Sharks.**

Capt. C. M. Decker arrived in New Orleans, Monday night on the Harry T. Inge, from Belize, and reported the loss at sea, November 14, of his schooner, the Annie, off Ruatan island, Honduras. Captain Decker, his wife, their baby and the crew had a narrow escape from death when the schooner capsized as the result of a heavy squall, later going down with a cargo of 70,000 cocoanuts and \$4,000 in silver.

The Annie hailed from Liverpool, Nova Scotia and was bound from Honduras to New York.

**Christmas Trees Advance.**

Still another effect of the long August and September drought became noticeable when dealers announced that the price of Christmas trees this year will be materially advanced over last year's prices. The reason for this is that many of the trees perished in the forest fires which, raged in the vicinity. The prices will run from 25 cents for the very small trees up to \$2.50 and \$3.

**Tyner Items.**

## CITY'S OLDEST RESIDENT CALLED

**MRS. SARAH BENNETT WAS NINETY-ONE YEARS OF AGE.**

Had Lived in Plymouth for Sixty-Seven Years—Oldest Woman in Marshall County.

Mrs. Sarah Bennett familiarly known as Auntie Bennett, is no more. After being a resident of this city continually for sixty-seven years, she passed away at the home of her niece Mrs. Harriet Bennett, at 4:30 o'clock Wednesday morning. In the death of Auntie Bennett, Plymouth loses a wonderful character. Possessed of a memory the like of which had never been known here, the old lady retained her full faculties until only a few minutes before her death. Suffering from a fall which she received eighteen years ago she has been unable to walk since that time. Otherwise, however, her health seemed perfect all of these years, and her end was altogether unexpected. Her faculties were perfectly clear until her death, and she was able to recognize and talk to her friends.

Miss Sarah Anderson (her maiden name) was born in Highland county, Ohio, on Oct. 9, 1817, of Benjamin and Rhody Anderson. On August 10, she was married to Dr. Joseph W. Bennett. They lived in Ohio for four years, and in 1841 moved to Plymouth, where they resided until his death. They resided in the house now occupied by J. A. Yockey on Michigan street, and Mrs. Bennett continued living there after the death of her husband, for over fifty years. Dr. Bennett died thirty-two years ago. No children were born to the couple and all of her immediate relatives have gone before her. Mrs. Harriet Bennett of this city, with whom the deceased made her home for the past few years, is a niece. Two other nephews, Alfred and William Anderson, and a niece Miss Emma Anderson, of Greenfield, O., are the surviving relatives. Mrs. Bennett was a faithful member of the Methodist church all of her life and had often expressed a desire of having Rev. Brooks, her former pastor, now of Valparaiso, to preach her funeral, and an effort will be made to secure his services.

### MAYORS SEEK NEW LAW.

**Executives of Twenty Cities of State Agree on Abolition of Metropolitan Police Statute.**

The mayors of the cities and towns of Indiana see good in the abolition of the metropolitan police law and the amendment of the cities and towns law.

At a meeting held at Indianapolis attended by the mayors of twenty cities of the state, steps were taken to accomplish both these ends. A legislative committee was appointed to draft a bill, to be introduced at the coming session of the legislature repealing the metropolitan police law and amending the cities and towns act.

The following committee of mayors was appointed: Lawrence Becker, Hammond; Edward J. Fogarty, South Bend; D. C. Anderson, Huntington; George P. McKee, Logansport; W. H. Arnett, Kokomo; L. Darrow, LaPorte; George E. Greene, Vincennes; W. B. Reed, Attica; S. E. Voris, Crawfordsville, and W. A. Bridges, Franklin.

The sentiment of the mayors was that the cities and towns act, in its present form, worked a hardship on the smaller cities of the state of the third and fourth classes in that it imposed unnecessary expenses on the taxpayers. The law requires these cities to maintain a police judge, controller, city treasurer and police commissioners.

**Want Offices Abolished.**

The mayors are of the opinion that the City Councils should have the privilege of abolishing the office of controller when deemed desirable, combining his duties with those of the city clerk; that the mayor should have the power to act as police judge and that the county treasurer should do the work of the city treasurer. It was also suggested that the Board of Public Works take the place of the Board of Police Commissioners. The bill to be drafted by the mayors will also repeal that section of the cities and towns act which forbids city officers to succeed themselves in office. One of the mayors present characterized this feature as un-American and unreasonable.

Mayor Boehme of Evansville stood alone against the general feeling that executives should be ineligible to reelection.

In all other respects the present cities and towns act was praised by the mayors. Many expressed their opinion that it would be a grave blunder to repeal the entire law, since it had been a means for much good to the cities as well as the smaller towns of the state. With the amendments suggested the belief was general that the law would be perfect in every detail.

**Increase in Typhoid.**

An approximate increase of 10 per cent. in the number of typhoid fever cases for November over those of the corresponding of last year is estimated by Dr. J. N. Hurty, secretary of the State Board of Health, from the reports thus far received from the secretaries of the county boards of health. Dr. Hurty traces the cause of the increase to the drought of the late summer season, which affected almost all the sources of water supply in the state.

Aside from the prevalence of typhoid, contagion over the state is remarkably low.

**No Appointments Made.**

Although Gov.-elect Marshall, of Columbia City, received many letters daily from applicants for office, he has made no appointments since the election other than his private secretary, Mark Thistlewaite, and stenographer Mrs. Lou Slagle. No appointments of any kind will be made until Mr. Marshall reaches Indianapolis and is located in his home.

## JUDGE CITED FOR CONTEMPT

**J. S. Dodge of Elkhart Notified to Appear Before Appellate Court in Receiver Case.**

The Indianapolis Star says the Appellate court issued for service a summons upon Judge Dodge of Elkhart to appear before the Appellate court, Jan. 5, and show cause why he should not be punished for contempt.

Judge Dodge sitting on the Elkhart circuit court bench had charge of the suit for receiver filed against the Indiana National bank and William Roosevelt, in hearing the case decided that Horace Shoptert, the plaintiff in the suit, was not entitled to recover a judgment of \$500, he asserted the right to recover as special deposit, asking that the sum be returned to him as a preferred creditor. The appellate court reversed the decision, ruling that Shoptert was entitled to recover. Judge Dodge was ordered to pay, but has not done so.

### IN MARSHALL CIRCUIT COURT

**PATERNITY CASE AGAINST NATHAN LOWENSTEIN SETTLED BY PARTIES.**

**Charles Protsman Will be Tried on Wednesday, Dec. 23—Application for Epileptic.**

The paternity case against Nathan Lowenstein of Bremen, brought by Hazel Tobias of Nappanee, which has been pending in the Marshall Circuit Court, was settled this morning by the payment of \$150, and the court costs, by M. Lowenstein, father of the defendant, to the plaintiff in the case. The case was to be tried today and a number of witnesses from Bremen were in the city this morning.

The case of State of Indiana versus Charles Protsman, for grand larceny, was set for trial on the morning of Wednesday, Dec. 23. The defendant pleaded inability to engage an attorney, and the court appointed E. C. Martindale.

Bench warrants were ordered to be issued to the sheriff for the 124 indictments returned by the recent grand jury.

Rosa Snyder applied for admission to the Indiana Village for Epileptics, for Ora York. Doctors L. D. Eley and T. A. Borton were appointed to examine the patient and report.

The case of Hugh Biggens versus Edward and Amanda Biggens, on contract and to quiet title, was dismissed, and the costs paid.

### Lapaz Items.

Born to John Mummy and wife, a daughter, Dec. 5th.

Mrs. M. L. Peter and daughter enjoyed a most delightful visit with Mrs. John Hoham over Sunday. Plymouth never looked prettier in her holiday attire.

Rev. T. Jensen financial secretary of Chicago Seminary, preached at Luther chapel last Sunday. The Holy Communion was also administered. Services will be held again on Christmas night.

The U. B. Sunday School has increased wonderfully, due to the push of Mr. Cushman. Even the oldest and most negligent residents are gathered in. Mr. Editor, wouldn't it be nice to have Christmas come every Sunday?

Mrs. Charles Gordon formerly Miss Shafer, daughter of Postmaster Shafer, is making her parents an extended visit. In August 1906 she was married to Charles Gordon in Ray, North Dakota. Since then she has not visited her old home, until early this month. She sees improvements around her here and her many friends rejoiced to see her.

The Holy Ghost Baptists are still holding meetings nightly here. They undertake house to house visitations. Why are not all the old, established churches equally zealous, and there would be no need of these everlasting new isms to spring up. They seem to be offshoots of the late ism that left a whole set of people destitute. God stand by and help the old isms in their work.

Miss Flossie Logan, daughter of Leonard Logan, formerly of Lapaz, and now of Williston, North Dakota, died on November 30, 1908, aged 21 years, 8 months and 16 days. She was born in Lapaz, March 14 1887. In 1903 the family moved to Williston, N. D., where Miss Flossie graduated from the High School in 1906. She failed in health, and the same year she came to Indiana and at Epworth Hospital, she underwent an operation; later, not improving, she went back home and underwent another operation at Williston hospital. Finally she was removed to her home, where she was released from pain and suffering and translated into those mansions above prepared for the children of God. All friends in and around Lapaz extend sympathy. She was a member of the Advent church. Services were conducted by Rev. Christian at her home in Williston. Burial in Williston cemetery.

**Deafness Cannot Be Cured**

by local applications, as they cannot reach the diseased portion of the ear. There is only one way to cure deafness, and that is by constitutional remedies. Deafness is caused by an inflamed condition of the mucous lining of the Eustachian Tube. When this tube is inflamed you have a rumbling sound or imperfect hearing, and when it is entirely closed, deafness is the result, and unless the inflammation can be taken out of this tube restored to its normal condition, hearing will be destroyed forever; cases out of ten are caused by Catarrh, which is nothing but an inflamed condition of the mucous surfaces.

We will give One Hundred Dollars for any case of Deafness (caused by Catarrh) that cannot be cured by Hall's Catarrh Cure. Send for circular free. F. J. CHENEY & CO., Toledo, Hall's Family Pills for constipation.

## ARE AFTER GAME WARDEN

**DEPUTY GAME WARDEN IS CHARGED WITH ROBBERY AND BLACKMAIL.**

Alleged to Have Illegally Collected Money From Residents of Kosciusko County.

Charged with illegally collecting money from many Kosciusko and Wabash county residents, Deputy Game Warden A. M. Gillion, of Logansport, has been placed under arrest by Sheriff George Freeman, of Wabash county, and his bond has been fixed at \$2,000. The defendant is charged with blackmail, robbery, larceny and also obtaining money under false pretenses. He strenuously denied his guilt and demanded a trial.

Gillion, it is alleged, is one of a number of men who were with Justice of the Peace Charles Martin, of Wabash, in his trips to the lakes where Martin held court, arresting, fining and collecting money from Kosciusko and Wabash county men. It is charged that he not only disregarded township lines in holding court, but did not even hold close to the county line.

Gallon stands accused of being one of the two really responsible persons, but he is trying to throw all of the blame on Squire Martin, who, it is charged, not only held the trials and collected the money, but neglected to turn it over to the state. Gallon says that he received nothing for his services, although he did borrow a little money from Martin, who is now a fugitive. Martin appears to have made a pretty clean sweep for at times his fines and costs amounted to as much as \$100 from a single man. Gallon is still a deputy warden and must stand trial for these irregularities. He will plead ignorance of the limits of the jurisdiction of Justice Martin, but whether ignorance will excuse him is a question to be decided in court and one that is being looked forward to by many persons living in Wabash and Kosciusko counties. Others may be implicated.

### BRYAN NEEDED 1,208,998 VOTES

**However, He Received 1,372,719 More Than Were Cast for Parker in 1904.**

Bryan's popular vote was 1,208,998 less than Taft's, according to figures compiled by the New York Times. It gives the total vote for Taft in the recent election as 7,659,688, compared with 7,623,486 for Roosevelt, in 1904. The Democratic vote is given as 6,450,690, as against 5,077,971 four years ago.

According to the table the Socialist vote was less than in 1904, the respective figures being 401,506 and 402,288. Fewer votes were cast for the Prohibition candidates, the count standing 228,014 last fall, as compared with 238,536 in the last presidential year. In a few instances, says the Times, these figures are not final. But, in every instance, it is declared they are the best that can be obtained prior to the publication of the official canvass, and will differ from the official figures very slightly, if at all.

**Veteran's Widow Arrested.**

Mrs. Josephine Kendall, aged 65, of Fostoria, Ohio, was arrested in that state and brought to Indianapolis. It is charged that she swore falsely in order to secure a pension.

The arrest was made upon a requisition from Joseph P. Keating, United States attorney for the district of Indiana.

According to the affidavit on which the arrest was made, the woman was married to Emanuel Kendall in 1853. He died in 1870, after serving in the civil war. In 1898 Mrs. Kendall applied for a pension, declaring that she had not remarried after the death of Kendall. Affidavits show that she had.

**Becomes Insane Again.**

J. F. Miller, a resident of Walkerton, who was adjudged insane by a commission consisting of Drs. M. S. Denant and S. P. Tracey and Justice H. A. Adle, is in South Bend jail. Miller had been previously confined in the Longford asylum, but was returned as cured. Recently, he began to show signs of the return of the malady and within the past few days his condition grew so bad that it became necessary to take him to the county jail. He will be taken away in a few days.

**Men Will Banquet.**

The men of the Episcopal church will assemble at the Plymouth Inn Thursday night at 7:30 o'clock for a banquet and a program of speeches.

## ELEVEN PRIZES TO INDIANA.

The National Corn Show was opened at Omaha Wednesday when ex-Congressman John L. Kennedy read a telegram of greeting from President Roosevelt.

Illinois, Indiana, Iowa, Colorado and Wisconsin divided honors in first prizes in the seventeen awards made.

Indiana secured six firsts and five seconds; Illinois had five firsts and six seconds; Iowa had two firsts and two seconds; Colorado, two firsts and two seconds, and Wisconsin had one first.

### THE CHURCHES

**U. B. Church.**  
S. H. Yager, Pastor.

Sunday morning the pastor's subject was "Warning." Text: Ezekiel 33:5, and in the evening, subject was "God's Care for His Children." Rev. 2:12. The service both morning and evening was largely attended.

This will be a busy week for the church. The officials of the Christian Endeavor will meet this evening with Mrs. Byrd Betz.

Tuesday afternoon and evening the children met at the church parlors to arrange for Christmas.

Thursday evening at 7:30, Rev. Grimes of Warsaw, the presiding elder, will preach and conduct the business session of the church.

Friday evening will be the banquet arranged by the Christian Endeavor. Let all members of the society be present.

**Episcopal Church.**  
Rev. W. S. Howard, Pastor.

At the annual meeting of the parish last week, the following men were elected to serve on the vestry for the following year: Senor and Junior wardens, G. H. Thayer and D. E. Snyder; other vestrymen are N. B. Aspinall, J. B. Howell, F. D. Lamson, Daniel Jacoby, L. P. Kleitz, C. A. Reeve and Geo. Vinnal.

The annual financial report showed a total of \$2500 raised for all purposes the past year. The rector's report showed that 21 had been confirmed, and 17 baptized the past year, and 253 public services held. The record of attendance by actual count showed that the congregations were 50 per cent. larger than the year before, while the Sunday school had increased 25 per cent. in attendance and is now in the most flourishing condition in many years.

The Ladies' Parish Guild will this week make a \$200 payment on the pipe organ, and will hold their annual election of officers on Thursday at the home of Mrs. Jas. McGimsey.

Active preparations for the children's Christmas entertainment are now under way, also the vested choir are preparing some very fine music for Christmas. The congregations yesterday were unusually large.

**Presbyterian Church.**  
Rev. Geo. A. Pfug, Pastor.

All the services were well attended at the Presbyterian church Sunday. The Sunday School numbered 221, with 22 young men in the Y. M. B. C. In the morning the pastor preached a strong and helpful sermon on Job the Man of God in his great affliction, proving that his confidence in God did not depend upon his outward circumstances or environment, but by faith rose above them and conquered them. The evening sermon was the second in the series on The Heroic Christ, and was beautifully and helpfully illustrated by reproductions from the paintings of Hoffman, Dore, Zimmerman, Tissot and others. The men's chorus rendered a good night song, very effectively.

**INDIANA TO THE FRONT.**

Will Soon Supply All of Milk Used in Chicago—Due to Sanitary Methods.

That Indiana dairymen will, before long, supply almost all the dairy products used in Chicago, is a report made by State Food Inspectors Bert W. Cohn and F. W. Tucker, who have returned from the dairy exhibit in Chicago. In conference with H. E. Barnard, state food and drug commissioner, on their return, they quoted Dr. H. W. Evans, health commissioner of Chicago, as having said: "Indiana is far in advance of Illinois in the matter of sanitary milk production, and unless Illinois dairymen get together and bring their products up to the high standard of those in Indiana, the latter state, instead of the Elgin district, will soon be supplying all the Chicago trade."

Chicago has an ordinance providing that no dairy product shall be received in that city except from dairy farms inspected and approved by commissioned inspectors. The ordinance was primarily aimed at the northern Indiana field, and to protect the dairy interests in that part of the state the Indiana food and drug department busied itself two years ago in improving conditions in the field supplying Chicago.

## DEFICIT MAY REACH \$143,046,796

**RECEIPTS NOT KEEPING PACE WITH INCREASE IN DISBURSEMENTS.**

Secretary of Treasury Reports—New Sources of Revenue Necessary When Tariff is Revised.

The annual report of Mr. Cortelyou, the Secretary of the Treasury, shows a reversal of conditions for the fiscal year 1908, as compared with the fiscal year 1907. For the latter year the receipts were \$84,236,536 in excess of the disbursements. For the fiscal year 1908 the disbursements were \$58,070,201 in excess of the receipts, due to business depression and increased appropriations. Fortunately the report says, the available cash balance at the beginning of the fiscal year was \$272,061,445.

The Treasury was called on in the latter part of October, 1907, to render assistance in a financial panic which started in New York city and which gradually extended over the entire country. Through Treasury operations during this financial disturbance the amount of public deposits with the banks reached \$236,548,321 on November 30, 1907, and on December 27, 1907, the maximum of \$259,994,271 was attained, after which it was decreased to \$256,920,154 by the close of the month. Further withdrawals decreased this amount to \$18,379,536 on November 16, 1908.

**Reduction of Interest-Bearing Debt.**

The amount of interest-bearing debt on June 30, 1907, is shown to have been \$934,902,760 and on June 30, 1908, \$897,503,990.

The report shows that from the date of the passage of the national bank act in 1863 to July 1, 1908, charters were granted to 9,174 national banking associations, and at the close of the last fiscal year there were in operation 6,827 associations, with authorized capital stock of \$930,542,774. Banks to the number of 1,878 have been closed by the voluntary action of their stockholders, and 469 insolvent associations have been placed in charge of receivers.

There were purchased for the coinage of subsidiary silver during the fiscal year 1908, 999,000 ounces of silver bullion at a cost of \$9,923,026.

The receipts from internal revenue taxes for the fiscal year 1908 were \$251,711,126, a net decrease from 1907 of \$17,053,646. The customs receipts for the same period amounted to \$296,113,130, a decrease for the year of about \$46,000,000.

Based on his figures on the estimate of appropriations already submitted by the several executive departments, the Secretary is of the opinion that the excess of expenditures over receipts for the fiscal year ending June 30, 1910, may reach \$143,046,796. The Secretary estimates the deficit for the present fiscal year as \$114,000,000.

### THE LEMON BOX

Miss Irene Kuhn called on close friends at Argos (this state) Saturday.

A certain young man about sixteen years of age, who attends the local High School, displayed his gallant spirit Saturday night by offering to accompany the fair violinist who participated in the concert at the Orpheum theatre, to her boarding school. The young lady however, thought it would "hardly be proper."

On the bills announcing the Basket Ball game between Plymouth and Laporte High School teams which will be held at the opera house in this city Friday evening the public is invoked "To come and see the Fierce Contest. Now why a 'Fierce' contest? Later—the boys have stricken out the above line, from some of the bills. Surely they do not mean that the boys look 'Fierce' in their basket ball suits."

Don't you wish you were a soldier? Think of the grandeur, the pretty uniform, and all the pretty girls that you could dazzle by your manly carriage etc., etc. The first indication that the Culver cadets were in Plymouth Sunday evening was given by the regular force of the city's young ladies. You can look to these girls to spot the gray coats as soon as they have crossed the city limits. How this acute perception is achieved is not generally known, nevertheless it is there. No sooner had the soldiery made their appearance on the streets Sunday evening, than one lone girl, the sentinel of the band, began her search for her comrades. This young lady entered the Fuller Candy store and inquired of a clerk "have you seen the girls?" "No" the clerk had not seen the girls. "Oh, I wish I could find them," sighed the fair one, "for the Culver boys are in town and I am so afraid that I won't be able to find the girls." And so the telephone was brought into play, and low—as if by magic, in ten short minutes all of "the girls" to the number of five, were parading LaPorte street in the quest of cadets. Were they successful? Are they always successful? Why of course they are, for they have been there many times before.

A corresponding number of cadets were caught, and a most delightful conversation concerning Greek and other classical studies was engaged in until the heartless bugle separated the soldier boys from the unknown but admiring Plymouth young ladies.

### NOTICE OF FINAL SETTLEMENT OF ESTATE.

In the matter of the Estate of Julia O'Brien, deceased.

In the Marshall Circuit Court November Term, 1908.

Notice is hereby given that the undersigned, as Administrator of the estate of Julia O'Brien, deceased, has presented and filed his final account and vouchers in final settlement of said estate and that the same will come up for the examination and action of said Circuit Court on the 1st day of January, 1909, at which time all persons interested in said estate are required to appear in said court and show cause, if any there be, why said account and vouchers should not be approved. And the heirs of said estate, and all others interested therein, are also hereby required, at the time and place aforesaid, to appear and make proof of their heirship or claim to any part of said estate.

Done Dec. 9, 1908.

Wm. F. YOUNG, Witness the Clerk and Seal of said Marshall Circuit Court, at (seal) Plymouth, Indiana, this 9th day of December, 1908.

J. C. Whitesell, Clerk Hess & Hess, Attys.

### Delay in Choosing Gifts Means Disappointment

Waiting until the last day before Christmas to select gifts invariably means disappointment for the giver and less satisfaction to the recipient. People who choose gifts early get the cream. Don't be a late one and have to take what's left.

### Plenty of Gift Goods Now

A visit to our store now will settle all your gift giving problems. There's something desirable here for anybody to whom you desire to give. Don't waste your time seeking elsewhere but come here first. Holiday money goes farther here than elsewhere because we bought heavily and right. In fact we were never able to offer such values as our stock affords this year.

### Come Often

We do not urge anybody to buy who comes here. There is no need of it; our goods sell themselves. What we do urge is that you inspect our stock and to do so just as early as you can.
