The Lafayette Leader thinks one of the principal reasons for so many divorces, now numbering the scandalous proportion of one out of every twelve marriages, is the great ease and speed with which they can be obtained. It tells of a man in Tippecanoe county who assigned as a reason for divorce the fact that his wife would not permit him to receive and read a newspaper of his own political faith. That would seem to be the limit.

### What Ails You?

Do you feel weak, tired, despondent, have frequent headaches, coated tongue, bitter or bad taste in morning, "heartburn," belching of gas, acid risings in throat after eating, stomach gnaw or burn, foul breath, dizzy spells, poor or variable appetite, nausea at times and kindred symptoms?

If you have any considerable number of the above symptoms you are suffering from **biliousness, torpid liver with indigestion.** Doan's Kidney Pills are the most valuable medicinal principles known to modern science for the permanent cure of such a condition. It is a most efficient liver invigorator, stomach tonic, bowel regulator and nerve strengthener.

The "Golden Medical Discovery" is not a patent medicine or secret nostrum, a full list of its ingredients being printed on its bottle-wrapper and attested under oath. A glance at its formula will show that it contains no alcohol, or harmful habit-forming drugs. It is a fluid extract made with pure, triple-refined glycerine, of proper strength, from the roots of the following native American forest plants, viz., Golden Seal root, Stone root, Black Cherry bark, Queen's root, Bloodroot, and Mandarilla root.

The following leading medical authorities, among a host of others, extol the foregoing roots for the cure of just such ailments as the above symptoms indicate: Prof. R. Bartholow, M. D., of Jefferson Medical College, Phila.; Prof. H. C. Wood, M. D., of Univ. of Pa.; Prof. Edwin M. H. Hall, M. D., of Univ. of Cal.; Prof. J. C. Jackson, M. D., of Univ. of Mich.; Prof. J. M. Scott, M. D., of Univ. of Wis.; Prof. J. M. Smith, M. D., of Univ. of Ill.; Prof. J. M. Smith, M. D., of Univ. of Ill.; Prof. J. M. Smith, M. D., of Univ. of Ill.

Doan's Kidney Pills cure all kidney ills. Plymouth people testify to this. Samuel Riggins, painter, living in the northwestern part of Plymouth, Ind., says: "Years ago, I had occasion to use a remedy for kidney trouble and finding that some prominent Plymouth people had used Doan's Kidney Pills with excellent results, I procured them a Richard's pharmacy. After using them a short time I found my kidney disorder corrected and the kidney secretions clear, instead of discolored as formerly. I am pleased to be able and also willing to give Doan's Kidney Pills my hearty endorsement."

For sale by all dealers. Price 50 cents. Foster-Milburn Co., Buffalo, New York, sole agents for the United States.

Remember the name—Doan's—and take no other.

### Weak Kidneys

Weak kidneys, surely point to weak kidneys. The kidneys, like the heart, and the stomach, find their weakness, not in the organ itself, but in the nerves that control and guide and strengthen them. Dr. Shoop's Restorative is a medicine specifically prepared to reach these controlling nerves. To doctor the kidneys alone is fully. It is a waste of time, and of money as well.

Your back aches or is weak, if the urine is scanty, or is dark and strong, if you have symptoms of brightness or of distress or dangerous kidney disease, try Dr. Shoop's Restorative. It is a medicine that will cure you. It is a medicine that will cure you. It is a medicine that will cure you.

### Dr. Shoop's Restorative

L. TANNER.

The old fashioned way of dosing a weak stomach, or stimulating the Heart or Kidneys is all wrong. Dr. Shoop's Restorative is directed entirely to the cause of these ailments—the weak inside or controlling nerves. It isn't so difficult, says Dr. Shoop, to strengthen a weak Stomach, Heart, or Kidneys, if one goes at it correctly. Each inside organ has its controlling or inside nerve. When these nerves fail, then those organs must surely fail. These vital truths are leading druggists everywhere to dispense and recommend Dr. Shoop's Restorative. Test it a few days and see! Improvement will promptly and surely follow. Sold by L. Tanner.

You should always remember that most cough and cold cures are constipating. Yet the most important thing to do when you have a cold is to move the bowels. You cannot promptly cure a cold until you do this. Kennedy's Laxative Cough Syrup stops the cough by allaying inflammation of the throat and lungs, and it drives the cold from the system by gently moving the bowels. Children like it for its tastes nearly as good as maple sugar. Sold by all druggists.

Why pay more—when you can get not only 90 fine large cups of Dr. Shoop's Health Coffee from a 25c package—but a coupon on a 25c silver "No-Drift" Coffee Strainer besides? Look for the coupon—I put them in now. The satisfaction is, besides most perfect. Sold by C. M. Slayter.

### Better Not Get Dyspepsia

If you can help it. Kodol prevents Dyspepsia, by effectually helping Nature to Relieve Indigestion. But don't trifle with Indigestion.

A great many people who have trifled with indigestion, have been sorry for it—when nervous or chronic dyspepsia resulted, and they have not been able to cure it. Use Kodol and prevent having Dyspepsia.

Everyone is subject to indigestion. Stomach derangement follows stomach abuse, just as naturally and just as surely as a sound and healthy stomach results upon the taking of Kodol.

When you experience sourness of stomach, belching of gas and nauseating fluid, bloated sensation, gnawing pain in the pit of the stomach, heart burn (so-called), diarrhoea, headaches, dullness or chronic tired feeling—you need Kodol. And then the quicker you take Kodol—the better. Eat what you want, let Kodol digest it.

Ordinary pepsin "dyspepsia" tablets, physics, etc., are not likely to be of much benefit to you, in digestive ailments. Pepsin is only a partial digester—and physics are not digesters at all.

Kodol is a perfect digester. If you could see Kodol digesting every particle of food, of all kinds, in the glass test-tubes in our laboratories, you would know this just as well as we do.

Nature and Kodol will always cure a sick stomach—but in order to be cured, the stomach must rest. That is what Kodol does—rests the stomach, while the stomach gets well. Just as simple as A, B, C.

**Our Guarantee**

Go to your druggist today and get a dollar bottle. Then after you have used the entire contents of the bottle if you can honestly say, that it has not done you any good, return the bottle to the druggist and he will refund your money without question or delay. We will then pay the druggist for the bottle. Don't hesitate, all druggists know that our guarantee is good. This offer applies to the large bottle only and to but one in a family. The large bottle contains 24 times as much as the fifty cent bottle.

Kodol is prepared at the laboratories of E. C. DeWitt & Co., Chicago.
