

THE DEMOCRAT.

LOCAL AND MISCELLANEOUS.

Corporation Convention.

The Democrats of Plymouth Corporation are requested to meet in Convention at the Court House on Saturday April 30, at 2 o'clock P. M. for the purpose of nominating a Democratic Ticket for Corporation officers for the ensuing year.

MANY DEMOCRATS.

Calkins' is emphatically the place to go to buy all kinds of goods cheap—cheaper than elsewhere.

Don't forget the supper provided by the Ladies at Woodward's Hall to night.

If you want to buy a first-rate article of whisky by the quart, gallon or barrel, Van Valkenburgh's is the place to go to get it.

For good bargains in good goods, go to the Low Price Store, at the old stand of Rice & Smith.

We notice that Col. Bailey has a fine lot of Stationery and Fancy Notions for sale at the Post office. Lovers of fine cigars can find them there.

Becker's are receiving new goods direct from the East. They can supply a large number of customers with all kinds of goods in their line of trade.

We wish we could get good beef here in the market. A good article sells readily now at 15 cents a pound. Somebody drive in a few fat cattle.

Rio coffee is worth 50 cents a pound. Guess editors and other poor people will have to give up the Rio and take to Rye.

Godey's Lady's Book for May has an attractive table of contents, besides the usual number of Engravings and fashion plates. Where there is so much to admire it may seem invitations to bestow special praise on any one article contained in the number, nevertheless we cannot refrain from inviting particular attention to the Poem entitled "Last year's Prey" by Benjamin F. Taylor.

We should like to receive on subscription a half dozen bushels of good potatoes, and a few good hams.

We learn that a child was run over in the street by a team last week and some what seriously injured, but is now in a fair way to recover. We have often wondered that a great many children are not killed on our streets. Look out, almost any hour of the day and you will see a dozen or more little devils playing about in the street utterly oblivious of danger, no matter how much the streets may be thronged with teams passing to and fro, and every few days they have to scamper on the double quick to evade some reckless driver, or runaway team. We guess a kind Providence takes care of the little fellows—their very carnal propensities don't look after them much.

It is generally considered to be a fact that Eggleston & Bro. have the best assortment of Boots and Shoes in Plymouth.

Butter of almost any kind is worth 30 to 35 cents, and a good article is almost impossible to be had. Wouldn't somebody take pity on us and bring us a few gallons of good, nice, clear maple molasses?

We are informed that the grocery Store of Ogden and Co. was entered by burglars one night last week, and several articles stolen therefrom. Some of these night-walking gentry will meet with a warm reception some of these times, that will either kill or cure.

We understand that the Telegraph operators at the station office here were discharged last week—cause, a too intimate association with Cyprians.

Washing-day has long been proverbial for its discomfort; but what is that compared with moving in rainy weather? Nothing absolutely nothing—we know—we moved last week, and didn't it rain?

Catch us moving again until—next time.

Reader.

Mr. T. J. Kerr would respectfully announce that he has commenced another term in Vocal Music, at Westcott Hall. All interested in the cultivation of Singing, and wishing to promote the interests of this important part of our education, are invited to attend. Tuition, for 24 lessons, \$2.00. Meet on Monday, Tuesday, Thursday and Friday evenings, of each week.

Eggleston & Bro. are receiving a nice lot of Summer Shawls, which they are offering for sale very cheap.

Two cases of Small-pox have been reported in this place, and one or two in Bourbois are said to be very mild, and measures have been adopted, and is confidently believed spread of the disease.

We think danger need be apprehended but we remind our readers that they should be vaccinated at once. Those who neglect so important a precaution are really criminal. Go at once to your family physician and be vaccinated.

A telegram from Indianapolis says the new call for one hundred day men hardly meets with a response in this State.

Mr. Chase's Paper Money.—The Treasury Tables show, the Greenback Currency, April 12th, to be \$660,976,616. Mr. Chase in his December Treasury Report solemnly pledged the amount should not exceed \$400,000,000. This return does not include the currency of the now 400 new "Nationals," which is probably \$300,000,000. No country,—no people ever did stand, or could stand, such a manufacture of paper money as currency. When the French tried it, in their *assignats*, everything burst up.

The Government currency stood, therefore, April 12th—  
Mr. Chase's Greenbacks.....\$660,976,616  
Fractional Currency.....20,000,000  
New Banks (est.).....30,000,000  
\$710,976,616

New York Express.

It is estimated that there is also about \$400,000,000 of other currency in circulation in the country, yet we see it stated that Mr. Chase seriously thinks of issuing from three to five hundred millions more of greenbacks—no wonder the prices of everything are high and greenbacks depreciating.

The place to buy all kinds of Dry Goods cheap, is at the Auction store.

At his residence in this County on the 22d inst. SAMUEL D. TABER, of Congestion of the Lungs and Brain, aged 66 years and 3 days.

Mr. TABER settled in this County in the year 1832, and was one of the early settlers of Northern Indiana. He has creditably filled some important official stations. He leaves a wife and six children. Thus only by one of our good and reliable citizens are falling.

Also at his residence in this County, on the 22d inst. MICHAEL PRENER, of Congestion of the Lungs and Brain, in the forty-third year of his age. He has left a wife and son to mourn their irreparable loss.

For the finest Hooped Skirts in town, go to the Auction Store of Eggleston & Brother.

The Notice.

Mr. GRINNELL, member of Congress from Iowa, unwittingly no doubt, but honestly expressed the motive which influenced the representatives of the party in power in the debate on motion to expel Mr. Lang.

What he felt and said is unquestionably the sentiment of the members of the Republican party. We put his declaration as we find it in the Republican papers, upon record, so that the people may understand what is meant by the noisy professions of "unconditional union" and "loyalty," and similar expressions, by the men whose patriotism is measured solely by party interests. Said Mr. Grinnell:

I WOULD RATHER SAY A THOUSAND TIMES LET THE COUNTRY REMAIN SOUTH OR NORTH, FREE, RATHER THAN SEE THE CONSTITUTION MORE UNDER DEMOCRATIC MANEUVRES.

It is this party spirit exhibited by Mr. Grinnell that brought the present clamor upon the nation, and as long as that spirit predominates in the management of our public affairs the fatal experience of the past three years will be the history of the future.—State Sentinel.

Dr. W. H. Davenport, Surgeon, Penitentiary, will visit Plymouth regularly on the last Tuesday and Wednesday of each month. Teeth set on Gold, Silver, or Rubber all work warranted. Rooms at the Edwards House.

If you want to buy the cheapest Prints in town, go to Calkins'.

RECEIVED NEW ADAMS.  
J. W. Linn, Agent for the sale of Mitchell's New General Atlas in this County, is now delivering the work to subscribers, and soliciting additional subscriptions. The work proves fully equal to the sample shown as by him, and of which we have heretofore spoken. We learn that it gives universal satisfaction.

This does not in the least surprise us, as we have seen no other work of its class that at all compares with it in style of execution or intrinsic value. Price \$7.50 per copy—a good investment.

RECEIVED.

This thorough bred horse will be found the present season at the stable of the subscriber, on the east side of Lake Maxinkuckee. He is a beautiful chestnut sorrel, 16 hands 2 inches high, combining great style, fine finish, and large size. His blood, beauty and size, make him one of the most desirable stock horses. Also the imported Jack, Clipper, of the pure Catalonian Spanish stock, the best in the world. For terms and pedigree see bills. April 7th 1864. L. T. VANSCHOICK.

The cheapest and best lot of women's and children's shoes can be had at Calkins'.

BROWN'S BRONCHIAL TROCHES clear and give strength to the voice of SINGERS, and are indispensable to PUBLIC SPEAKERS.

"I recommend their use to Public Speakers."

REV. E. H. CHAPIN.  
"They have suited my case exactly relieving my throat and clearing the voice so that I could sing with ease."

T. DUCHARME.  
Chorister French Parish Church, Montreal. Sold by all Dealers in Medicines at 25 cents per Box.

The cheapest and best fine cut, Smoking and plug tobaccos at Calkins'.

Gold closed in New York yesterday at 180 1/2. The produce market closed dull yesterday with prices in favor of sellers.

There are rumors that Longstreet is in the Valley of Virginia; but no reliance is placed upon them. Lee is in his old position on the Rapidan; with a force estimated at not exceeding 85,000 men. Preparations are being made by the rebels to resist an apprehended Federal advance upon the Peninsula.

TYNER CITY, Ind. April 29d, 1863.

ED. DEMOCRAT, DEAR SIR:

As Polk Township has the reputation of having the best organized Union League in this County, several of the members of the different religious societies in the place, some of them Preachers of the Gospel of the meek and lowly Savior, and all of them advocates of the interests of "God and humanity," we no doubt have a right to expect rich fruits as the result of so great an overflow of loyalty and patriotism. But let the following determine how far such expectations are realized, and what their midnight lessons of "loyalty" must be. A party of these U. L.'s went to Koonitz's Lake one night last week, on a fishing excursion, and meeting with poor success, returned at the dead hour of night, and on the way stopped at the farm house of Jacob Greenswig, an honest and quiet citizen of Polk Township, broke open and plundered his cellar of such things as they wanted, and on Mr. Greenswig appearing among them, drove him back into his room, with threats of murdering him. When shall these things end?

By the Keg or Pound; Mill saws, Log and Dog Chains, the best Axes in the West.
