

## THE DEMOCRAT.

## LOCAL AND MISCELLANEOUS.

Business on our streets has been rather more than usually brisk for a few days past.

There will be services and sermon at the Episcopal church next Sunday at 10 o'clock A. M.

The officers of Government are mostly like their own postage stamps poor sticks.—*Prentice.*

There was no meeting at the Presbyterian Church last Sunday, the Pastor being absent.

Old Abe's last joke is, that he once thought the taking of Richmond a question of time, but he now thinks it one of eternity.

We invite attention to Mr. Wright's new advertisement this week. Furniture of all kinds on hand cheap. Coffins furnished on call, and a splendid horse if requested.

The Democratic Club meets at Corbin's Hall next Saturday evening, at 7 o'clock. Democrats and conservative Republicans, turn out and hear the issues of the day discussed.

MASONIC—Plymouth Lodge No. 149 of F. & A. M. meets at Masonic Hall, on the 1st and 3d Friday evenings of each month.

Plymouth Chapter No. 49 meets at Masonic Hall on the 1st and 3d Monday evenings of each month.

Esquire Maxey can't be beat raising turkeys. He lost two at our office one day this week which weighed 17 pounds. The "Squire has our thanks."

The P. P. W. & C. R. W. Co. are erecting two good brick water houses at their depot in this place. Their new passenger house is nearly completed and will prove a great convenience to the traveling public.

**Democratic Rally at Warsaw.**  
The Democracy of Kosciuszko county will have another grand rally for McClellan and Pendleton, at Warsaw, on Saturday, November 5th. Hon. D. W. Voorhees, Hon. David Turpie, and Hon. Sam. Buckner will be there and address the people. The meeting will be a rousing one, and all who can should not fail to attend.

G. Blain & Co. are receiving a supply of Drugs and Medicines. They keep the celebrated RED JACKET Stomach Bitters for sale. Those who are unfortunate enough to need any thing in the shape of medicines can do no better than to give them a call. Prices as low as can be afforded, and articles warranted as represented.

Now is the time to prepare for the approaching winter, by securing a good supply of fuel, food and clothing. These necessities will all be higher in a month or six weeks than now. Lay in your winter's supply and then you may bid defiance to the storms of an inclement season.

There are many desolate families in our midst, made so by the ruthless conscription of father Abraham, or the destructive arts of existing war. Those more favored than their neighbors should lend a helping hand to the needy.

The Remarkable Properties of Brown's Bronchial Trochus have been thoroughly tested since first introduced. The demand for them has steadily increased, and purely upon their own merits, they have found favor with those, who, from Pulmonary, Bronchial, or Asthmatic complaints require them. For Coughs, Colds, Bronchitis, Asthma, and Influenza, they are entirely efficacious, removing all obstructions, and increasing at once the power and flexibility of the voice.

The man who doth no paper take,  
Grudging two dollars a year,  
Will never a good husband make,  
Because his wife can never know what is  
going on in the world and his children will  
very ignorant appear.

The last line is rather long for good  
jingle, but the moral is sublime.

## Lincoln Platform—The abandonment of the Constitution.

The People's Platform—The abandonment of Lincoln.

Mortality—Lincoln going to that bourne from which no Presidential candidate ever returns.

The Trenton (N. J.) Gazette says, "the friends of Abraham Lincoln, in this State, are up and dressed." Wait until the 8th of November, and you will be a good deal better dressed—you will be dressed out within an inch of your lives.
