

# THE PLYMOUTH DEMOCRAT.

J. G. OSBORNE  
S. L. HARVEY, Editors.

PLYMOUTH, INDIANA.

THURSDAY, SEPT. 12, 1867.

## DEMOCRATIC TICKET.

For Clerk,  
JOHN C. CUSHMAN.

For Surveyor,  
MARTIN H. RICE.

For Commissioner,  
JONAS MILLER.

### The Amnesty Proclamation.

The President has, at length issued a proclamation of Amnesty to those engaged in the rebellion, with certain exceptions therein named. These exceptions consist of three classes, and will embrace probably not more than four or five hundred persons all told. Those embraced within the executive clemency, are by the terms and legal effect of the proclamation restored to their former rights as citizens of the United States. This of course, includes the right to vote, but it is not at all likely that they will be allowed to do so by the radical jacobins who have the control of the south. We think the President has erred in not sooner issuing his Proclamation, and in not making the amnesty universal as to all those engaged in the rebellion.— This would not in any manner prevent the punishment of those engaged in the assassination of President Lincoln, they could be punished just the same then as now, the assassination being an entirely different matter from the rebellion. No good that we can see, will be likely to come of punishing Jeff. Davis, or any other of those excepted by the proclamation, and it seems to us that a full and free pardon to all would have done more than anything else to allay irritation and soothe the feelings of the entire southern population, thus doing away with one of the causes of discord and bitterness. If this had been done, and the fall elections prove, as they thus far are doing, that the political sentiment in the North has materially changed, we might hope for a speedy end to radical rule in this country.

Words of cheer are coming daily to gladden the hearts of democrats and all others not wedded to radicalism. California has gone democratic, radicalism has been promptly rebuked by the people of the Golden State. Vermont has gone republican by thousands less than heretofore for years. Maine has retained the radical majority thousands of votes, and there is a fair prospect that next year she will be added to the list of democratic States. No where has radicalism sustained itself except where radical bayonets, as in Tennessee, have overawed the sentiments and stifled the voice of the people. Indeed we do not know of a single state west of the Allegheny mountains and north of Mason and Dixon's line, that will support the radicals except, perhaps Iowa, Wisconsin, and it may be one or two others. Never since 1840 has there been such an upheaving of popular feeling as has now set in against the party in power, and all know that when once the people become aroused, it is impossible to stop the onward current until a complete change of rulers is accomplished. Democrats and all who love their country and sincerely desire its prosperity have reason to rejoice. Let them demonstrate their gratitude by laboring earnestly until the fall election is past, for the success of democratic principles and democratic candidates. The Iron Duke once said to those under his command, "England expects every man to do his duty"—the duty was performed and success followed. So let us say now, "Every man is expected to do his duty," and then let duty be done and all will be well.

The Valparaiso *Vindicator* and *Republic* says the result of the election in California was caused by a division in the radical party, and the bringing forward of an independent Republican candidate for Governor. The Independent candidate for Governor received about 1,200 votes, while the Democratic candidate for Governor received about 10,000 majority. The cause of the radical defeat may be traced to the overthrow of the Constitution by the radical party, their disregard of all law, their legislation to tax the laboring man to pay the interest in gold on the bonds of the rich man, and their legislation to territorialize ten States of the Union, in order to place them under the control of negroes, to perpetuate their power, and carry the Presidential vote of these ten States in 1868.

### More Developments.

The *World's* Washington special says: "It is alleged that further damaging disclosures of the doings of Ashley and Butler in their alleged conspiracy against the president are about to be made by the attorney general. Capt. Chandler, who formerly was in charge of the Washington jail, said to be a radical, is the supposed authority for the new developments."

### Burial of Gov. Helm.

LOUISVILLE, Sept. 10.—Gov. John L. Helm was buried to-day at Elizabethtown, with civic and Masonic honors. The funeral was attended by the state officers and a large number of prominent citizens. No business was transacted in any of the state or county offices. The bells were tolled from 10 to 1 o'clock.

If you want to make a radical all over mad, ask him if he has heard from the election in California.

## OUR DEMOCRATIC CHICKEN!

## THE ELECTION IN CALIFORNIA.

Black Republicanism at a Discount in the Golden State.

HAIT, DEMOCRAT, ELECTED BY 10 000 MAJORITY!

THE LEGISLATURE LARGE- LY DEMOCRATIC!

DEMOCRATS ELECT ALL THE CONGRESSMEN SAVE ONE!

THE REVOLUTION IN PUBLIC SENTIMENT BEGUN!

KEEP THE BALL IN MOTION! HOW ARE YOU, MONGRELISM?

Who frow de Bruck dat smash de Bureau!

The State election which took place in California on Wednesday last, resulted in a complete victory for the glorious old Democratic party. The radical mongrels were routed, horse, foot and dragons, and a Democratic Governor, members of Congress, and a State Legislature were elected, insuring the election of a United States Senator from that State. This is a glorious response to the voice of Kentucky, and a withering rebuke to Jacobinism everywhere. A revolution in public sentiment is rapidly setting in, and Democrats should take courage and work with double energy for a like result in the other Northern States which are to hold elections this fall. California, it will be remembered, gave a large radical majority at the last general election, but the people are waking up, and the victory in California will be carried into other radical strongholds at the October elections. The extravagance, corruption and bribery going on in the radical ranks, is causing thousands in that party to dissolve their connection with that patrid concern. All hail to the gallant Democracy of the Golden State!

### The Montana Election.

#### Another Democratic Victory.

Dispatches from Virginia City to Sept. 10th, say Cavanaugh, Democrat, is elected to Congress by about 1,500 majority.— The Legislature is almost unanimously Democratic. Everywhere, from the Atlantic to the Pacific, radicalism is meeting with a rebuke that will cause the greatest rejoicings among all Union loving citizens.

### Convention of Governors.

The *World's* Washington special says: "Information has been developed here within a day or two showing that initiatory steps have been taken for a meeting of radical governors of the northern and western states, either at Philadelphia or Washington, during the present month. In the west, where such a convention was first suggested, it seems to be in favor, and a private letter from Chicago says that Govs. Fletcher, Oglesby and Crapo, together with John A. Logan, Congressmen Ferry, Brownell, Ingersoll, Judd and others were in that city talking the matter over on Tuesday last. None of the eastern radical governors, so far as known, have been written to on the subject, and Gov. Fletcher has some doubt as to whether Govs. Fenton, Geary and Bullock would attend such a gathering. The object is not stated, but it evidently relates to the impending crisis in the republican party."

### DEATH OF GOV. HELM, OF KENTUCKY.

—Gov. Helm, whose inaugural address we publish in to-days paper, and who was inaugurated Governor of Kentucky last week, died at his residence in Elizabethtown on Sunday last, after a severe illness of several weeks. The duties of the office of Governor will devolve upon the Lieutenant Governor until a new Governor is elected to fill the vacancy, which will be in August next. Gov. Helm was a man of high standing in society, and much esteemed by his many friends. His loss will be deeply felt throughout the commonwealth of Kentucky.

### Yellow Fever in Texas.

A letter from Thos. Ward, late collector of customs at Corpus Christi Tex., says the town has lost by yellow fever this summer one-twelfth of its inhabitants. All the officers of the customs have been down with the dreadful scourge, and every doctor and apothecary in the place have died, and the town looks like the city of the dead.

PRICE OF LAND IN GEORGIA.—The Augusta (Ga.) *Republican* of the 10th says:—"We know of lands which have produced this year from ten to fifteen bushels of wheat, and similar lands which will produce five hundred pounds of seed cotton to the acre, which can be bought at from seven to ten dollars per acre, and in localities the healthiest in the world, where epidemic and endemic diseases are unknown."

Why does the new moon remind one of a giddy girl? Because she is too young to show much reflection.

### The State Fair.

A Terre Haute dispatch says: The approaching state fair promises to be the greatest success of any thing of the kind, held in the west, for many years. The state board of agriculture have arranged with the celebrated manager, John M. Kinney, for a series of grand balloon ascensions, comprising a series of topical ascensions, a balloon race, and a balloon wedding; also a grand display of fire works each evening after the fair.

Secretary A. J. Holmes and Superintendent Jno. B. Sullivan have been on the grounds to day, and sold twenty five hundred dollars' worth of berths and eating stands.

The city council have just appropriated two thousand dollars to aid in fitting up the grounds in the best style. The mile track will be completed this week, and the amphitheatre adjoining the track, capable of seating three thousand persons, is also approaching completion.

### The Maine Elections.

NEW YORK, Sept. 10. A special to the *World*, from Maine, expresses the belief that Chamberlain's majority will not exceed 5,000 to 8,000; that the senate stands 7 democrats to 24 republicans, and that democrats count on a majority in the house.

### BELEAST, Me., Sept. 10

Four democratic representatives were elected from Waldo county, a gain over last year. The republican majority is reduced 1,300.

### FROM SAN FRANCISCO.

Further Election Returns. SAN FRANCISCO, Sept. 10.

Complete returns from 13 counties, and partial from 28 counties, make Haight's majority nearly 9,000. Nine counties to hear from give a small vote, which will probably increase the majority for Haight. The total vote polled in the 13 counties mentioned is 45,580—Haight's majority 3,855. Same counties at the last general election gave a total vote of 59,647—union majority 8,479. The increase of the vote in these counties this year is 14,053. Notwithstanding the most exciting election for many years the registration shows no decrease in the number entitled to vote. The vote for Fay, independent republican candidate for governor, is about 1,200 so far as known.

### Partial Election Returns—Democratic Gains.

FORTLAND, Me., Sept. 9. The following returns of elections have been received:

Towns	Chamberlain	Pillsbury
Portland	2,025	1,311
Lewiston	777	304
Bangor	1,035	1,350
Gardiner	499	270
Pittsboro	216	262
Scarboro	114	223
Bath	760	386
Falmouth	175	170
Cape Elizabeth	316	312
Brunswick	416	395
Paris	363	202
Gorham	321	229

Sixteen towns give Chamberlain, rep., 8,089, and Pillsbury, dem., 5,639, being a majority of 2,450 for Chamberlain a majority of 5,819, showing a democratic gain this year of 3,360.

There is a republican loss in Bath of 27. Pillsbury gives a democratic majority of 240 against 90 last year.

LATER—One hundred and nine towns give Chamberlain, rep., 27,715 and Pillsbury 18,683. The same towns last year gave Chamberlain 31,650 and Pillsbury 16,565. Chamberlain's majority this year 6,032 against 15,035 in the same towns last year, making a republican loss of 9,003.

The aggregate vote in these towns was 43,398, against 48,215 last year.

Total vote of these states last year 111,584. This year it will probably fall a little under 100,000. Three-sevenths of the state is in, with a loss of nine-fifths the majority of last year. The same ratio will reduce the republican majority to about 13,500, or a loss of about 1,400. The democrats will gain representatives in some towns, but not enough to give them much power in the legislature.

WHAT HE THOUGHT.—Teacher—"Tommy, what does h-a-r-r spell?" Apt pupil—"Dunno, sir." Teacher—"Why you numb scull, what have you got on your head?" Apt pupil—"I dunno, sir, but I think it bees a flea."
