

## LOCAL MATTERS.

Thursday, October 7th, 1899.

New corn of fair quality sold here this week for 65 cents a bushel.

Butter sold at 25 cents a pound this week, in Rensselaer.

Our grocers ask five cents each for fair sized heads of cabbage.

Onions sell from the wagons on our streets at 75 cents per bushel.

Heideberger has cider to sell at 25 cents a gallon.

Apples sell on our streets at from 60 to 65 cents; good winter fruit is worth more.

A larger amount of wheat has been sown this fall in Jasper county than ever before.

The Methodist Quarterly Meeting will be commenced in Rensselaer next Saturday, by a sermon at 2 o'clock P.M. Rev. Mr. Hull, the Presiding Elder, is expected.

Mr. David H. Yeoman has our thanks for Indianapolis paper of 2d inst., containing an account of the terrible accident at the State Fair.

On the 30th of September, Mr. Samuel M. Mitchell and Miss Isabel Record, both of Gilliam township, were married in the Dunlap House, Rensselaer, by Justice S. P. Howard.

Rev. Mr. Fishback, of Sturgis, Michigan, is expected to commence a series of lectures in Rensselaer next Friday night. Subject, Spiritualism and Spiritual Philosophy. The public are invited.

The surveyors employed by the Indianapolis, Delphi & Chicago Railroad company are within sight of town, and Judge Schermerhorn, Secretary of the company, and J. M. Ridenour, the President of the company are expected to address the people at the court house this evening. Judge Schermerhorn called on us yesterday. In conversation with numbers of our citizens, both Mr. Ridenour and Judge Schermerhorn expressed themselves confident of the success of the enterprise.

White county votes upon the proposition of a tax of one per cent. next Tuesday; two townships in Lake county vote on a similar proposition on the 25th, and the city of Indianapolis has an election upon \$75,000 called for the 18th inst., to aid the construction of the road. So far as they have gone the agents of the company have met with flattering success in securing the right of way.

Attention is called to the advertisement of Wm. H. Rhoades, agent for the celebrated Singer Sewing Machine. These machines rank in the first class and are highly recommended by several of our citizens who have used them. Persons wanting a first class machine will do well to call on Mr. Rhoades. See the machine and examine its work.

The fact that people can buy good tobacco and cigars for reasonable prices at the Barber Shop is becoming pretty well known to the citizens of Jasper county. Petal-so does a little business in the way of pipes, cigar holders, gentlemen's paper collars, neck ties, fine soaps, stationery, combs, perfumery, etc. All the fashionable ladies about town have their hair dressed by Petit, the Barber.

Messrs. Stackhouse & Bro., are fitting up their store with reference to the winter trade. They will move the workshop to the rear of their large building and throw the front and middle rooms together for the storage and display of cabinet furniture, a large stock of which they intend to keep constantly on hand. A large new assortment of cooking and parlor stoves of the latest improved patterns can be seen at their warehouses. Also, an extensive stock of general tinware, hardware, cutlery, nails, etc., etc. Compete with Chicago, Cincinnati, and Lafayette. Call and see them.

When Adam delved and Eve span, disease was unknown, but since that time the race has degenerated and at the present time mankind is afflicted with many diseases, yet if the people would take a medicine upon the first symptoms of disease which would pass direct to the afflicted parts and restore healthy action thereto, they would greatly prolong their lives. We believe Dr. Judson's Mountain Herb Pills to be the best and most universal of medicines, they should be used in Liver Complaint, Female Irregularities, Bilious Disorders, Dyspepsia, &c. Use the Mountain Herb Pills, and by a fair trial convince yourself of their efficacy. Sold by all dealers.

C. W. Henkle, one of the most popular men in the county, is doing a first rate business in the grocery line, at his new establishment in the famous "Shanghai Building," in fact he informs us that his patronage far exceeds his most sanguine expectations. The reason of this is not to be ascribed to the popularity of the dealer, but more particularly to these facts:

- 1st. His wares are all fresh and new.
- 2d. They are just as represented—first class; and
- 3d. They are sold at low prices.

Mr. Henkle will please accept our thanks for six or eight packages of tea, which we can pronounce of good quality, having tried it ourselves.

From personal inspection we can say that one of the largest stocks of ready made clothing in the city of Rensselaer is at A. Leopold's establishment, corner of Washington and VanRensselaer streets, opposite McCoy & Thompson's Bank. While visiting there a day or two since we saw some of the most comfortable looking overcoats to be found anywhere. His prices are very reasonable. He is selling good substantial appearing business suits at prices ranging from \$16 to \$25. He has also a large assortment of boots and shoes selected with special reference to the wants of the people he trades with. Large stacks of sheetings are piled on the counters, the shelves are filled with prints, delaines, factory and domestic flannels, of fast color, fine and heavy texture, and reasonable prices. We have not room to more than barely mention his hats, caps, underclothing, dress-trimmings &c., &c., but suggest that persons about to purchase winter clothing call and examine his display of goods and learn his prices. A stock of good family groceries, not to be excelled in quality, kept to accommodate his customers.
