

CATARRH A NATIONAL CALAMITY.

[Prominent members of Congress that owe their health to Per-na.]

INTERIOR OF UNITED STATES SENATE CHAMBER.

Our nation is passing through a great political crisis. Whether our national policy is to be one of territorial expansion, or whether we are to remain aloof from international complications, is the supreme question confronting our Congress. The attention of the world is directed toward us. The deliberations of our Congress have come to be of international importance.

But this consideration affects only our external welfare. Our domestic problems are not one bit less important. We have serious questions before us that relate only to home interests. Chief among them is the health of our people. Catarrh has already become a national curse. Its ravages extend from ocean to ocean. More than one-half of the people are affected by it. It has become such a serious matter that it has passed the boundaries of the medical profession and become a national question. Senators are talking about it; Congressmen are discussing it. They are not only considering the extent and chronic nature of the disease, but the possibility of finding a national remedy to meet this national calamity.

Cong Howard from Alabama.

Congressman Howard.

"I have taken Per-na now for two weeks, and find I am very much relieved. I feel that my cure will be permanent. I have also taken it for my wife's grippe, and I take pleasure in recommending Per-na as an excellent remedy to all fellow sufferers. M. W. Howard, Fort Payne, Ala."

Congressman Worthington.

Hon. H. G. Worthington, Congressman from Nevada, and Ex-Minister to Argentine Republic, says in a letter written to Dr. Hartman: "Allow me to express my gratitude to you for the benefit derived from your remedies. I have taken one bottle of Per-na and it has benefited immensely a case of catarrh of some months standing. I cordially commend its use to all similarly afflicted. H. G. Worthington, Washington, D. C."

Congressman Snover.

"I have found Per-na a very efficient and speedy remedy for a persistent and annoying cough resulting from catarrh of the throat. Horace G. Snover, Fort Austin, Tex."

Strange White Indians in Mexico Who Possess a Mysterious Supply of Gold Dust.

In a beautiful valley of the great Sierra Madre mountains in old Mexico, lives one of the strangest tribes of the entire continent—the Quinquas. These people are neither Aztec, Mexican nor Indian, though their neighbors call them "white Indians." They speak of themselves as Quinquas, and their only village is called Quinquas Ma. It is said that there are not more than 1,000 of them, and they are not more than 100 miles from the nearest Aztec, Mexican or Indian village.

TRANS-ATLANTIC TRAVELERS.

Furnished Special Attendants by the Pennsylvania System.

The bureau of attendants for trans Atlantic travelers established in Jersey City and New York City twenty years ago by the Pennsylvania System has proven a great convenience to persons making European trips and to tourists arriving in America at that port. It will be particularly convenient for visitors to the Paris Exposition because the departure docks of most of the Atlantic steamship lines are convenient to the new Jersey City passenger station of the Pennsylvania Railroad Company.

The bureau consists of experienced agents whose duties are to meet passengers arriving in Jersey City and New York over the Pennsylvania lines and assist them in arranging for trans-Atlantic trips via any of the steamship lines by conducting them to steamships and aiding in the preparations for a trip abroad.

These agents will provide cabs operated by the Pennsylvania System and aid passengers with their baggage. They are fully posted on matters pertaining to steamships leaving New York, and arrangements can be made through them for procuring steamship tickets in advance.

They also meet incoming steamships and aid travelers in shaping details for continuing journeys from New York over the Pennsylvania lines by furnishing tickets, arranging for the transfer of baggage from steamship docks after it has been passed by customs inspectors, and having the same checked through to destination. They will reserve sleeping car accommodations and make persons of the foregoing details, relieving themselves of all attendant duties and guides free of charge.

Further information on the subject may be obtained by addressing the nearest Pennsylvania Lines Ticket Agent, or W. W. Richardson, District Passenger Agent, Indianapolis, Ind.

Housework is hard work without Gold Dust

A great many persons who live on farms and have to do their own washing, used colored soap to save washing. To keep them looking new and from fading use a little Gold Dust Washing Powder.

In the wash water, and dry in the shade. It is wonderful how long a pretty red table cloth will keep in freshness washed this way. Wash red and colored napkins the same way.

The above is taken from our free booklet, GOLD DUST WASHING POWDER, which will be sent you on request. Write to R. FAIRBANKS COMPANY, Chicago, St. Louis, New York, Boston.
