

OUR CONSTANT AIM IS TO SELL THE BEST GOODS
IN THE MARKET . . .

HOW THE WORLD MOVES

Only a few years ago everybody bought coffee green and roasted it at home. Now how many persons will you meet who have never seen coffee in the green state? Coffee roasting and coffee blending has got to be quite an art. We will not tell you our coffees are "the best." Everybody lays claim to that distinction and everybody cannot be right. All we ask is a trial, and if your purchase proves satisfactory, we feel sure that your relations will be lasting; if not, all the argument in the world would not prevail.

GIVE US A TRIAL.

To the Public.

Allow me to say a few words in praise of Chamberlain's Cough Remedy. I can recommend it with the utmost confidence. It has done good work for me and will do the same for others. I had a very severe cough and cold and feared I would get pneumonia, but after taking the second dose of this medicine I felt better. Three bottles of it cured my cold and the pains in my chest disappeared entirely. I am most respectfully yours for health, **RALPH S. MEYERS**, 64 Thirty-seventh street, Wheeling, W. Va. For sale by A. G. Luken & Co. and W. H. Sudhoff.
