Indiana and Ohio Weather

WASHINGTON, D. C., Jan. 7.—For Indiana: Fair tonight and Wednesday, moderate temperature. For Ohio: Cloudy tonight and Wednesday fair.

LOCAL MENTION.

For good watches and clocks see Haner.

Go to Haner's for correct fitting of eye glasses.

Haisley's shoe window is attracting buyers.

Clarence Gennett went to Toledo today to be gone several days.

Earl Chamness, who is teaching school at Fountain City returned home today, sick.

Harry Webber and wife left this morning for Eureka Springs, Ark., on a visit for a week or ten days.

Mr. Cilley, who has been visiting his son-in-law and daughter, Dr. and Mrs. Harry West during the holidays, left for southern California and Mexico today.

In police court this morning Mary Godeman was up for a plain drunk. Staubach and Little took her off Main street at about 6:30 last evening. The fine was a dollar and costs.

The new Grand hotel at Marion was opened last night. It is European style but very complete and good. It was badly needed there as the hotels were always overcrowded.

See the big reduction on shoes in Haisley's window.

The new temple and building of the Red Men at Winchester is nearly completed and the lodge will soon move in, at which time it will be dedicated with great ceremonies. Richmond lodge will be there of course.

C. W. B. M. of the Christian church will meet at the home of Mrs. B. F. Harris at 2 o'clock Tuesday afternoon. Mrs. R. E. Kirkman reads a paper, "See The Homeland," and Miss Cora Lantz leads in the discussion, "In the Lands Afar."

Whitewater degree staff of Odd Fellows have a rehearsal this evening preparatory to work in the second degree on Friday evening. On that occasion the degree staff of Wayne lodge of Cambridge City will be here. This is the one which took second prize at Indianapolis. The affair will close with a grand banquet.

Jolly times are in prospect for the Modern Woodmen of the city. Next Monday night the local camps of Woodmen and Royal Neighbors hold public installation exercises. Music will be furnished by the Petrang quartet. Next Saturday night a camp will be instituted at Hagers-town and a number of local Woodmen, including the camp team, will go over. William Urban and N. C. Heironimus have charge of arrangements.

Here is a hint for which business men will be thankful as getting away with a grand cold weather nuisance. The Logansport Pharos says merchants of that city "have discovered that they can keep the frost off their plate glass windows by the use of an electric fan. Hence in show windows about town you can see electric fans running at full speed, the same as in summer. The effect is to keep

the glass very largely cleared of frost and ice."

The candidate column on our eighth page continues to lengthen and to grow in interest.

Albert W. Reed and wife will start for Florida Thursday. Mrs. Mary V. Williams and son will accompany them.

The rally of the Richmond district of the Epworth League Saturday and Sunday in this city was a most successful one.

The Ladies' Aid society of the Third M. E. church will meet tomorrow afternoon at the home of Mrs. Benson on Hunt street.

Whitewater lodge I. O. O. F. will have work Friday evening. Cambridge City team will do the work. All Odd Fellows invited.

The Christian Endeavor society of the East Main Street Friends church will give a missionary social Wednesday night at the church.

Mr. Jeremiah Heimbaugh and Mrs. Mary Moore were married yesterday evening at 5 o'clock at First English Lutheran parsonage, Rev. Kapp officiating.

The Woman's Foreign Missionary society of First M. E. church will meet at the home of Mrs. L. H. Bunyan, 32 north twelfth street, Wednesday afternoon, Jan. 8, at 2 o'clock. Mrs. Emma Daniel, the former pastor's wife, will be at this meeting and a general invitation is given friends of the society.

The Woman's Foreign Missionary society of Whitewater monthly meeting of Friends will meet with Miss Margaret Wickett, 37 south nineteenth street, Wednesday afternoon at 2:15 o'clock. Members are requested to bring needle and thimble, it being work day, and be prepared to respond with a suitable quotation when their names are called by the secretary.

A Good Recommendation.

"I have noticed that the sale on Chamberlain's Stomach & Liver Tablets is almost invariably to those who have once used them," says Mr. J. H. Weber, a prominent druggist of Cascade, Iowa. "What better recommendation could any medicine have than for people to call for it when again in need of such a remedy? Try them when you feel dull after eating, when you have a bad taste in your mouth, feel bilious, have no appetite or when troubled with constipation, and you are certain to be delighted with the prompt relief which they afford. For sale by A. G. Luken & Co. and W. H. Sudhoff."

Dressing sacsques and bath robes 1/2 off during our sale. Smith & Sherman.

MUST MOVE.

The Panhandle Calls For The Ground it Will Occupy With Its New Freight Yards and Houses.

The proposed improvements of the Panhandle property in the city by the building of new freight depots and freight yards, in addition to the new passenger depot, are now closely foreshadowed. The company is doing the handsome thing by Richmond, which city has for many years been one of their best business points on their western line. It now appears that they will spend some \$250,000 here before they are through with it.

Last evening their petition for the vacation of north fourth and fifth streets was presented to council as noted in the council proceedings. The company have also notified people on the property to vacate. Last summer the company bought all of this ground and the houses on it, allowing the occupants to remain at reasonable rental, with the promise of sixty days' notice to vacate when the company desired the premises. This notice was served Saturday. The company intends to go ahead and have the freight depot completed by the time the passenger station is finished if possible. The houses on the ground will be disposed of at once and then removed or destroyed so building can commence. The ground of the company includes all that triangle south of their tracks and north of D street, from the C. R. & M. east to sixth street, with the exception of a little triangle occupied by Colet's saloon. East of sixth street they have a good deal of ground also, but sixth street will remain open as it is.

In their notices to vacate, none are disturbed west of fourth street. All on their ground east of fourth street will have to move. There are perhaps twenty families who will have to vacate, besides others who have business establishments there.

A Cure For Lumbago

W. C. Williamson, of Amherst, Va., says: "For more than a year I suffered from lumbago. I finally tried Chamberlain's Pain Balm and it gave me entire relief, which all other remedies had failed to do." Sold by A. G. Luken & Co. and W. H. Sudhoff.

Muslin underwear sale still continues. Smith & Sherman.

Meetings at Grace Church.

There is unusual interest in the meetings at Grace church such as has not been witnessed in the city for years. The preaching of Mrs. Harris is searching. The Bible readings of Rev. Harris at 2:30 are of great profit. Their singing melts the hearts of hearers and souls are saved at every service. The church believes that a great awakening has begun in the city that will bring hundreds to the Lord.

All suits and cloaks 1/4 off at Smith & Sherman's.
