KEEPING IT QUIET

Mrs. Maybrick's Where-
abouts are a Profound
State Secret.

LONDON PRESS AT SEA

All Sorts of Conjectures are Made
Regarding Her Location Since
Release From Prison.

It is Even Hinted That She is Now
Enroute to the United
States.

London, Feb. 2.—The whereabouts
of Mrs. Maybrick are variously an-
nounced in the newspapers today as
Cornwall, Holloway prison, at sea
bound for the United States, etc. The
Daily Chronicle, which is under the
same ownership as Lloyd's weekly
newspaper, the journal that first pub-
lished the story of Mrs. Maybrick's re-
lease, declares the statement that Mrs.
Maybrick has sailed for the United
States to be untrue and adds that she
is still in England and that certain
conditions attached to her liberation
impel her to exercise great discretion
in her attitude toward the public and,
for a time at least, it will only be pos-
sible for her to acknowledge through
the press her gratitude for the efforts
of her sympathizers in obtaining her
release.

The Daily News says that the where-
abouts of the institution in which Mrs.
Maybrick is recuperating is kept a
profound secret because she is still in
the custody of the authorities. "In
fact," the paper says, "Mrs. Maybrick
and her custodians are concealing their
identity and this is necessitated
by her being privileged to walk abroad
with her female wardens. It is under-
stood that after a period of rest she
will return to either Woking or Hollo-
way prison to receive her formal dis-
charge on special license."

REQUISITION DENIED

Ziegler Will Not Have to Go to Mis-
souri.

Albany, N. Y., Feb. 2.—Gov. Odell
has decided to refuse to issue a war-
rant for the extradition of William
Ziegler, of New York, wanted in Mis-
souri, on a charge of bribery in con-
nection with the baking powder leg-
islation in the legislature of that state
in the session of 1901. The governor
bases his refusal upon the ground that
there is not sufficient evidence to show
that Mr. Ziegler was in St. Louis in
April 1901 when the crime is alleged
to have been committed.

Printers' Strike May Spread.

Boston, Feb. 2.—With the close of
the first day of the strike of the book
and job compositors in this city and
vicinity 250 men and women are out
and indications point to as many more
leaving their work today, while others
are expected to quit Wednesday.
Some of the smaller firms belonging
to the Typothetae accepted the new
schedule, but for the most part the
demands of the union were refused.
Thus far the strike extends no farther
than the compositors, but pressmen,
stereotypers, bookbinders and other
organizations affiliated with the print-
ing trades are likely to become in-
volved.

A Campaign for Statehood.

Kansas City, Feb. 2.—A delegation
of seventeen business and professional
men of Oklahoma and Indian Terri-
tories passed through Kansas City en
route to Washington to join in the
campaign for statehood. The mem-
bers of the party all favor single state-
hood and will work for the passage of
the Quay bill.

Jimenez Hasn't Given Up.

St. Thomas, D. W. I., Feb. 2.—Ad-
vices have been received here to the
effect that Gen. Jimenez was at Monte
Cristi on Jan. 29 and preparing to
resume the contest, having received
a large supply of ammunition by the
steamer Cherokee from New York.

Train Caught in Hurricane.

Georgetown, Colo., Feb. 2.—A Colo-
rado & Southern passenger train was
blown off the track near here yester-
day afternoon during a terrific wind
storm. Three cars left the track and
several passengers were injured. No
one was killed.

McVicker's Reopened.

Chicago, Feb. 2.—McVicker's thea-
ter, complete with safeguards against
fires and loss of life, reopened last
night, being the first of the popular
playhouses to do so since all of them
were closed following the Iroquois the-
ater fire.

SHIFT IN OFFICE

Root Gives Up the War Portfolio to
Taft.

Washington, Feb. 2.—William H.
Taft of Ohio has taken the oath of of-
fice as secretary of war. The cere-
mony occurred at the war department.
Elihu Root, the former secretary, re-
turned at once to New York to practice
law.

Hanging in his office as the new
secretary was inducted into the ardu-
ous duties of his post, was the picture
of his distinguished father, Alphonso
Taft, who was President Grant's sec-
retary of war in 1876. Thus father and

son have held the same portfolio, this
being the second instance in the his-
tory of the war department, the first
being presented in the incumbency of
Simon Cameron under Lincoln and
James D. Cameron, his son, under
Grant.

DESERT HORRORS

Many Unhappy Victims Fall in Ne-
vada's Dreary Waste.

Salt Lake, Utah, Feb. 2.—The bodies
of between twenty and thirty men who
had perished from thirst while at-
tempting to cross the desert between
Moapa and Los Vegas, Nevada, have
been found within a few weeks, accord-
ing to advices received from the latter
place. The men it is believed were
mostly tramps who attempted to make
the long journey on foot without suf-
ficient supplies of food or water to car-
ry them across. Many of the bodies of
them are without clothing and it is be-
lieved that the victims had gone in-
sane from thirst and had wandered
about in a nude condition in search of
water. Some of the victims are sup-
posed to have drunk water from "Dead
Man's Well," which is located almost
in the center of the desert.

On Statutory Grounds.

New York, Feb. 2.—Madame Nord-
ica, the prima donna, who in private
life is Mrs. Lillian M. Doome, has
been granted an interlocutory decree
of divorce by Justice Bischoff in the
supreme court. The decree was granted
on the report of the referee who was
appointed by the supreme court to
take the testimony in the suit. The
decree states the referee has found
Zollan Doome, the defendant, and well
known tenor, guilty of adultery.

Loved Gold for Its Own Sake.

St. Petersburg, Feb. 2.—An old wo-
man, who for twenty years past has
resided in a small room in this city,
has been found dead of privation. The
officials who went to her room to seal
up her furniture discovered the sum
of \$8,000 in a cupboard, and a further
search resulted in the finding of securi-
ties valued at \$1,000,000. The woman
leaves no heirs.

Cockrane Nominated.

New York, Feb. 2.—W. Bourke
Cockrane was nominated as the Demo-
cratic candidate for congress in the
Twelfth New York district at a con-
vention held last night. The nomina-
tion is to fill the vacancy caused by the
resignation of Mr. McClellan, now may-
or of New York. Mr. Cockrane accept-
ed the nomination.

Lasted Only Five Rounds.

St. Louis, Feb. 2.—Abe Attell knock-
ed out Harry Forbes in the fifth round
of what was to have been a twenty-
round boxing contest before the West
End club last night. The contract
was for the featherweight champion-
ship.

Church Burned at Alexandria.

Alexandria, Ind., Feb. 2.—Fire due
to a defective furnace totally destroyed
the First Methodist Episcopal church
of this city. The building, which was
built two years ago, cost practically
\$28,000 and was insured for \$13,000.

TERSE TELEGRAMS

Monterey is making a determined war on
mosquitos as a preventative to yellow fever.
Competent judges predict the total failure
of the Russian commissariat in the event
of prolonged hostilities.

Count Zepherin has begun the construc-
tion of a new ship. His call for financial
assistance brought subscriptions amounting
to \$112,500.

Amandus N. Hogberry, of Worcester,
Mass., committed suicide at a hotel in St.
Augustine, Fla. No motive can be assigned
for the act.

William H. Broadstreet, station agent for
the "Frisco line, at Granley, Mo., was fatal-
ly shot by masked men who rifled the safe
and escaped.

When Mrs. Matilda Garritty, of Cincin-
nati, was told that her babe was dying she
emptied a can of coal oil on her own cloth-
ing and set it on fire. Both died.

Ended by Killing Himself.

Coffax, Ind., Feb. 2.—After several
attempts to kill his mother and a
young school teacher, Anna Creswell,
Denton Hinton, aged twenty-six, in a
sudden fit of insanity, committed sui-
cide at the home of his mother, two
miles west of Clarksville, by blowing
out his brains with a shotgun. Hinton
was a prosperous young farmer, but
for three years he has been affected
with stomach trouble, which at times
prevented him from working. Occa-
sionally he was despondent, and stated
to his friends that life was a burden.

A Better Way Open.

Albany, N. Y., Feb. 2.—Attorney
General Cunnene in his annual report
to the legislature announces that he
has decided not to bring action against
the so-called coal trust under the ap-
plication of W. R. Hearst, because the
question is pending in various forms
before the federal authorities, and he
believes them the better equipped to
deal with the question.

The January Deficit.

Washington, Feb. 2.—The compara-
tive statement of the government re-
ceipts and expenditures shows that for
the month of January the total re-
ceipts were \$1,588,370 and the expendi-
tures \$48,372,553, leaving a deficit
for the month of \$6,784,183.

Recluse Frozen to Death.

St. Louis, Mo., Feb. 2.—Miss Emma
Von Harren, fifty years old, who had
lived as a recluse for more than fifteen
years in her large house at No. 426
South Fifteenth street, was found dead
in a room there last night. She had
apparently frozen to death.
