Deafness Cannot be Cured

ly local application as they cannot reach the diseased portion of the ear. There is only one way to cure deafness, and that is by constitutional remedies. Deafness is caused by an inflamed condition of the mucous lining of the Eustachian Tube. When this tube is inflamed you have a rumbling sound or imperfect hearing, and when it is entirely closed, Deafness is the result, and unless the inflammation can be taken out and this tube restored to its normal condition, hearing will be destroyed forever. Nine cases out of ten are caused by Catarrh, which is nothing but an inflamed condition of the mucous services.

We will give One Hundred Dollars for any case of Deafness (caused by catarrh) that cannot be cured by Hall's Catarrh Cure. Send for circulars, free.

LITERARY TREAT

Was the Entertainment of the Bon Ton Musical Club.

Cambridge City, Ind., Feb. 27.
The Bon Ton Musical club held a very interesting meeting at the home of Miss Agnes Pusinelli, on west Church street, last night. The program, which was one of the best of the season, was as follows:

Paper, "Life of Gottschalk—Miss Lillian Brooks.
"Frolic of the Butterflies," by Watson—Miss Hazel Rummel.
"Eugene" F. Major, by Gottschalk—Miss Ina Enyeart.
"Cathedral Echoes," by Read—Miss Edna Ingberman.
Paper, "Life of Anton Rubenstein"—Miss Mary Bertsch.
"Second Mazurka," by Godard—Miss Alma Garvin.
"Twilight Idyl," by Schnecker—Miss Lottie Marsh.
"Sweet Flattery," by Rubenstein—Miss Mary Dillon.
Piano Duet, Selected—Miss Estelle Young and Prof. George Doll.

This club seems to be organized, not only for pleasure, pastime and social entertainment, but for mental culture as well. It has at present twenty-three members, and several applications for membership have been received by the president.

A leader in the realm of spectacular extravaganzas has been booked by manager O. G. Murray to appear at the Gennett on next Thursday evening. Edward Blondell's big pantomime production is the attraction, and the play is elegantly staged with

The Grip Leaves Thousands in its Path Weak, Nervous, Dyspeptic, Catarrh Wrecks.

LIKE A DEMON grip has crossed our country, leaving behind scores of physical wrecks.

Victims of catarrh of the head, catarrh of the throat, catarrh of the lungs, catarrh of the stomach, catarrh of the kidneys, catarrh of the pelvic organs, are to be counted by hundreds of thousands. Grip is epidemic catarrh, and sows the seed of chronic catarrh within the system.

This is so true that few grip sufferers are able to make a complete recovery until they have used Peruna.

Never in the history of medicine has a remedy received such unqualified and universal eulogies as Peruna.

A New York Alderman's Experience.
Hon. Joseph A. Flinn, alderman Fifth District, writes from 104 Christopher street, New York City, as follows:

"When a pestilence overtakes our people we take precaution as a nation to preserve the citizens against the dread disease.

"La grippe has entered thousands of our homes this fall, and I noticed that the people who used Peruna were quickly restored, while those who depended on doctor's prescriptions, spent weeks in recovering, leaving them weak and emaciated.

"I had a slight attack of la grippe and at once took Peruna, which drove the

disease out of my system in a few days and did not hinder me from pursuing my daily work.

"I should like to see our Board of Health give it official recognition and have it used generally among our poor sick people in Greater New York."—Joseph A. Flinn.

D. L. Wallace, a charter member of the International Barber's Union, writes from 15 Western avenue, Minneapolis, Minn.:

"Following a severe attack of la grippe I seemed to be affected badly all over. I suffered with a severe backache, indigestion and numerous ills, so I could neither eat nor sleep, and I thought I would give up my work, which I could not afford to do.

"One of my customers who was greatly helped by Peruna advised me to try it, and I procured a bottle the same day. I used it faithfully and felt a marked improvement. During the next two months I took five bottles, and then felt splendid. Now my head is clear, my nerves steady, I enjoy food, and rest well. Peruna has been worth a dollar a dose to me."—D. L. Wallace.

Mr. O. H. Perry, Atchison, Kansas, writes:

"Again, after repeated trials of your medicines, Peruna and Manalin, I give this as my expression of the wonderful

results of your very valuable medicine in its effects in my case after repeated trials.

"First, it cured me of chronic bronchitis of fifteen years' standing by using two bottles of Peruna in January, 1894, and no return of it.

"After I was cured of bronchitis I had la grippe every winter for several winters. But, through the use of Peruna, it got gradually weaker in its severity, until it dwindled down to a mere stupor for two or three days. Now the stupor does not trouble me any more."—O. H. Perry.

A Congressman's Experience.
House of Representatives, Washington, D. C.

Peruna Medicine Co., Columbus, Ohio.
Gentlemen—"I am more than satisfied with Peruna, and find it to be an excellent remedy for the grip and catarrh. I have used it in my family and they all join me in recommending it as an excellent remedy."

Very respectfully,
George H. White.

If you do not receive prompt and satisfactory results from the use of Peruna, write at once to Dr. Hartman, giving a full statement of your case, and he will be pleased to give you his valuable advice gratis.
