Business would flow in from the most unexpected quarters, and when we took time to investigate, we could always trace it direct to some of our advertising.—Col. Geo. Merritt, of Waterbury Watch Co.

The long looked for report of Fourth Assistant Postmaster General Bristow has at last been made public. It occupies two hundred and eighteen pages of printed matter and is noted for detail. Many persons, including several members of congress, are mentioned in the report and while there seems to be some violations of the law, they are entirely without intent. There are three cases where congressmen are parties to leases of property for postoffice purposes but the lease, in each case, was made prior to his election to congress. There are also several cases where an allowance for clerk hire was authorized in excess of the amount to which the office was entitled. These allowances were made on the recommendations of congressmen. Such reports are of untold benefit to the tax payers of the country. Little violations of law, where there is no intention to defraud the government, are detected and corrected for all time. Mr. Bristow has been untiring in his labors and fearless in the presentation of the facts as he found them.

The Indianapolis Sentinel rises to remark that the Indiana Democracy proposes to regulate its affairs without submitting to dictation from the independent Indianapolis News. The News does not seem to be getting all the encouragement it ought to have in its ambition to become the organ of the reorganized Democracy in this baliwick.

Type sometimes make queer combinations. In the heading of Miss White's article yesterday, the word art fell out in bringing the forms down stairs. When the pressman put the letters back it was "tar" instead of "art." It might have been "rat" but it wasn't.

Judson Harmon of Cincinnati is mentioned as a Democratic candidate for the presidency. He was not a very orthodox Democrat in 1900, but, according to the Hamilton Sun did not get into the Republican party like Grover Cleveland did.

Sutton, 34; Devlin, 40. Referee—Caley. Attendance—1,021.

Notes.

In the hope of getting nearer the top of the percentage column before the season ends, Managers Sebern and Durbin, of the Elwood polo team, have another shake-up in prospect. Kid Sutherland, formerly of Danville, who has been at the Elwood cage for two weeks, was released and was at once signed to play with Logansport, where John Berry is suffering from an injured arm. Peggy White, the old Elwood goal tender, has been traded to Kokomo for Mike Cashman, of Clinton-Racine fame, who will make his debut with Elwood tonight against Richmond. White left for Terre Haute yesterday to join the Wildcats. The statement is also made that a trade is on for a new rusher for the Elwood team, but no names would be given out.

There was a great game of polo at Anderson last night when Wodtke's men went up against the Indians. The attendance was very small. The playing of Bannon, Pierce, Gardner, McGilvray and Coggshall was good. Malory's work was weak.

Score—Indianapolis, 7; Anderson, 2. Stops—Mallory, 26; Bannon, 36. Fouls—Morton, Gardner, McGilvray. Referee—Waller. Attendance—600.

Marion played at Muncie last night and won by a score of 5 to 3, sending Muncie back to third place. Cusick was hit on the wrist by a hard driven ball and a blood vessel bursted. Burgess played a great game. Marion seemed to have little trouble in keeping the score down.

Score—Marion, 5; Muncie 3. Stops—Cusick, 30; Burgess, 41. Fouls—Farrell, 2; Cameron, 1. Attendance—1,700. Referee—Moran.

Clydus Riegels and Miss Olive Eshelman were quietly married at the home of the bride's parents, Mr. and Mrs. Benjamin Eshelman, in East Germantown, Sunday evening, by Rev. Shiedler. Only a few relatives were present. Immediately after the ceremony Mr. and Mrs. Riegels, accompanied by a number of friends, left for their future home in Richmond. On arriving there they were delightfully surprised by a number of Mrs. Riegels' friends, who had assembled at the house. Dainty refreshments were served and an enjoyable evening was spent.

A severe case of Ovarian Trouble and a terrible operation avoided. Mrs. Emmons tells how she was saved by the use of Lydia E. Pinkham's Vegetable Compound.

DEAR MRS. PINKHAM:—I am so pleased with the results obtained from Lydia E. Pinkham's Vegetable Compound that I feel it a duty and a privilege to write you about it.

"I suffered for more than five years with ovarian troubles, causing an unpleasant discharge, a great weakness, and at times a faintness would come over me which no amount of medicine, diet, or exercise seemed to correct. Your Vegetable Compound found the weak spot, however, within a few weeks—and saved me from an operation—all my troubles had disappeared, and I found myself once more healthy and well. Words fail to describe the real, true, grateful feeling that is in my heart, and I want to tell every sick and suffering sister. Don't daily with medicines you know nothing about, but take Lydia E. Pinkham's Vegetable Compound, and take my word for it, you will be a different woman in a short time."—Mrs. LAURA EMMONS, Walkerville, Ont.

\$5000 *forfeited if original of above letter proving genuineness cannot be produced.*

Don't hesitate to write to Mrs. Pinkham if there is anything about your sickness you do not understand. No woman ever regretted writing her and she has helped thousands. Address Lynn, Mass.
