OVER 200,000 BOTTLES
Of that Wonderful Discovery Called
VITONA
Sold in Fifteen Months and All
GAVE SATISFACTION,
Not a single complaint having been made, even though many bottles were sold on a positive guarantee that it was the best tonic strengthener ever sold, the best remedy for slowly circulating blood, the best kidney and liver cure, the best nerve and the best general remedy for failing health, low spirits, and premature old age. Everybody recommends VITONA to everybody because a beneficial effect invariably follows the use of this safe internal healer. No one in ill health should delay taking a bottle of VITONA. If you continue to suffer and your vitality day by day becomes less and less, you have only yourself to blame. VITONA, by restoring health, strength and vigor to so many, proves it is a remedy of greatest merit.

M. L. Duncan, Agent for Marion Co., Ohio, writes: "The first month I took hold of VITONA I sold 27 bottles, and the sale during the past fifteen months amounted to 548 bottles, a record unequalled by any other remedy I ever handled, and what is very satisfactory to me is that not one single customer wanted their money back, although I guaranteed it to give satisfaction whenever asked by a purchaser to do so. I am going to try and sell twice as much this next year, and feel sure I will."

VITONA costs one dollar a bottle or six bottles for five dollars, and while this VITONA Co. Coshocton, O. will continue to send it by express prepaid on receipt of price it is now obtainable in this County for sale by Alford Drug Co.

DIRECT EVIDENCE

The Senate Finding Out That Mormons Still Practice Polygamy.

WOMAN ON THE STAND

Mrs. Kennedy Was Given in Plural Marriage by Brigham Young Since 1890 Manifesto.

President Smith Tangled Up in His Testimony About His Small Army of Children.

Washington, March 8.—After having Jos. E. Smith, president of the Mormon church on the stand for nearly five hours yesterday before the senate committee on provisions and elections which is investigating the right of Reed Smoot as a senator, both the prosecution and defense announced that they were through with him and another witness was called. This was Mrs. Clara Mabel Kennedy who told some secrets of the Mormon church which, if not broken down, will prove as important as the statements of President Smith that he and other officials have been persistently cohabitating with plural wives in violation of the law. Mrs. Kennedy said she was married by Brigham Young, an apostle of the church, to James Francis Johnson, a polygamist, since the manifesto of 1890, and that she has had two children by that husband.

Before he left Mr. Smith testified that his election as president was since Mr. Smoot's election as an apostle. Senator Foraker asked Mr. Smith if he had any objection to Mr. Smoot becoming a candidate for senator, and Mr. Smith said: "I gave my consent to his becoming a candidate."

"Why did you think your consent necessary?" asked Chairman Burrows. "Because it is a rule that anyone of the general authorities of the church desiring to engage in any business outside of his church duties must get the consent of the first presidency and the twelve apostles before he can do so," said Mr. Smith.

Mr. Taylor returned to the testimony in regard to the number of children Mr. Smith has had since the manifesto of 1890, and over the protest of Mr. Smith, Chairman Burrows directed that the question be answered.

Mr. Smith gave a list of children by the wives in the order in which he married them. The list is as follows: By Julia—Edith and Rachel. By Sarah—Asenath and Jenneta. By Edna—Martha and one child which died. By Alice—Fielding, Jesse and Andrew. By Mary—Silas, Agnes, James and maybe Calvin.

He said he did not know the age of the last named.

Mr. Taylor questioned the witness in regard to the ages of several others of the children, and Mr. Smith answered: "I am not in the habit of carrying birth records about with me." Both the prosecution and the defense announced that they were through with Mr. Smith for the present, but before he was allowed to leave the stand Chairman Burrows inquired: "How many children have you now, Mr. Smith?"

"Forty-two," was the answer. "Twenty-one boys and twenty-one girls, and I am proud of every one of them."

As Mr. Smith started to leave the stand Senator Dubois again stopped him and asked the ages of President Woodruff and of President Snow at the time of their deaths.

"It appears that both were more than seventy when the manifesto was issued," said Senator Dubois. "You have testified that both obeyed the law in relation to polygamous cohabitation and have not practiced it since that time. I think it likely."

Senator Overman said that he had a pamphlet saying that Jesus Christ was a polygamist. Turning to Mr. Smith he asked: "Is that what your church teaches?"

"No, sir," was the response. "What we teach is that Jesus Christ was descended through a long line of polygamists through David and down to Abraham."

With that Mr. Smith left the stand, having been the only witness in the five days the hearing has progressed. The prosecution then called to the stand Mrs. Clara Mabel Kennedy of Sevier county, Utah, who testified to having been married into a plural marriage since the manifesto of 1890.

Naval Appropriation Bill Passed.
Washington, March 8.—The senate passed the naval appropriation bill which has been before it for the past four or five days, and then took up the army bill.
