

TREE DAYS NAMED

Governor's Annual Arbor Day Proclamation Has Been Issued.

THE ARBOR DAY SPIRIT

Has Been Growing in This State in the Most Gratifying Manner, Say the Officials.

In the Minds of the Youth of Indiana This Spirit Has Been Constantly Cultivated.

Indianapolis, March 28.—Governor Durbin's annual Arbor day proclamation, designating the dates of state observance of the day, has been issued. Friday, April 22, and Friday, Oct. 21, are set apart for planting of trees, study of nature and similar pursuits, especially in the public schools.

State officials, especially Superintendent Cotton and Secretary Freeman, of the state board of forestry, are gratified at the growth of the Arbor day spirit among the school youth of the state. Secretary Freeman's annual report devotes some space to this, and from his office many suggestions have been made toward the observance of the day.

On the state forestry reservation at Henryville, Clark county, thousands of trees will be planted this year, on reclamation land. Work will begin on Arbor day, according to the plans of Secretary Freeman.

AN ENGROSSING TRIAL

Much Interest Manifested in Elkhart Bank Case.

Indianapolis, March 28.—Next to the flood situation the trial of Walter Brown, on the charge of complicity in wrecking the Indiana National bank at Elkhart, is the absorbing topic of interest here. Brown is well known to hundreds of Indianapolis citizens, principally politicians. In addition to this the prominence that has been given to the previous trials by the newspapers has interested all citizens. The sudden stop put to the Broderick trial by the determination of the former president to change his plea gave another interest to the trial. Since both Broderick and Collins have acknowledged their guilt, people are wondering how Brown hopes to escape by fighting the case. But that he is determined to fight seems evident. It is generally conceded that Brown, however, has the best chance of the three. It will be necessary to prove his criminal complicity and intention to defraud the bank. His attorneys will probably fight the suit on this line and they are hopeful of acquitting their man.

DYSPEPSIA

"Having taken your wonderful 'Cascarets' for three months and being entirely cured of stomach catarrh and dyspepsia, I think a word of praise is due to 'Cascarets' for their wonderful composition. I have taken numerous other so-called remedies but without avail and I find that Cascarets relieve more in a day than all the others I have taken would in a year."

grasp for the last two days must be added at least one fatal accident. Nor is it certain that this record will stand. At least two more patients are being cared for at the City hospital hovering between life and death as the result of long exposure in the chilly water. The first victim of the flood is Mrs. Goldie Brenneman. In seeking a place of safety from the waters which had almost engulfed her home the woman was thrown into the icy waters by the upsetting of the boat in which she was a passenger and after vainly trying to save herself by clinging to a fence until approaching assistance could reach her she lost her hold and was swept away to her death in the raging current.

Carroll County Woman's Plight.

Flora, Ind., March 28.—Christina White, wife of John White of this place, who, believing her husband had secured a divorce, as he had made application some years ago, married George White a few months ago. Is without any husband now. The first husband had withdrawn the suit for divorce, and Mrs. White discovered that instead of having one husband she had two. She has just been successful in obtaining a divorce from John White, but while so doing George learned of the situation and now refuses to re-marry the woman. Instead of the woman having two husbands a few weeks ago she has none now.

Attorney Was Acquitted.

Swayzee, Ind., March 28.—David P. Long, a prominent attorney, has been acquitted in Justice Holman's court of the charge of firing his revolver at Earl Pence, a young farmer of Sims township. The encounter between the two men occurred on the streets of Swayzee some time ago. It was claimed by Long that Pence had threatened him and had followed him about the streets. Long armed himself and when Pence attempted to assault him he drew a revolver and fired. The filing of the charge against Long was the outgrowth of this affair.

Delphi, Ind., March 28.—Castle Roberts, Carroll Roberts, Ed Keefe and John Wolfe, all young men of prominent families, will be tried here this week, charged with robbing William Taylor. Because of the prominence of the families involved, the case has attracted widespread attention.

VALUABLE OBJECT LESSON

Marion County Republicans Set an Example in Harmony.

Indianapolis, March 28.—Marion county Republicans have just given an object lesson to their own party workers here and to the Democrats as well which will do a world of good. Ever since Col. Smith won out in the race for county chairman the Democrats have been crowing that his success meant a great split in the party. It was in the demonstration of the fact that the contrary is true that the object lesson was given. The Wayne township convention to select township candidates was held on Saturday. At that meeting it was shown in the nominations made that the only thing the party workers are taking into consideration is the selection of good men as candidates. The ticket selected is a very strong one. The best feature of the whole convention was that the greatest unanimity of feeling was manifested. The Democrats have been saying that members of the old Bookwalter following are preparing to bolt the ticket and work for the Democratic nominees. Instead of doing this the members of the old crowd in the township went to the convention and took an active part in the proceedings. The same course is to be pursued all over the county and in other townships which will name candidates very soon the fact that Bookwalter Republicans are working together will be demonstrated. Chairman Smith has conducted things so far in a manner that has satisfied all classes of Republicans. He has promised that exact justice and fairness shall be his sole guide and as he has demonstrated his determination to live up to this, even those disgruntled party workers who have inclined to hold back have changed their opinions and are now out working to see that a good county ticket is named.

The flood is the great topic of discussion here although it is generally thought that the worst is over. Both the river and Fall creek have been steadily falling and there is little danger of another inundation. In the three days that the flood lasted, however, enough damage has been done to satisfy everyone for years to come. It will be impossible ever to estimate the entire loss, but it probably will reach to a half million dollars. Pavements that cost in the neighborhood of \$150,000 were torn up. There is an interesting question raised as to who will have to bear this loss. Citizens who had been paying for the streets under the Barrett law say they will not do so and the city will not assume the expense of replacing torn up streets. The guarantee by the paving companies has not expired on the streets which were damaged the most and they probably will have to make repairs. But people whose homes were flooded will be the ones to suffer and they can have no relief from anyone. The water got into thousands of homes, ruining carpets and furniture. This loss will probably run into the hundreds of thousands of dollars while the sums which will be required to repair houses and barns and put lawns into good shape is too large to estimate.

Many citizens of Richmond have good reason to be thankful for burdens lifted from aching backs, which they bore patiently for years. Scores tell about their experience publicly. Here's a case of it:
Mrs. L. Aldrich, of 407 N. 13th street says: "For several years my kidneys were out of order and two or three times each year I was laid up and had to take medicine. I had at such times constant aching pains through my loins and in the kidneys. I could not rest comfortably and in the morning was lame and sore all over and was often scarcely able to get up. Learning about Doan's Kidney Pills I secured them at A. G. Luken's drug store and began taking them. I soon felt better and continued to improve steadily until cured."

\$50,000 GIVEN AWAY

The Board of Directors of the Louisiana Purchase Souvenir Coin Company will set aside an appropriation of \$50,000, which will be presented, in its entirety, to the person who sends us a correct estimate of the EXACT number of paid admissions to the Louisiana Purchase Exposition, which opens at St. Louis April 30th, and closes December 1st, 1904. Should no one succeed in estimating the exact number, the money will be presented to the one who sends us the nearest correct estimate. This Golden opportunity to secure a magnificent fortune costs NOTHING. Our object in making this unprecedented offer is to advertise and promote the sale of our Souvenir Coins of Admission to the World's Fair. These Souvenir Coins of Admission are of artistic and appropriate design, are invaluable as mementos of this greatest of all Expositions, and are similar to the Columbian Half Dollar, aside from their intrinsic value. We will accept them in exchange for regular tickets of admission to the World's Fair, and for this purpose will maintain a ticket office at the main entrance to the Fair Grounds, which will be open every day during the World's Fair period. Everybody wants one of these Souvenirs, but only a limited number will be offered for sale. Price 75 cts. With every Souvenir Coin of Admission purchased we allow one estimate to be made and filed, of the total number of paid admissions to the Fair. No one has any advantage in this contest. YOU are just as likely to get the \$50,000 in gold as any one. It is all pure luck. Should there be more than one correct estimate, the \$50,000 will be divided equally between the persons making the exact or nearest correct estimates. There may be no ties or dividing of this money; the enormous sum of \$50,000 may be received by one person. WHY NOT YOU? The Lucky Winner will be notified the instant the official announcement of the total number of paid admissions is made by the Louisiana Purchase Exposition Company.
