Alfords Won an Exciting Overtime Game.

One of the best, if not the best amateur polo games played here this season was that between the Alfords and the Fairviews at the Coliseum last night. The game was just rough enough to make it interesting. First Rush Williams, of the Alfords, and Second Rush Quigley, of the Fairview team, had a little scrap, but were separated by Alexander. At the end of the third period the score was a tie—2 and 2—and, after two minutes overtime, Van Etten caged the winning goal. Both teams put up strong defense.

Provided one hundred and fifty tickets are sold, there will be a special train run to Marion Thursday afternoon, April 7th, to witness the last polo game. The fare will be \$1 for the round trip. Two hundred reserved seat rink tickets, center section, will be on sale at the Westcott pharmacy Saturday morning.
