THE SWAYNE CASE

The House Will Take Up Impeachment Proceedings This Week.

BIG DEBATE PROMISED

The Question of the Florida Judge's Fitness Will Provoke No End of Discussion.

Other Matters Upon Which Congress Will Be Engaged During the Week.

Washington, April 4.—The Swayne impeachment resolution will be the feature of the proceedings in the house this week. Legislation for the District of Columbia had the right of way part of today and the balance of the day is being utilized for the passage of bills, under suspension of the rules. Tuesday and Wednesday the conference report on the District of Columbia appropriation bill, to which the senate has made amendments, will take precedence, and the military

academy bill will be disposed of during this time, as will conference reports on several minor house bills. Thursday the Swayne impeachment case will be called up and present indications are that debate on this subject will consume the balance of the week. The report of the McCall investigating committee is looked for the latter part of the week.
Senatorial Doings.
The early part of the week in the senate will be devoted to the postoffice appropriation bill and when that measure is disposed of, the Panama canal bill will be taken up. The canal bill will be among the few measures other than appropriation bills which will receive attention before final adjournment of the session. It is expected that by the time the canal bill shall be disposed of, the sundry civil bill will have been reported from committee, whereupon it will be considered.
During the week there will be discussion of various other bills, including the bill for the protection of the president, the pure food bill and the Chinese exclusion bill. Thursday will be devoted to eulogies on the late Senator Hanna.

CHOIR BOYS POISONED
Unhappy Incident Attends an Early Easter Service.

Minneapolis, April 4.—Twenty-seven members of the boys' choir of Gethsemane Episcopal church of this city

HALFSICK

Generally the expression is, "I don't feel half well," though sometimes people say, "I feel half sick." But there is no such thing as being half sick. The man who feels half sick is all sick. As a rule, the cause of the weak, tired, half sick feeling is disease of the stomach, resulting in loss of nutrition and consequently in physical weakness.
Doctor Pierce's Golden Medical Discovery cures diseases of the stomach and other organs of digestion and nutrition. It restores strength by enabling the perfect digestion and assimilation of food. It makes half sick people all well.
"I suffered for four years with pain in my stomach so that at times I couldn't work nor eat," writes Mr. Frank Smith, of Granite, Chaffee Co., Colo. "I wrote to you about my sickness and was told to use your medicine, which I did with good results. I only used four bottles of your 'Golden Medical Discovery,' and must say that I am entirely cured and feel like a new man, and I can highly recommend your medicine to any sufferer."
"Golden Medical Discovery" contains no alcohol and is entirely free from opium, cocaine and all other narcotics. It is strictly a temperance medicine.
Accept no substitute for "Golden Medical Discovery." There is nothing "just as good" for diseases of the stomach.
The "Common Sense Medical Adviser," one thousand and eight large pages, in paper covers, is sent free on receipt of twenty-one one-cent stamps, to pay expense of mailing only. Address Dr. R. V. Pierce, Buffalo, N. Y.

were taken sick during the morning Easter service, and it is feared that several of them may die. The boys sang at the early service at 6:30 o'clock and were then served with breakfast by the Ladies' Guild in the guild hall of the church. When the time came for the 10:30 service several of the boys complained of feeling ill, and before the service ended fourteen had been forced to retire because of nausea.

The breakfast was a simple one, including pork tenderloin, potatoes stewed in milk, doughnuts and coffee. At first it was thought that the poisoning was due to trichinae, but this theory was questioned later, the pork having been analyzed and found to be absolutely pure. Theories of ptomaine poisoning were advanced, but the doctors are able to suggest no plausible reason for the boys' illness.

General Vasquez Seeking Reinstatement in San Domingo.

Cape Haitien, April 4.—A dispatch received here from Monte Cristi, Santo Domingo, reports that General Epifanio Rodriguez and Clena Navarro attacked that place and that General Jimenez, being without ammunition,

abandoned the town and embarked on the German steamer Hispania for St. Thomas. This news is confirmed by the Dominican consul here.

It is rumored that General Rodriguez and Navarro, having abandoned President Morales, are trying to start

GENERAL HORATIO VASQUEZ.
a movement in favor of former President Horatio Vasquez. They are now believed to be marching on Santiago de Los Caballeros and Porto Plata.

A score of Dominican refugees arrested here were sent back to Santo Domingo by the Dominican consul.

A FINISH FIGHT

Will Be Waged for Control of the Northern Pacific.

St. Paul, Minn., April 4.—None of the attorneys for the defendants in the suit of E. H. Harriman and Winslow Pierce and the Oregon Short Line Railroad company against the Northern Securities company, notice of which was served Saturday, will make any extended statement with reference to it. It is admitted, however, that the suit is a step in the struggle for control of the Northern Pacific Railroad company which is being waged between E. H. Harriman and allied interests, and James J. Hill, J. P. Morgan and others. That some step was anticipated the attorneys admitted, but each stated that the filing of the petition on Saturday came as a surprise and that he would be unable to state what course would be pursued until the principals had been consulted.

Where Did the Money Go?

Milwaukee, April 4.—The indictments returned by the grand jury at its final session Saturday night are against ten individuals. The testimony upon which the indictments were brought related to alleged illegal acts in connection with work on the county hospital. The original estimate on the cost of the building was \$80,000, while the actual cost was \$175,000. The building is still incomplete and more money will have to be expended.
