## LIFE IS VERY UNCERTAIN

Many deaths are caused by people not taking the proper  
precautions about what they eat and allowing their stomachs  
to get in a terrible condition.

Bread is the STAFF OF LIFE — you eat it three times  
a day, 365 days in the year, and you should be particular  
what kind of bread you eat.

Hundreds of people are suffering from indigestion, partly  
caused from the bread they eat. The old time "cottony"  
baker's bread will wad up into dough balls and lay in your  
stomach, and often times it requires the aid of medicine to  
make it digest

**Ideal Bread** is a PURE FOOD product,  
and we have spared neither  
time nor money in getting it to the point of "Bread Excel-  
lence." It is easy to masticate and easy to digest, and it is  
the result of the latest ideas of bread baking.

"Ideal Bread" is pure, wholesome and substantial. For  
sale by all groceries. Made only by the

# \$50,000 GIVEN AWAY

The Board of Directors of the Louisiana Purchase Souvenir Coin Company will set aside an appropriation of \$50,000, which will be presented, in its entirety, to the person who sends us a correct estimate of the EXACT number of paid admissions to the Louisiana Purchase Exposition, which opens at St. Louis April 30th, and closes December 1st, 1904. Should no one succeed in estimating the exact number, the money will be presented to the one who sends us the nearest correct estimate. This golden opportunity to secure a magnificent fortune costs NOTHING. Our object in making this unprecedented offer is to advertise and promote the sale of our Souvenir Coins of Admission to the World's Fair. These Souvenir Coins of Admission are of artistic and appropriate design, and valuable as mementos of this greatest of all Expositions, and are similar to the Columbian Half Dollar, aside from their intrinsic value. We will accept them in exchange for regular tickets of admission to the World's Fair, and for this purpose will maintain a ticket office at the main entrance to the Fair grounds, which will be open every day during the World's Fair period. Exceedingly few of these souvenirs, but only a limited number will be offered for sale. Price 50 cts. With every Souvenir Coin of Admission purchased we allow one estimate to be made and filed, of the total number of paid admissions to the Fair. No one has any advantage in this contest. YOU are just as likely to get the \$50,000 in gold as any one. It is all pure luck. Should there be more than one correct estimate, the \$50,000 will be divided equally between the persons making the exact or nearest correct estimates. There may be no ties or dividing of this money; the enormous sum of \$50,000 may be received by one person. WHY NOT YOU? The lucky winner will be notified the instant the official announcement of the total number of paid admissions is made by the Louisiana Purchase Exposition Company. We will also pay all of your expenses to St. Louis and will deliver the \$50,000 IN ONE GREAT BAG OF GOLD as soon as you reach the city. The total paid admissions to Chicago World's Fair 21,480,141 Paris, France, Exposit'n, 16,795,167 Pan-American Exposit'n, 5,360,859
