LIFE IS VERY UNCERTAIN

Many deaths are caused by people not taking the proper
precautions about what they eat and allowing their stomachs
to get in a terrible condition.

Bread is the STAFF OF LIFE — you eat it three times
a day, 365 days in the year, and you could be particular
what kind of bread you eat.

Hundreds of people are suffering from indigestion, partly
caused from the bread they eat. The old time "cottony"
baker's bread will wad up into dough balls and lay in your
stomach, and often times it requires the aid of medicine to
make it digest.

Ideal Bread is a PURE FOOD product,
and we have spared neither
time nor money in getting it to the point of "Bread Excel-
lence." It is easy to masticate and easy to digest, and it is
the result of the latest ideas of bread baking.

"Ideal Bread" is pure, wholesome and substantial. For
sale by all groceries. Made only by the

Manager Alford, of the Richmond independent ball club, has received word from Manager Phillips, of the Indianapolis team, that a youngster named Wells will be farmed to Richmond for the coming season. He is a promising pitcher. The schedule has been changed to bring the first game of the season on the last Sunday in April.

EARLHAM NOTES

Some of the work in the history department which Prof. Lindley has at the present time, will be transferred to the Biblical department, and Prof. Lindley will give a year's course in political science.

It is the intention to place the department of physical culture and athletics upon a much firmer basis than they have been in the past. Regular courses in physical culture will be given to both the young men and women. College credits will be given to persons taking this work. Another instructor will be obtained to assist Prof. E. P. Trueblood in this work. A new coach will be obtained for next season's foot ball team.

The language department will also be changed somewhat. That is Prof. Charles, who is to take Dr. Guerber's place will teach German and French and Mrs. Charles will teach Spanish. Mrs. Charles has studied Spanish in Spain and has had much experience in teaching both German and French.

The faculty for the next college year will be increased by five or six new instructors.

Dr. M. S. Marble left today to attend the north Indiana conference at Muncie. The doctor has served his people so acceptably here that they have petitioned for his return, and it is hoped he will be returned; for he is, in every way, worthy, and his ability to do good will increase as more people come to know him. iveralveebvbye

RICHMOND LADY ON TEAM.

In a debate at Lafayette between the Sophomores and Juniors at Lafayette the Sophomores were victorious. Miss Fannie Horrell of this city is a member of the victorious debating team. The subject was: "Resolved, 'That the Acquisition of More Territory is Desirable.'" Miss Horrell is a daughter of James Horrell of this city.

HOW THE STORY GREW.

(From Tit-Bits.)
"Have you ever heard Brown tell about the time he got half-way up Mont Blanc with one of his little nephews and no guide?" asked one man of another.

"How long ago did he tell you about it?" was the evasive reply.
"Last October, when he'd just got home," said the first man.

"Well," said the other, "in the five months since then he has climbed the rest of the way, sneered a fainting guide and sustained a snowstorm on the summit, accumulated two benumbed strangers on the way down, and guided the entire party to the foot, where a group of frantic relatives were waiting."

Job work promptly done at the Palladium.

\$50,000 GIVEN AWAY

The Board of Directors of the Louisiana Purchase Souvenir Coin Company will set aside an appropriation of \$50,000, which will be presented, in its entirety, to the person who sends us a correct estimate of the EXACT number of paid admissions to the Louisiana Purchase Exposition, which opens at St. Louis April 30th, and closes December 1st, 1904. Should no one succeed in estimating the exact number, the money will be presented to the one who sends us the nearest correct estimate. This Golden opportunity to secure a magnificent fortune costs NOTHING. Our object in making this unprecedented offer is to advertise and promote the sale of our Souvenir Coins of Admission to the World's Fair. These Souvenir Coins of Admission are artistic and appropriate design, and valuable as mementos of this greatest of all Expositions, and are similar to the Columbian Half Dollar, aside from their intrinsic value. We will accept them in exchange for regular tickets of admission to the World's Fair, and for this purpose will maintain a ticket office at the train entrance to the Fair grounds, which will be open every day during the World's Fair period. Everybody wants one of these souvenirs, but only a limited number will be offered for sale. Price 10 cts. With every Souvenir Coin of Admission purchased we allow one estimate to be made and filed, of the total number of paid admissions to the Fair. No one has any advantage in this contest. YOU are just as likely to get the \$50,000 in gold as anyone. It is all pure luck. Should there be more than one correct estimate, the \$50,000 will be divided equally between the persons making the exact or nearest correct estimates. There may be no ties or dividing of this money; the announcement of \$50,000 may be received by one person. WHY NOT YOU? The Lucky Winner will be notified the instant the official announcement of the total number of paid admissions is made by the Louisiana Purchase Exposition Company. We will also pay all of your expenses to St. Louis and will deliver the \$50,000 IN ONE GREAT BAG OF GOLD as soon as you reach the city. The total paid admissions to Chicago World's Fair 21,480,141 Paris, France, Exposit'n, 16,795,167 Pan-American Exposit'n, 5,360,859
