Women Who Want to Vote
Get a Plank In Prohibitionist Platform

STATE TICKET NAMED

Felix T. McWhirter of Indianapolis Is Named For Governor—The Other Candidates.

Among Other Resolutions Is One Taking a Rap at the Nicholson Law.

Indianapolis, April 7.—The Prohibitionists of Indiana in state convention here selected a full state ticket, with the exception of candidates for judges of the supreme court, which was left to the state committee. The remainder of the ticket is as follows:

Governor—Felix T. McWhirter, Indianapolis.
Lieutenant Governor—H. C. Ramsey, Fredericksburg.
Secretary of State—Alva H. Swain, Arlington.
Auditor of State—R. V. King, Franklin.

Treasurer of State—R. L. Leason, Elwood.

Attorney General—W. A. Swank, Crawfordsville.

Reporter of the Supreme Court—Edward W. Clark, Indianapolis.

State Superintendent of Public Instruction—A. L. Green of Purdue University.

State Statistician—J. E. Cowgill, Indianapolis.

The platform adopted by the party declared for the repeal of all "laws which now make the state a party to the crime of liquor selling"; asked a constitutional amendment prohibiting the manufacture and sale of alcoholic liquors for beverage purposes; criticized the Nicholson law on the ground that it throws the burden on the people instead of on the applicants for liquor licenses; declared for woman's suffrage, and urged the creation of boards of arbitration to settle all differences between capital and labor.

Congressional Aspirants.

Indianapolis, April 7.—The candidates for congress nominated by the Prohibitionists are as follows: First district, A. C. DeForest, Evansville; Second, Alexander P. Asbury, Farmersburg; Third, T. J. Shrode, New Albany; Fourth, F. O. Lamoreaux, Franklin; Fifth, David Hadley, Mooresville; Sixth, Charles A. Johnson, Greenfield; Seventh, Elijah W. Lawton, Indianapolis; Eighth, Aaron Worth, Bryant; Tenth, Isaac S. Wade, Lafayette; Eleventh, Edward H. Kennedy, Amboy; Twelfth, George C. Ulmer, Lagrange; Thirteenth, Charles F. Holler, South Bend. The Ninth district will select its nominee at Frankfort, April 27.

YOUNG GIRL MISSING

Relatives Fear She Has Been Decoyed From Home.

Marion, Ind., April 7.—Miss Edith Bolan, eighteen years old, left her home in South Harmon street Sunday night, in company with an unknown man, who stopped at her house in a buggy. Nothing has been heard of her since, and her relatives and friends are greatly alarmed. The man who called at the house was well dressed and young in appearance, and it is thought they may have eloped, but as her relatives and friends are not acquainted with the young man, it is thought she has been kidnapped or has been induced to leave home by designing persons. Miss Bolan is a pretty girl of striking figure, and is

HALF SICK

Generally the expression is, "I don't feel half well," though sometimes people say, "I feel half sick." But there is no such thing as being half sick. The man who feels half sick is all sick. As a rule, the cause of the weak, tired, half sick feeling is disease of the stomach, resulting in loss of nutrition and consequently in physical weakness.
Doctor Pierce's Golden Medical Discovery cures diseases of the stomach and other organs of digestion and nutrition. It restores strength by enabling the perfect digestion and assimilation of food. It makes half sick people all well.
"I suffered for four years with pain in my stomach so that at times I couldn't work nor eat," writes Mr. Frank Smith, of Granite, Chaffee Co., Colo. "I wrote to you about my sickness and was told to use your medicines, which I did with good results. I only used four bottles of your 'Golden Medical Discovery,' and must say that I am entirely cured and feel like a new man, and I can highly recommend your medicine to any sufferer."

"Golden Medical Discovery" contains no alcohol and is entirely free from opium, cocaine and all other narcotics. It is strictly a temperance medicine.
Accept no substitute for "Golden Medical Discovery." There is nothing "just as good" for diseases of the stomach.
The "Common Sense Medical Adviser," one thousand and eight large pages, in paper covers, is sent free on receipt of twenty-one one-cent stamps, to pay expense of mailing only. Address Dr. R. V. Pierce, Buffalo, N. Y.

prominent in church work and society in South Marion.

A Woman's Suicide.
Indianapolis, April 7.—The body of Mrs. Bessie McLaughlin, a well-dressed woman wearing three diamond rings, a diamond pin, watch and other jewelry, was found in the ditch cut through Cerealinatown by the water company for a main connecting the filter plant with the Riverside pumping station. It is believed she threw herself in the water. Mrs. McLaughlin came from Toronto, Canada, and was visiting her mother. She was last seen alive Monday morning. The woman was temporarily deranged.

Ample Financial Backing.
Columbus, Ind., April 7.—Charles N. Wilson, general manager of the Columbus, Greensburg and Richmond Traction company, makes a strong denial of the rumors that the road will ask for subsidies along the line from this city to Richmond. The company asserts that it has ample financial backing and will begin construction in a few weeks.

Brandt's Body Found.
Logansport, Ind., April 7.—After a search of three days and nights, the body of Sol D. Brandt was found in the Wabash river, near Georgetown, below this city. The body passed over two dams and lodged in some drift at a bend in the river twelve miles below the scene of the accident.

Body Found in River.
Kokomo, Ind., April 7.—The body of Arthur Jackson, who disappeared from his home in this city some time ago, was found in the Elk river. The body was identified by the clothing as that of Jackson.

MUST GO TO JAIL

Thus Says the Court in the Case of Senator Burton.

St. Louis, April 7.—United States Senator J. R. Burton of Kansas has been sentenced to six months' imprisonment in the Iron county jail and fined \$2,500 for having been convicted of using his influence before the post-office department in behalf of the Rialto Grain and Securities company of St. Louis, and of having received payment from the company for his services. Senator Burton's lawyer immediately filed a bill of exceptions in the case and offered a bond of \$10,000, which was accepted.

It is a coincidence that the amount of the fine, \$2,500, imposed upon Senator Burton, is identical with the amount which, according to the evidence, he received from the Rialto Grain and Securities company. The Iron county jail to which Senator Burton was sentenced for six months, is located in the county seat of Ironton, Mo., a village of 1,400 population, 88 miles southeast of St. Louis on the Iron Mountain railroad. The jail is a two-story brick structure and in a portion of it Sheriff Polk makes his home with his family.

DOINGS IN CONGRESS

The Question of Pure Food Up In the Senate.

Washington, April 7.—After waiting with much patience for many days, Mr. Heyburn found opportunity to speak to the senate on the subject of pure food. Technically the speech was in support of a resolution calling on the secretary of agriculture to send to the senate the results of the investigations made by his department into adulterated foods, but in reality it was in support of the pure food bill. Mr. Heyburn contended that a very large proportion of foods, drugs and liquors were adulterated, and that many drugs were absolutely poisonous. The post-office appropriation bill is still before the senate.

The house passed seventeen bills relating to the District of Columbia, including one incorporating the Carnegie Institute. It also passed the Bowman omnibus claims bill, carrying approximately \$228,000 for the payment of small claims.

Hawaii in Financial Distress.
Honolulu, April 7.—The legislature has met in special session to discuss the appropriations asked for by the government as well as measures to lessen the financial distress. Governor Carter, in his message to the legislature, recommended the abandonment of the appropriations for the national guard, the government band, hospital subsidies, jury fees and government physicians, and he submitted plans for sweeping reductions in expenses, the consolidation of offices and reduction in salaries.

For Shanghai Sailors.
Savannah, Ga., April 7.—Henry Olsen was found guilty in the United States court of shanghaiing sailors out of this port. A receipt was shown in court indicating that Olsen had received \$250 for the shipping of eight negroes who were subsequently discharged penniless in Bristol, Eng., whence they were returned to this country by the American consul. There are other cases of a similar character against Olsen.

Wants Will Set Aside.
St. Louis, April 7.—Charles G. Pepper, son of the late Christian Pepper, a millionaire tobacco manufacturer of St. Louis, has filed suit in the circuit court to set aside the will left by his father. He alleges that his father was of unsound mind and was unduly influenced when the instrument was executed.
