

MUNYON'S PAW PAW

Challenges the Interest of the
Scientific World.

Prof. Willard H. Morse, M.D., Fellow of the London Society of Science, Says:

"Munyon's Paw Paw is scientific in that it properly presents to the materia medica—to the medical profession and to the sick and suffering the active principle of the fruit of the carica papaya (Paw Paw), in its most eligible form.

"It accomplishes digestion surely and perfectly. It makes the most of the food. Makes the best of the food. Assures perfect assimilation. It perfects the several fluids that have to do with digestion and makes dyspepsia impossible.

"It cures Catarrh through a physiological action which removes all foul and unhealthy mucus of a catarrhal character. It renovates the mucous surfaces, drives out the catarrhal poison wherever it finds lodgment, cleans house, as it were, and in so doing cures Catarrh or Gastritis, and restores healthful conditions."

If you have catarrh, Try it.
If you have dyspepsia, Try it.
If you are nervous, Try it.
If you are despondent, Try it.

If you are weak and run down, Try it. Cast away all tonics, all medicines and all stimulants and let Munyon's Paw Paw make you well. It will lift you into the high altitudes of hope and hold you there. It will give exhilaration without intoxication.

Sold by all druggists. Large bottle, \$1. Paw Paw Laxative Pills, 25c a bottle.

WITHSTOOD SHOCK

Three Charges of Dynamite
Fail to Open Flatrock
Bank Safe.

CRACKSMEN GET AWAY

Daring Attempt to Burglarize the
Bank at Flatrock Proved
Wholly Unsuccessful.

Citizens Heard the Explosion But
Made No Attempt At
Interference.

Flat Rock, Ind., April 9.—An attempt was made by burglars to open the safe in the Flat Rock bank. Three charges of nitroglycerin were exploded, each one proving unsuccessful in removing the inner door. People were aroused by the sound of the explosion, but no attempt at interference was made. It is supposed that the burglars became alarmed, however, and fled before completing their task. Tools were secured from Field's blacksmith shop, and also from the railway tool-house. The bank recently opened, and was doing a flourishing business. There was much money in the vault. There is no clue to the identity of the burglars, whose work indicates they are professionals.

BACKED BY THE LEAGUE

State Will Have Assistance in Prosecuting David Gordon.

Columbus, Ind., April 9.—It is of current rumor that the State Liquor League will assist in the prosecution of David Gordon, accused of dynamiting the "blind tiger" operated by Richard Collins at Nashville. It is alleged that the saloon was operated in defiance of the law, within a stone's throw of the courthouse, but people in Nashville claimed they could get no evidence warranting conviction. The Daily Republican of this city referred to the lax enforcement of law in several caustic editorials, and the entire force was summoned to Nashville to testify against the "blind tiger." After appearing before the grand jury, the Columbus witnesses started for home, and that night the "blind tiger" was dynamited. The building was hopelessly wrecked, and there has been no saloon in Nashville since. Much excitement was aroused at Nashville, and Gordon was indicted as having used the explosive. After a time he secured a change of venue to Morgan county.

Burton's Relatives Shocked.

Mitchell, Ind., April 9.—Whether the conviction and sentence of Senator Burton of Kansas be just or not, it has caused much sadness here, his old home, where he spent his boyhood days and where he is known by everyone. Senator Burton's father and mother lived here all their lives, and both died about two years ago. A sister, Mrs. Dodd, lives here, and Senator Burton visited here several times a year. His conviction comes as a great shock to his numerous relatives and friends here.

Then She Was Locked Up.

Princeton, Ind., April 9.—Miss Lena Moore, a beautiful, well-dressed girl, is held here, charged with raising and passing checks. She presented a draft to the Farmers' bank for "sixty hundred dollars," which had, it is charged, been raised from 60 cents. At the People's bank she attempted to cash her individual check for \$1,000. Failing in this, she bought \$50 worth of goods at a store and gave her check, afterward found to be worthless. Then she was locked up.

Held by Coroner's Verdict.

Danville, Ind., April 9.—Frank Shockney was held for the murder of his father-in-law, George Dodson, by the coroner's verdict. He was at once arrested and is now in jail. The men quarreled over the affairs of a poolroom in which they were jointly interested. It was at first supposed that the killing was done in self-defense, but the coroner thought otherwise.

Advanced the Hearing.

Indianapolis, April 9.—The supreme court has advanced the apportionment cases and set them for oral argument on April 19. The same order was entered in the cases from Boone, Ripley and Dearborn counties, which have all been briefed together by the attorneys on both sides, the constitutionality of the apportionment law of 1903 being the principal question in each case.

Powder Wrecks Mine.

Washington, Ind., April 9.—Henry R. and Ernest Raymann were firing shots in the Raymann coal mine when two 25-pound kegs of powder exploded, wrecking the mine. A coal car was thrown forty feet and the air curtain was hurled 100 feet. The Raymanns were in an entry when the explosion occurred and escaped serious injuries.

Bride-to-Be Was Disappointed.

Fort Wayne, Ind., April 9.—Miss Anna Martin is suing Mr. and Mrs. Frederick Pohlmeier for \$2,000, alleging that they spirited away their son, Henry C. Pohlmeier, and prevented Miss Martin's marriage with him. The alleged abduction took place while the bride-elect was getting the marriage license.

Where Baking Begins Right.

The perfect baking of the National Biscuit Company begins with right material and every step thereafter through the whole process of baking is *right*. There is not one point of quality that care, skill and modern bakeries could make better. It is perfection itself—through and through.
