### Notes.

Elwood plays here tonight.

The benefit game on Wednesday night will be well patronized. The two pennant winners will contest—Fort Wayne and Richmond.

The Western managers decided all right. Fox ought to go to farming, where he could fight clouds. As a polo manager he's a rank frost.

Manager Henley always stands up for Richmond and usually comes out ahead. He would not accept Fox's offer to play a series of three games, but offered to post \$500 for a game in Richmond with Marion. This was turned down.
