NORTH INDIANA METHODISTS

REPORT OF RICHMOND DISTRICT
PRESENTED TO
MEETING.

SEVEN HUNDRED
ACCESSIONS

Reported by Dr. Hill and Three
Churches Dedicated Since
Last Conference.

Muncie, Ind., April 9.—The North Indiana Methodist conference completed a big day's work yesterday. Ministerial and lay delegates were elected to the quadrennial conference to be held at Los Angeles, Cal., in May.

The report of the Richmond district showed that during the last year three churches had been dedicated and that two are now being constructed; there has been 700 accessions to the church and the amount raised for benevolence was greater than ever.

Bishop McCabe announced that the total number of conversions in the churches of the North Indiana conference for the last year is 6,842. "I earnestly commend the spirit of tithing," said Bishop McCabe, "and am glad to find it so prevalent in this conference. If every person in this conference would give one-tenth of his income to the Lord we should have about \$100,000 a day coming in."

The following ministerial delegates were elected yesterday afternoon: Dr. Cyrus U. Wade, presiding elder of the Muncie district; the Rev. W. D. Parr, of the Church Extension association; Dr. H. M. Herriek, presiding elder of the Kokomo district; Dr. George H. Hill, presiding elder of the Richmond district; the Rev. Leslie J. Naftzger, of Kokomo, and the Rev. F. G. Brown, of Cincinnati, who is connected with the Methodist book concern.

The following were elected reserves to the General conference: The Rev. E. L. Semans, presiding elder of the Wabash district; the Rev. H. U. Bennett, presiding elder of the Goshen district, and the Rev. W. H. Daniel, presiding elder of the Fort Wayne district.

These lay delegates were selected: Hugh Dougherty, Bluffton; D. L. Overholz, Logansport; Mrs. Frank Wilson, Wabash; H. J. Blackledge, Anderson; John L. Calvin, Ligonier; Mrs. Williams, Knightstown. Reserves—C. C. Ayers, Redkey, and Mrs. Dan Waugh, Tipton.

\$50,000 GIVEN AWAY

The Board of Directors of the Louisiana Purchase Souvenir Coin Company will set aside an appropriation of \$50,000, which will be presented, in its entirety, to the person who sends us a correct estimate of the EXACT number of paid admissions to the Louisiana Purchase Exposition, which opens at St. Louis April 30th, and closes December 1st, 1904. Should no one succeed in estimating the exact number, the money will be presented to the one who sends us the nearest correct estimate. This Golden opportunity to secure a magnificent fortune costs NOTHING. Our object in making this unprecedented offer is to advertise and promote the sale of our Souvenir Coins of Admission to the World's Fair. These Souvenir Coins of Admission are of artistic and appropriate design, are invaluable as mementos of this greatest of all Expositions, and are similar to the Columbian Half Dollar, aside from their intrinsic value. We will accept them in exchange for regular tickets of admission to the World's Fair, and for this purpose will maintain a ticket office at the main entrance to the Fair Grounds, which will be open every day during the World's Fair period. Everybody wants one of these Souvenirs, but only a limited number will be offered for sale. Price 10 cts. With every Souvenir Coin of Admission purchased we allow one estimate to be made and filed, of the total number of paid admissions to the Fair. No one has any advantage in this contest. YOU are just as likely to get the \$50,000 in gold as any one. It is all pure luck. Should there be more than one correct estimate, the \$50,000 will be divided equally between the persons making the exact or nearest correct estimates. There may be no ties or dividing of this money; the enormous sum of \$50,000 may be received by one person. WHY NOT YOU? The Lucky Winner will be notified the instant the official announcement is made by the Louisiana Purchase Exposition Company. We will also pay all of your expenses to St. Louis and will deliver the \$50,000 IN ONE GREAT BAG OF GOLD as soon as you reach this city. The total paid admissions to
