

Baby Costs Too Much

When the price paid is the mother's health and happiness. The father doesn't realize as he romps with the child what years of wifely suffering must be set against the baby's laughter. Chronic invalidism is a high price to pay for the painful joy of maternity, yet it is at such a cost that many a woman becomes a mother. Such a price is too much because it is more than nature asks.

By the use of Doctor Pierce's Favorite Prescription maternity is made practically painless, and a quick convalescence is assured in almost every case.

"I am pleased to give my testimony and wish I could find words strong enough to induce other sufferers to use Dr. Pierce's Favorite Prescription."

Dr. Pierce's Favorite Prescription contains no alcohol and is entirely free from opium, cocaine and all other narcotics.

The dealer who offers a substitute for "Favorite Prescription" does so to gain the little more profit paid on the sale of less meritorious medicines. His profit is your loss; therefore, accept no substitute.

Dr. Pierce's Pleasant Pellets regulate the bowels.

LOYAL TO BRYAN

Nebraska Democrats Indorse Him and His Old Platform.

Omaha, June 2.—The Nebraska state Democratic convention selected Wm. J. Bryan to lead its delegation to the national convention, and in no uncertain terms indorsed both the Kansas City platform and the candidate which stood upon it. The first paragraph of the state platform reads as follows:

"We, the Democrats of the state of Nebraska, in convention assembled, reaffirm our faith in Democratic principles as those principles were set forth in the last national platform of the party adopted at Kansas City in 1900."

The following resolution was unanimously adopted: "The Democracy of Nebraska heretofore to the Democracy of the nation its steadfast respect for, confidence in, and loyalty to Nebraska's champion of pure Democratic principles, and bids him Godspeed in his splendid efforts to prevent the national organization from falling under the baneful control of the enemies of the real Democracy."

Anti-Hearst Element Prevalled.

Detroit, Mich., June 2.—The anti-Hearst element in the Michigan Democracy, headed by Daniel J. Campau of Detroit, national committeeman from this state, triumphed over the Hearst supporters at every stage in the Democratic state convention held here to select delegates to the national convention, and an unopposed delegation will be sent to the convention.

Bryan Won in Oklahoma.

Anadarko, Okla., June 2.—The Bryan wing of the Oklahoma Democracy dominated the convention held to elect delegates to the St. Louis convention, and the delegates were instructed "to act in conjunction with those who supported the party in the last two presidential elections," the vote on these instructions being almost unanimous.

Hearst Has Hopes in Wyoming.

Cheyenne, Wyo., June 2.—It is considered practically certain that the Wyoming delegation to the national Democratic convention will be instructed for Hearst by the state convention, which met this afternoon.

By a Bare Majority.

Atlanta, Ga., June 2.—By a vote of 166 1/2 to 137 1/2, the Georgia Democratic convention instructed its delegates to the national convention to vote for the nomination of Judge Alton B. Parker of New York for president.

Arrived Just in Time.

Kansas City, June 2.—Louis Leckeny, aged thirty-two years, was shot and killed last night by Charles Hrencher at the latter's home in this city. When Hrencher reached his home he heard the screams of his wife, who was being choked by Leckeny, because she refused to tell him where she had concealed \$1,200 which she recently received from an estate. The two men engaged in a fight and Hrencher says he was forced to shoot Leckeny in self-defense.

A Wise City Council.

Cleveland, O., June 2.—The city council has passed an ordinance making it a misdemeanor to use, give away or sell a toy pistol or blank cartridge in this city on the Fourth of July. The ordinance is the result of recent action taken by the academy of medicine which showed that a number of persons died from tetanus last year following the celebration of the nation's anniversary.

A Costly Mistake.

Blunders are sometimes very expensive. Occasionally life itself is the price of a mistake, but you'll never be wrong if you take Dr. King's New Life Pills for Dyspepsia, Dizziness, Headache, Liver or Bowel troubles. They are gentle yet thorough. 25c at A. G. Luken & Co.'s drug store.

ATTENTION, FARMERS!

Why remain in the North and starve your doors six months in the year consuming what you raise during the other six months?

Go South where you can work your doors every month in the year, and where you are producing something the year round. If you are a stock raiser you know your stock are now "eating their heads off" and, besides have to be protected from the rigorous winter by expensive shelter.

Economical stock feeding requires the combination of both flesh-forming and fat-forming foods in certain proportions. Alabama and Florida produce in abundance the velvet bean and cassava, the first a flesh producer, and the latter a fat producer, and they are the cheapest and best fattening materials known to the world.

More money can be made and with less labor, in general farming fruit and berry growing and truck gardening along our road in the South than in any other section of the Union.
