

## A FRIEND'S ADVICE.

Will Often Help You Greatly Read  
What a Richmond Citizen Says.

You may hesitate to listen to the advice of strangers, but the testimony of friends or residents of Richmond is worth your most careful attention. It is an easy matter to investigate such proof as this. The evidence must be conclusive. Read the following:

Edgar S. Mote who is employed at Hasty Bros. factory, 184 Ft. Wayne avenue, says: "For a long time my kidneys were not right and a steady aching pain set in that was most distressing. At no time was it severe enough to lay me up but it made me feel miserable all the time. I was advised to try Doan's Kidney Pills. I did so getting them at A. G. Luken's drug store. A very short time sufficed to thoroughly relieve me of the aches and pains. I have no hesitancy in recommending Doan's Kidney Pills to others similarly troubled."

Doan's Kidney Pills for sale by all dealers. Price 50 cents per box.

## FISHING SEASON

Streams of Wayne County Full of Bass.

Never before have the streams in Wayne county and eastern Indiana held so many bass as this summer. Fishermen say this fact is due to the high waters of the early spring, and the continued swollen condition of the streams. Bass go up stream during periods of freshets, and they have come in great numbers from the larger rivers into the tributaries. Bass fishing has been unfavorable, however, for the reason that the waters were unsettled up to the time the spawning season began. Sportsmen of the rod, however, are anticipating great luck the remainder of the summer. The trolley lines have done much to facilitate the easy movements of the fishermen. The lines east and west out of Richmond carry great numbers of early morning anglers, especially on Sundays, when the streams in western Wayne county and just across the Ohio state line are objective points.

## PECULIAR CASE

At Eaton, Ohio—Dementia Brought on by Punsters.

A most peculiar case is reported from Eaton, O., of a man having been thrown into nervous prostration bordering upon dementia the result it is said of years of stress, by being made to hear the brunt of the continued thrusts of local punsters and practical jokers.

The man who is now said to be in this deplorable condition has been for years connected with one of the prominent hotels of Eaton and in this capacity he was brought in contact with all wags and jokers of the city. The result is most unfortunate.

## EXCAVATION

The cellar for the new United Presbyterian church is now nearly completely excavated. Teams have been working for several days and all the dirt has been hauled away. A good-sized gang of men are at work and are rushing the excavation as fast as possible. The stones for the cellar walls and foundations of the church have all been delivered, and are dumped around the excavated cellar, waiting to be used. All interested in the work are well pleased with the progress shown.

The Nathan Huddleston property as was advertised was sold on Friday last, and bid off to Josiah Reynolds at \$815, which is considered very cheap, as the property is a very desirable one.

Rodney Mohler, of Napoleon, O., was the guest of his friend, Miss Nelle Swain, over Sunday.
