

LIGHT AND DARK.

Day and night, sunshine and shadow are not more different from each other than a healthy and a sickly woman. The healthy woman carries light and sunshine with her wherever she goes.

The woman who suffers from ill-health casts a shadow on her own happiness and the happiness of others. She cannot help it. Those who suffer from ill-health are generally traceable to disease of the delicate womanly organism. Many women have been restored to happiness by the use of Dr. Pierce's Favorite Prescription. If there is an invalid woman, suffering from female weakness, prolapsus, or falling of womb, or from leucorrhoea who has used Dr. Pierce's Favorite Prescription without complete success Dr. Pierce would like to hear from such person—and it will be to her advantage to write as he offers, in perfect good faith, a reward of \$500 for any case of the above maladies which he cannot cure.

"I feel it my duty to inform you that I had been a sufferer for many years from nervousness with all its attendant complications," writes Mrs. O. N. Fisher, of 101 Lexington Ave., New York, N. Y. "I was constantly going to see a physician. I was induced to take Dr. Pierce's Favorite Prescription. I am now well and happy, and I have gained about ten pounds in weight and one thousand of comfort, for I am a new woman once more."

The dealer who offers a substitute for "Favorite Prescription" does so to gain the little more profit paid on the sale of less meritorious medicines.

Dr. Pierce's Common Sense Medical Adviser is sent free on receipt of stamps to pay expense of mailing only. Send 21 one-cent stamps for the paper-covered book, or 31 stamps for the cloth-bound. Address Dr. R. V. Pierce, Buffalo, N. Y.

KENTUCKIANS COMPROMISE

Temporizing Plank Adopted by Democrats in State Convention.

Louisville, June 9.—What promised to be a bitter contest for control of the state organization came up in the Democratic state convention, which met here yesterday afternoon. The result of the first struggle, the election of a temporary chairman, was a decisive victory for the administration forces led by Governor Beckham. Governor Beckham was elected temporary chairman by a vote of 817 to 322 over Judge Frank Peake of Shelby county. The fight against the administration was led by Senator J. C. S. Blackburn, assisted by Senator McCreary and Congressman D. H. Smith. The overwhelming vote for Governor Beckham for temporary chairman put his adherents in full control of the temporary organization.

Governor Beckham in his speech accepting the temporary chairmanship announced that the fight for the control of the party was not of his seeking. He denied Senator Blackburn's assertion that a machine and not the voters controlled the party, and sarcastically stated that of course no one believed Senator Blackburn in making his fight was seeking to build up a machine for himself.

The work of organizing the committees was rapidly proceeded with and the temporary organization having been completed, the convention took a recess until 7:30 o'clock. The first business before the convention at the evening session, the report of the committee on credentials, did not provoke the struggle that was expected, and the four contests passed upon received a unanimous report and were unanimously adopted.

There was a short but spirited debate in the committee on resolutions over the platform, five of the members demanding the reaffirmation of the Kansas City platform. In order to prevent a contest on the floor of the convention a compromise was effected by adopting the following opening clause: "The Democratic party of Kentucky in convention assembled affirms its faith in and adherence to the great and fundamental principles of Democracy as expounded by Jefferson, exemplified by Jackson and ably defended by Dr. A."

The resolutions condemn the so-called "unnecessary and unjust system of federal taxation maintained by the Republican administration," and demand a revision of the tariff in a conservative spirit. The increase of expenditures of the federal government under Republican rule is condemned and the encroachments by the president upon the constitution are denounced. The resolutions further favor regulation of trusts and recommend a thorough investigation of all federal departments on the ground that the refusal of the Republicans to permit further investigation of the postoffice department suggests hidden corruption. The course of Governor Durbin of Indiana in "refusing to surrender on requisition from the governor of Kentucky the persons of Wm. S. Taylor and Charles Finley, fugitives from justice, charged with the murder of William Goebel" is denounced as a violation of the constitution.

The resolutions call for an unrestricted delegation to the national convention, but the delegates are required to vote as a unit.

No Hopes of a Quorum.

Havana, June 9.—A conference of moderate senators and members of congress has decided to abandon efforts to secure a quorum of the house and to appeal to the country with the object of organizing a distinctive moderate party broad enough to include independents and moderately inclined liberals. The moderates will endeavor to win over at least five members of congress of the independent and moderately inclined liberals so as to obtain a quorum should a special session be called before the regular session in November.

Vote Seller Punished.

Madison, Ind., June 9.—Judge Francisco has disfranchised George Buckner for twenty years for selling his vote at the May election.
