## DYING WOMAN'S STATEMENT

**ADMITS TO HAVING MURDERED SEVERAL PARTIES**

**MOTHER AMONG OTHERS**

**The Story Regarded as Improbable—Think Her Mind Affected.**

Lebanon, O., June 25.—Miss Catherine Miller, aged 83, wealthy and known for her charity, who died at Fredericksburg, near here last week, is said to have confessed on her death bed to killing her mother, Mrs. Miller her sister, Mrs. George Albert her brother-in-law, Jacob Albert and the infant child of a niece. The story of the confession is told by the dead woman's niece, Mrs. Frank Ziegler, who says her aunt declared she killed the infant by sticking a pin in its brain, and the others with white powders, because she could not bear to see them suffer. Neighbors think Miss Miller's mind was possibly affected, and are inclined to doubt the confession.

### Revolution Imminent.

A sure sign of approaching revolt and serious trouble in your system is nervousness, sleeplessness, or stomach upsets. Electric Bitters will quickly dismember the troublesome causes. It never fails to tone the stomach, regulate the Kidneys and Bowels, stimulate the Liver, and clarify the blood. Run down systems benefit particularly and all the usual attending aches vanish under its searching and thorough effectiveness. Electric Bitters is only 50c, and that is returned if it don't give perfect satisfaction. Guaranteed by A. G. Luken & Co., druggists.

"Ideal" flies the colors of the R. B. Co.—Red, white and blue. She can win in a walk in any race she might chance to enter.
