THE FOURTH OF JULY.

Next Monday will be the glorious Fourth. It used to mean more to the American people than it does now. They met in the park, the grove and on the "village green" to hear some one read the Declaration of Independence and to be stirred by the strains of martial music. Then some orator recounted the sacrifices of our forefathers and made every American feel proud of his ancestry and glad that he lived in "the land of the free and the home of the brave." This custom is still in vogue in many places and the Fourth is celebrated with as much enthusiasm as it was an hundred years ago.

It is to be regretted that there is a tendency to forget this day and all that it means to the American people. It is more than a hundred years since the proclamation of freedom and it is true that times have changed since then but in the old-fashioned celebration there was a lesson for the school boy and school girl that is much more impressive than the statue or monument. The heroism and sacrifice of the revolutionary soldier can never be told too often. We are now a great people and a great nation, but the patriots of '76 made it possible for us to have and to enjoy this twentieth century prosperity.

The Western Association of Writers will hold its nineteenth annual convention at Winona Lake next week from the fourth to the ninth, inclusive. This association is composed of men and women who are distinguished for their achievements in the literary field. Charles Eugene Banks is the president and James Whitcomb Riley is one of the vice presidents. Esther Griffin White, are editor of the Palladium, is the secretary. Miss White is not only an officer of this association, but contributes her part to all the literary and social features of these annual conventions.

One of the features of tomorrow's services at the First Presbyterian church will be an address by Rev. Walter E. Price, of Shelbyville. Mr. Price is a young man thoroughly consecrated to his work and has been eminently successful in his ministerial work. He believes in the harmonious growth and development of every phase of church work. His excellent social qualities, his great capacity for organizing, his eloquence as a speaker and his ardent love for his work, make him one of the most successful young ministers in the State.

We are in receipt of the Greensburg Review. This impression of the Review marks its twenty-fifth birthday and is surely a great credit to the enterprise and ability of its editors and publishers.

Next Monday being the Fourth, the Palladium will not be issued on that day. This is done to conform to custom and to give the employees a chance to celebrate.

Doctors and nurses ought to have an opportunity to enjoy and celebrate the Fourth instead of having their cares and burdens increased on that day.

The toy pistol will be in evidence next Monday and on Tuesday symptoms of lockjaw and funerals later on.

Toy pistols and muskets on the Fourth are more the signs of barbarism than of civilization.

TO THE WOMEN OF THE UNITED STATES.

Successful Home Treatment.

Dr. Hartman's Cure for Female Diseases--A Generous Offer to Women.

Invalid Women are Applying by Thousands for Dr. Hartman's Free Home Treatment by Letter.

MRS. J. P. COADY, Treasurer of the Ivy Leaf Club, 1762 6th Avenue, Council Bluffs, Iowa, writes:

"Peruna is no experimental medicine. I have used it off and on now for three years. At that time I was cured of irregular and painful menstruation. Since that time I have taken it for indigestion or whenever I felt overworked and in need of a tonic, and I have always found that it was of great benefit to me. I am therefore pleased and happy to say a word in its praise and shall gladly endorse it to my friends."--Mrs. J. P. Coady.

Miss Hattie Grace, 254 West 40th St., New York, writes:

"Peruna has changed me from a fretful, irritable, nervous woman into a healthy and a happy one. Nothing seems to worry and to fret me any more. Since early womanhood I suffered with bearing down pains and nervousness. I was thin and worried, but Peruna restored me. Those who knew me before cannot understand the change, but I can sum it all up in the blessed word, Peruna."--Hattie Grace.

Mrs. Elizabeth Ferguson, No. 181 51st St., Brooklyn, N. Y., President West Brooklyn Audubon Society, writes:

"I am pleased to tell what a blessing Peruna has been to me. Several years ago my constitution seemed broken down and I cared little whether I lived or died. I had taken so much medicine that the sight of a bottle made me sick. I had read about Peruna curing women, and I thought perhaps it would help me. I bought a bottle and before it was finished I felt better. I kept on taking it, and after three months' faithful use I was a well woman and able to do the work and undergo the strain of younger days."--Elizabeth Ferguson.

In view of the great multitude of women suffering from some form of female disease and yet unable to find any cure, Dr. Hartman, the renowned gynecologist, has announced his willingness to direct the treatment of as many cases as make application to him during the summer months without charge.

The treatment will be conducted by correspondence. The doctor will prescribe all medicines, applications, hygienic and dietary regulations necessary to complete a cure. The medicines prescribed can be obtained at all drug stores. This offer will hold good only during the summer months. Any woman can become a regular patient by sending a written statement of her age, condition of her history and symptoms of her derangements.

All cases of female diseases, including men-trual irregularities, displacements, ulcerations, etc., will be treated.

DR. HARTMAN.

dropsy of the abdomen, should apply at once and become registered as regular patients. All correspondence will be held strictly confidential.

As is well known, Dr. Hartman is the president of The Hartman Sanatorium, an institution which has a department devoted exclusively to the treatment of female diseases. He is thus brought to see thousands of such cases every year, the most of whom return to their homes to be treated by correspondence. The principal remedy he relies upon in such cases is Peruna, which every woman should have who has any affection of this kind. Those wishing to become patients should write to Dr. E. B. Hartman.

No one knows better than Dr. Hartman how much the women suffer with diseases peculiar to their sex. No one knows better than he does how many of them suffer with such diseases. Patiently, hopefully, wearily, and often silently, they eke out a miserable existence, year after year.

No martyr in poetry or heroine in romance makes a more touching appeal to human sympathy than the woman burdened with the cares of a family trying to carry the extra load of some tormenting and ever present female disease.

Dr. Hartman's sympathy for such is unbounded, and his willingness to help
