

**BABY SALE**

There are a great many hungry hearted women who would attend a baby sale if babies were ever offered for sale, because there are a great many wives who love children and have been told by physicians that they can never hope to nurse a child of their own.

Some of these women who have used Dr. Pierce's Favorite Prescription for the cure of womanly ills have been made happy mothers as a result of the cure of womanly disease and the building up of the general health.

Doctor Pierce's Favorite Prescription makes weak women strong and sick women well. It establishes regularity, dries weakening drains, heals inflammation and ulceration and cures female weakness.

"I wrote to you some time ago to get information about my case," says Mrs. Mary Lee Flannery, of Dryden, Va. "I was troubled with female weakness and pain. Received answer from you, advising me to take Doctor Pierce's Favorite Prescription and 'Golden Medical Discovery.' I took two bottles of 'Favorite Prescription' and found it did me good. I had been married four years and had no children; now I can say that our house is blessed with a little baby boy, born July 10th, by the help of God and your medicine. I praise your medicine highly."

"You can publish this letter if you wish."

FREE. Dr. Pierce's Common Sense Medical Adviser is sent free on receipt of stamps to pay expense of mailing only. Send 21 one-cent stamps for the book in paper covers, or 31 stamps for the cloth-bound volume. Address Dr. R. V. Pierce, Buffalo, N. Y.

## DOING GOOD WORK

Evangelistic Committee at Winona Lake Making Fine Progress.

### UNANIMOUS SUPPORT

From All Synods of the Presbyterian Church Comes Help For This Forward Movement.

President Converse and Secretary Chapman Widely Indorsed For What They Have Done.

Winona Lake, July 7.—The general assembly's committee on evangelistic work for the Presbyterian church, of which John H. Converse is president and the Rev. J. Wilbur Chapman secretary, has during the last year, accomplished wonders in evangelistic work, and the committee is receiving

JOHN H. CONVERSE.

the unanimous support this year from all synods of the church. The committee was appointed at the meeting of the general assembly in Philadelphia, reappointed at New York and Los Angeles, one and two years later, and was again chosen for the work at Buffalo. The Rev. J. Wilbur Chapman, the director of the Winona Bible conference, and the leading spirit in church work at Winona Lake, has had personal charge of the work, and to his untiring efforts is due, in a great measure, the success of the work.

### BAD GANG COMES TO GRIEF

Henry Smith, a Member, Shot Dead by the Police.

Fort Wayne, Ind., July 7.—The long-expected climax to the unenviable notoriety achieved by the "East Side gang" came when Henry Smith, twenty-two years old, was shot through the heart and instantly killed by a police officer. The band of rowdies of which the dead man was a member for three years has terrorized the eastern part of the city near the corporate limits. Various assaults on citizens and policemen have been common, and not long ago Smith himself was only prevented from killing Patrolman Taylor White, whom he had prostrated, by the timely arrival of another policeman. Patrolmen John Greer and Charles Spillner were detailed to serve warrants on Smith and Andrew Beekner for assault and battery on an ice wagon driver. Both young men started to run, and the policemen began shooting to scare them into submission. The bullet that hit Smith in the back and passed through his heart is believed to have been fired by Patrolman Greer. Smith died within a hundred feet of his father's home. The patrolmen were nearly mobbed by friends and neighbors of the dead man before assistance came to their aid.

### Must Serve Life Sentence.

Indianapolis, July 7.—Estell McGlatching, a colored youth of twenty-one, pleaded guilty to murder in the second degree in criminal court and was sentenced to life imprisonment. McGlatching killed Timothy Stapleton, white, nearly three weeks ago, while the two were working in a section gang for the street railway company.

### Pistols at Ten Paces.

Lawrenceburg, Ind., July 7.—James G. Henderson and Robert Riley, employed at Camp No. 2 of the Shutt Improvement company, adjusted an old grudge with pistols at ten paces. Henderson being wounded in the foot and Riley having an ear shot off. Both of the duellists fled before they could be arrested.

### Athens Was Exonerated.

Marion, Ind., July 7.—The coroner holds that Margaret Terrell committed suicide and has ordered the release of Everett Athens of Summitville, who was with her at the time the young woman killed herself. The weapon used belonged to Athens and he has been fined \$10 and costs for carrying it.

### He Took a Fatal Chance.

Charlestown, Ind., July 7.—Pope Woods, a Union veteran soldier of Westpoint, Wyo., came here to appear before the board of pension examiners. Fearful that the train would not stop at the station he jumped off and was instantly killed. Mr. Woods was sixty-five years old.

County Clerk Haas issued a marriage license to Purviance Hunt and Alice Woodard.
