FAIRBANKS' REPLY IN ACCEPTING

THE NOMINATION FOR VICE
PRESIDENT OF THE U. S.

AT INDIANAPOLIS, IND.

A Speech In Every Way in Keeping
With the Dignity of Senator
Fairbanks.

Indianapolis, Aug. 3.

Senator Fairbanks in accepting the nomination as candidate for the Vice-President of the United States, spoke as follows:

"Mr. ROSS and Gentlemen of the Committee: I thank you for the very generous terms in which you have conveyed the official notification of my nomination for Vice-President of the United States. The unsolicited and unanimous nomination by the Republican party is a call to duty which I am pleased to obey. I accept the nomination which you bring with a profound sense of the dignity and responsibilities of the exalted position for which I have been nominated. My utmost endeavor will be to discharge in full measure the trust, if the action of the convention will meet the approval of the American people.

"The platform adopted by the convention is an explicit and emphatic declaration of the principles in entire harmony with these policies of the party which have brought great glory and prosperity to our common country, and which, if continued, will honor and prosperity to our common country. The monetary and economic policies which have been so far from successful in the past, are the very foundation of our industrial life, and are essential to the fullest development of our national strength. They give vitality to our manufacturers and commerce, and if impaired or overturned, there would inevitably ensue a period of industrial depression, to the serious injury of the vast interests of both labor and capital.

"The Republican party since it preserved the integrity of the Republic and gave freedom to the oppressed, never rendered a more important service to the country than when it established the gold standard. Under it we have increased our currency supply sufficiently to meet the normal requirements of business. It is gratifying that the convention made frank and explicit declarations of the inflexible purpose of the party to maintain the gold standard. It is essential not only that the standard should be as good as the best in the world, but that the people should have the assurance that it will be so maintained.

"The enemies of sound money were powerful enough to suppress mention of the gold standard in the platform lately adopted by the Democratic National convention. The leader of Democracy in two great national campaigns has declared since the adjournment of the convention that as soon as the election is over, he will undertake to organize the forces within the Democratic party for the next national contest, for the purpose of advancing the radical policies for which his element of the party stands. He frankly says that the money question is for the present in abeyance. In view of these palpable facts, it is not the part of wisdom to abandon our vigilance in safe guarding the integrity of our money system. We must have not only a president who is unalterably committed to the gold standard, but both houses of congress in entire accord with him upon the subject.

"In congress and not with the president rests the supreme power to determine the standard of our money. Though the chief executive should oppose the congress, acting within its independent constitutional authority, could at any time overthrow or change the monetary standard.

"The wisdom of our protective policy finds complete justification in the industrial development of the country. This policy has become a most vital part of our industrial system, and must be maintained unimpaired. When altered conditions make changes in schedules desirable, their modification can be safely entrusted to the Republican party. If they are to be changed by the enemies of the system along free trade lines, uncertainty would take the place of certainty, and a reaction would surely

follow to the injury of the wage earners and all who are now profitably employed. Uncertainty undermines confidence and loss of confidence breeds confusion and distress in commercial affairs. "The convention was wise not only in its enunciation of party policies, but in its nomination of a candidate for the presidency. During the last three years, President Roosevelt has been confronted with large and serious questions. These he has met and solved with high wisdom and courage. The charges made against him in the Democratic platform find an irrefutable answer in his splendid administration, never surpassed in all the history of the Republic and never equaled by the party who seeks to discredit it.

"The election of the President is imperatively demanded by those whose success depends upon the continuance of a safe, conservative and efficient administration of public affairs.

"We have an ample record of deeds done, of beneficent things accomplished in the public interest. The vast business of the government has been well administered. The laws have been enforced fearlessly and impartially. The treasury has been adequately supplied with revenue, and the financial credit of the government was never better. Our foreign trade balance continues to increase our national wealth. We have adopted an irrigation policy which will build homes in the arid regions of the West. The Panama Canal, the hope of centuries, is in course of construction under the sole protection of the American flag.

"We have peace and great prosperity at home and are upon terms of good neighborhood to the entire world. These conditions constitute the strongest possible assurance for the future.

"Later I shall avail myself of a favorable opportunity to submit to you, and through you, to my fellow citizens, a fuller expression of my views concerning the question now in issue.

"Permit me again to thank you and to express the belief that we may confidently submit our cause to the candid and patriotic judgment of our countrymen."

No Substitute Offered

Say what you will about druggists offering something "just as good" because it pays better profit, the fact still stands that ninety-nine out of a hundred druggists recommend Chamberlain's Colic, Cholera and Diarrhoea Remedy when the best remedy for diarrhoea is asked for, and do so because they know it is the one remedy that can always be depended upon, even in the most severe and dangerous cases. Sold by A. G. Luken & Co., and W. H. Sudhoff, Fifth and Main streets.

Escaped an Awful Fate.

Mr. H. Higgins, of Melbourne, Fla., writes: "My doctor told me I had consumption and nothing could be done for me. I was given up to die. The offer of a free trial bottle of Dr. King's New Discovery for consumption, induced me to try it. Results were startling. I am now on the road to recovery. It surely saved my life." This great cure is guaranteed for all throat and lung diseases by A. G. Luken & Co., druggists. Price 50c and \$1.00. Trial bottles free.

Mrs. Hiram Sanderson, Janesville, Wis., writes: "My baby was never strong; our physician advised Hollister's Rocky Mountain Tea. One package made her strong, rosy and healthy. Thanks to your Tea."

No One But Yourself
if You Don't Get
Well When Sick.

All we can do is give advice. Of course that's easy. But our advice is really worth a little more to you than most people's, for we offer to give you the first bottle of our medicine free, if it fails to help you.

We could not afford to do this unless our medicine was good. Such an offer, on the wrong kind of medicine, would put a merchant prince in the poor house. Dr. Miles' Nervine, however, as years of experience have proved, is a medicine that cures the sick.

Those whom it cannot benefit—less than one in ten thousand—we prefer to refund their money. All we ask of you is to try Dr. Miles' Restorative Nervine for your complaint. If you suffer from sleeplessness, nervous exhaustion, dizziness, headache, muscular twitchings, melancholy, loss of memory, weak stomach, poor blood, bilious troubles, epilepsy, St. Vitus' Dance, etc., we will guarantee to benefit you or refund your money.

You are the doctor. My son Bert, when in his 17th year, became subject to attacks of epilepsy, so serious that we were compelled to take him out of school. After several physicians had failed to relieve him, we gave Dr. Miles' Nervine a trial. Ten months treatment with Nervine and Liver Pills restored our boy to perfect health.—MR. JOHN S. WILSON, Deputy Co. Clerk, Dallas Co., Mo.

FREE Write us and we will mail you a Free Trial Package of Dr. Miles' Anti-Pain Pills, the New, Scientific Remedy for Pain. Also Symptom Blank for our Specialist to diagnose your case and tell you what is wrong and how to right it. Absolutely Free. Address: DR. MILES' MEDICAL CO., LABORATORIES, ELKHART, IND.

BAD BREATH

"For months I had great trouble with my stomach and used all kinds of medicines. My tongue has been actually as green as grass, my breath has been bad odor. Two weeks ago a friend recommended Cascarets and after using them I can say with a cheerful smile that they have entirely cured me. I therefore let you know that I shall recommend them to any one suffering from such troubles."—Chas. H. Halpin, 109 Livingston St., New York, N. Y.
