CUT OFF ICE SUPPLY

Dealers Who Are Handling Products
of the Packers Are Put to a
Serious Disadvantage.Teamsters Union Orders Drivers of
Ice Wagons to Pass by This Class
of Customers.Chicago, Aug. 4.—The threatened
spread of the stockyards strike to out-
side industries came last night when
an order was issued by the teamsters'
union prohibiting drivers of ice wagons
from making any deliveries to re-
tail merchants who since the pack-
inghouse teamsters went on strike
have been hauling meat from the
yards in their own wagons. As the
refrigerators in the meat markets do
not hold enough ice to last longer than
forty-eight hours, if the order cutting
off the supply of ice can be enforced,
it means that the majority of people
in Chicago will be compelled to go
on short rations as far as meat is con-
cerned. The officials of the teamsters'
union have appointed pickets to watch
the meat markets all over the city,
and the men have been instructed to
see that the boycott is carried out to
the letter.Outside of the decision of the strik-
ing unions to extend the strike to the
ice men there is little change in the
situation at the stockyards. With
their new employees and those that
have deserted the unions the packers
managed to dispose of fully 50 per
cent as much work as is carried on un-
der normal conditions.While admitting that the packers
are doing considerable business, the
strike leaders declare that the em-
ployers are losing money on every
animal that is slaughtered, as the un-
skilled workers waste all the by-prod-
ucts. It is on this waste that the
strikers base their hopes for final suc-
cess, arguing that it is only a matter
of time until the employers will be-
come tired of losing money and will
eventually make overtures to the un-
ions for a settlement.In a riot which broke out at the
yards last night two policemen were
injured and twenty-eight rioters were
arrested after having been beaten into
subjugation.

Strike Is Favored.

New York, Aug. 4.—It has become
known here that eight of the thirteen
local unions of the Amalgamated Meat
Cutters and Beef Workers of America
voted in favor of going out on strike
in New York.

Couldn't Settle Down.

Parkersburg, W. Va., Aug. 4.—The
Democratic state convention was in
session two hours yesterday after-
noon, and almost three hours last
night without reaching the regular
order of business, which was left over
until today. Awaiting the report and
the platform, the time was devoted to
oratory. While the committee on res-
olutions was discussing the expedi-
ency of inserting the "white supremacy"
plank, oratory flowed in the conven-
tion for a distinctly "white man's
party."

It Remains a Mystery.

New Britain, Conn., Aug. 4.—Al-
though the police of this city have
followed every possible clue that
might throw a ray of light on the mys-
terious murder of Eugene Bosworth,
the gambler, who was beaten in a
room here Tuesday, they are as much
in the dark as they were five minutes
after the finding of the battered body
of the policy player. The police have
sought in vain for the weapon used
by the murderer.

Chicago Police Busy.

Chicago, Aug. 4.—In their efforts to
run down the four bandits who on
Monday night robbed the passengers
of an Illinois Central express train
near Harvey, Ill., the Chicago police
have ten men under arrest. So far
as known none of the prisoners has
been identified by any of the victims
of the robbers, and all are being held
pending developments.

Double Tragedy in Washington.

Washington, Aug. 4.—George M.
Long, aged thirty-three years, until
recently employed as a laborer in the
navy yard here, last night cut the
throat of his sweetheart, Nora Adams,
aged twenty-three years, with a razor.
He then cut his own wrist and throat.
Both died in a few minutes.

Sentence Is Deferred.

Warsaw, Aug. 4.—The trial of revo-
lutionists charged with killing four
policemen during a raid here in April
has been concluded. Sentence was
deferred owing to the apprehension
of the officials of a violent revolution-
ary outbreak.

Choice Is Far Away.

St. Joseph, Mo., Aug. 4.—Seven hun-
dred and fifty ballots were taken by
the Fourth congressional district Dem-
ocratic convention before adjournment
was taken last night, and the dead-
lock appears as firmly seated as
ever.

NOT YET SETTLED

Hereros in German Southwest Africa
Still Giving Trouble.Berlin, Aug. 4.—Lieutenant General
Von Trotha, commander-in-chief of
the forces in German Southwest Af-
rica, wires that the second company
of the Second field regiment was at-
tacked at 8 o'clock on the morning of
Aug. 2 at Okateitel by 150 Hereros.
The Hereros were defeated, leaving
fifty dead. The Germans lost three
wounded, besides two natives killed
and one wounded. General Trotha
has encircled the Hereros in the Wa-
terberg hills, and it is probable that
the attack was an effort to break
through the German cordon.

A Serious Explosion.

Pittsburg, Pa., Aug. 4.—With a re-
port that could be heard over a mile
distant, several thousand railroad ter-
pedoes packed for shipment in the
yards of the Versailles Railway Sig-
nal company's plant at Versailles ex-
ploded. Three of the buildings of the
plant were completely demolished,
three employees were seriously injured,
and every window in the vicinity was
broken.

Wants to Avoid a Quarrel.

St. Petersburg, Aug. 4.—Mr. McCor-
mick, the American ambassador, is
busily engaged in picking up the
threads of the diplomatic situation.
Last evening he had a conference with
Foreign Minister Lamsdorff regarding
the attitude of the United States.
Count Lamsdorff is anxious to avoid
any diplomatic incident with the
United States government.

Taking Long Chances.

New York, Aug. 4.—The steamboat
Grand Republic made her regular
trips to Coney Island yesterday, not-
withstanding the federal inspectors
testified Tuesday before the federal
commission that her equipment was
so inadequate that in the event of fire
her passengers might be as helpless
as were the thousand who died on the
General Slocum.

Death List Grows.

Indianapolis, Aug. 4.—Mrs. Kittie
Anderson, a colored woman who was
injured in the streetcar accident at
the Big Four crossing of West Wash-
ington street, Monday night, July 25,
is dead. This is the third death the
result of the Big Four passenger train
crashing into a crowded streetcar that
was crossing the tracks.

Fearful of an Outbreak.

St. Petersburg, Aug. 4.—According
to a message received from Harbin,
General Kuropatkin has ordered the
removal from that place of all useless
civilians in order to provide the great-
est possible accommodations for the
winter quarters of the Russian army.

New Yorkers Will Celebrate.

New York, Aug. 4.—Arrangements
for the celebration of the semi-centen-
nial of the Republican party in New
York will be made at a meeting to be
held Monday evening at the Republi-
can headquarters in the Fifth Avenue
hotel.

Must Have Left in a Hurry.

London, Aug. 4.—It was rumored on
the stock exchange that Japan discov-
ered \$25,000,000 in an abandoned Rus-
sian camp.

Mutilated Remains Identified.

Owensboro, Ky., Aug. 4.—The mutil-
ated remains of the man who was
found dead at the fair grounds Mon-
day has been identified as Jas.
Coomes, of Webster county, Kentucky.
He was last seen going toward the
fair grounds with Roy Green, a negro,
Sunday afternoon. The negro has left
the city. There is great indignation
on account of the atrocity of the
crime. After the man's head had been
beaten into a pulp a stake was run
through the throat into the ground and
then nailed to the wall.

Can't Keep Him Quiet.

Copenhagen, Aug. 4.—The royal
physicians are urging King Christian
not to travel to Ribe, where the an-
cient cathedral has been restored and
where great festivities will be held
next week. The king, it seems, dog-
gedly refuses to abandon his journey.
While the state of his health is not
alarming, his majesty is feeble and
he has been ordered to seek quiet and
rest, but the doctors' efforts and pre-
cautions have so far met with small
success.

Buys Plaudits of Rabble.

Port au Prince, Hayti, Aug. 4.—Pres-
ident Nord, accompanied by all the
members of his staff, paraded through
the streets of the city, throwing mon-
ey to the natives running behind his
carriage. The people fought for the
coins, at the same time crying,
"Long life to Nord" and "Down with
the Syrians." The Syrians are terror-
stricken and refuse to leave their
houses.

Mexico Welcomes Indians.

Mexico City, Aug. 4.—Four Chero-
kee chiefs are here and have been
received by President Diaz. He prom-
ised to help them in their plans for
establishing four Cherokee colonies on
the northern frontier. They say their
lands in the Indian Territory have
been allotted for settlement and they
desire to remove to this country and
hold large tracts of land for their
tribe.
