ABOUT 3 500 PEOPLE

At Terre Haute Yesterday—Manager

Pickens Arrested—Excitement

High.

The Palladium announced the other  
day that "Jed" Newkirk and his  
"999" was at Terre Haute and in-  
tended giving the people some fast  
running. It was also predicted that  
a number of people would be disap-  
pointed. That such was the case will  
be gleaned from the following dis-  
patch:Terre Haute, Ind., Aug. 7.—Thirty  
five hundred people who had gone to  
the fair grounds this afternoon to see  
the automobile races, the star fea-  
ture of which was to have been J. S.  
Newkirk's race in the "999," were  
disappointed.Newkirk was advertised to make a  
race against the world's record, which  
is now held by the machine he drives.  
The "999" refused to work on Sun-  
day.The anxious people waited from 3  
o'clock until after 6 o'clock to see  
the dare devil make his ride and at  
6:30 the race was called off and W.  
H. Pickens, manager for Newkirk,  
was taken in charge by Captain of  
Police Battie and taken to the police  
station.After the people had waited for  
hours and it had become certain that  
the racing machine could not be op-  
erated, hoodlums agitated an attack  
on Manager Pickens, and although  
there was no disturbance the authori-  
ties deemed it advisable to take Pick-  
ens from the grounds.At the police station he explained  
that the action of the machine was  
unavoidable. It was agreed to have  
Newkirk drive next Sunday, when  
those who attended today's meet will  
be admitted free.Catarrh Cannot be Cured  
with local applications, as they can-  
not reach the seat of the disease. Cat-  
arrh is a blood or constitutional dis-  
ease and in order to cure it you must  
take internal remedies. Hall's Catarrh  
Cure is taken internally, and acts di-  
rectly on the blood and mucous sur-  
faces. Hall's Catarrh Cure is not a  
quack medicine. It was prescribed by  
one of the best physicians in this  
country for years and is a regular  
prescription. It is composed of the  
best tonics known, combined with the  
best blood purifiers, acting directly  
on the mucous surfaces. The perfect  
combination of the two ingredients  
results in curing catarrh. Send for tes-

## NEW R. R. PLAN

A Most Commendable One Worthy of  
Emulation.The Pennsylvania Railway Com-  
pany has under consideration a propo-  
sition to divide vacant ground along  
its line among its employees for gar-  
den purposes. That rich and far-se-  
eing corporation has before now real-  
ized that a contented employee is of  
much more value to his employers  
than a grumbler. A home with pleas-  
ant surroundings is a security and an  
incentive to a normal man. Home  
with its restfulness is the desire of  
every toiler.The homeless man cannot work  
with the regularity and efficiency of  
his fellow safeguarded and strength-  
ened by home comforts and blessings.  
President Cassatt of the Pennsylva-  
nia, is no dreamer. Like all eminently  
successful business men, he studies  
things as they are, and by wise, pru-  
dent, cautious, gradual management  
strives to bring them, year by year,  
nearer to what they ought to be.The richest possession of any cor-  
poration is not its plant, or its sub-  
scribed capital, or its reserve fund,  
but its corps of efficient employees.  
Easy it is to say that men are easily  
replaced. No efficient man is replacedperfectly but by promoting an effi-  
cient man from a subordinate position.  
Promotion by merit cannot be always  
acted on, so that frequently men of  
little or no training and experience  
are called to fill positions of responsi-  
bility vacated by better qualified offi-  
cials. Even if the system of promo-  
tion by merit were always followed  
there would have to be, at some point,  
an inexperienced man appointed to  
replace an experienced hand.The purpose of a great corporation  
with thousands of employees should be  
even from the purely business stand-  
point, to make its army of wage ear-  
ners more contented and thus more  
constantly loyal and efficient to the  
interests placed in their keeping. One  
man who has nursed a grievance until  
it maddens him may in an hour inflict  
more damage than an effort to satisfy  
a thousand such could cost. Content-  
ment and efficiency in workmen are  
worth the price.The garden for railway men is the  
correct thing, suggested by humanity,  
indorsed by business perspicacity. The  
workmen's gardens in France have  
done much to solve vexatious social  
problems in that country. The railway  
men's gardens on the Pennsylvania  
system will bring workman and  
employer closer. It will secure better  
service for the railway by giving more  
comfortable and cheerful homes to its  
workmen. The Pennsylvania will, by  
making common cause with its toilers  
in this direction, prompt other mea-  
sures of co-operation which shall in  
time obliterate entirely the strike and  
the lockout.

## NOTORIETY

Mrs. Maybrick's Continued Sojourn  
at Rouen is Causing Annoyance.Paris, Aug. 7.—Mrs. Florence May-  
brick's sojourn at Rouen is causing  
annoyance locally, the neighbors com-  
plaining of the unpleasant notoriety  
and the officials weary of the con-  
stant questioning of reporters.There is reason to believe that Mrs.  
Maybrick's departure will not long  
be delayed. The order given in the  
town for making a traveling costume  
have been countermanded, but it is  
ascertained that a dressmaker is work-  
ing in the house daily.Among the Americans here are Jas.  
Hamilton Lewis, who is prosecuting a  
claim for \$41,000 against the new  
Panama canal company in behalf of  
Samuel Doll of Chicago.

## IS FISHING

Trim for the Campaign.Rangeley, Me., Aug. 7.—Senator  
Beveridge of Indiana, who is here to  
get a thorough rest before going into  
the presidential campaign, is having  
an enjoyable stay and devoting some  
of his time to fishing.He absolutely refuses to discuss  
politics.

## Died at Age of 134.

Murphy died today at her home in  
Kerrtown, a suburb of Meadville,  
aged nearly 134 years. Mrs. Murphy  
was born in Dublin, Ireland, on  
Christmas day, 1770, and came to  
America in May, 1870. Mrs. Murphy  
is survived by her second husband.

## Cholera Infantum

This disease has lost its terrors  
since Chamberlain's Colic, Cholera  
and Diarrhoea Remedy came into gen-  
eral use. The uniform success which  
attends the use of this remedy in all  
cases of bowel complaints in children  
has made it a favorite wherever its  
value has become known. For sale by  
A. G. Luken & Co., and W. H. Sud-  
hoff, Fifth and Main streets.The Heber-Edison Motion Picture  
Co., will give one of its unrivaled ex-  
hibitions at the Gennett theatre next  
Saturday evening, August 13th. This  
company claims to have the greatest  
number of motion pictures of any or-  
ganization traveling. All of the pic-  
tures are of more than passing inter-  
est and the scenes reproduced have  
become a part of the written history  
of two hemispheres. The advance  
sale will begin Wednesday morning,  
at Nixon's.C. C. & L. New Schedule Most Favor-  
able to the Richmond People.Under the new schedule there will  
be through cars to Cincinnati via C.  
C. & L. direct; also through car ser-  
vice to College Corner, Oxford and  
Hamilton. The running time of all  
trains has been greatly reduced. Cin-  
cinnati is now reached in two hours  
and five minutes. The north bound  
morning train now leaves at 7 a. m. a  
much more seasonable hour than heretofore.

## MOTHERHOOD.

A MOTHER'S love starts a man  
or woman on the right path.  
The right remedy at the right  
time fits a mother for the or-  
deal. Motherhood is often looked  
forward to with feelings of great dread  
by most women. At such a time when  
she is nervous, dyspeptic, irritable and  
in need of a uterine tonic—something  
which will calm the nervous system  
through the special organs, and a  
strength builder, she will find Doctor  
Pierce's Favorite Prescription just what  
is needed. Here is a medicine that has  
stood the test of a third of a century  
with approval, in that time it has sold  
more largely than any other remedy  
put up specially for woman's weak-  
nesses. It is guaranteed by the prop-  
rietary not to contain a particle of al-  
cohol—which could only do harm to a  
sensitive system."If mothers who dread the baby's  
coming would take Dr. Pierce's Favorite  
Prescription they would find it a  
great help and benefit," writes Mrs.  
L. E. Henderson (President Milwaukee  
Woman's Literary Club), of 123  
Grand Avenue, Milwaukee, Wisconsin.  
"After the birth of my first child I did  
not seem to regain my health, so began  
to take your medicine and in two weeks  
felt stronger and able to be out, so kept  
on taking it for two months and found  
at the end of that time I had com-  
pletely regained my usual health. I  
also found that it was of benefit to takea few months prior to baby's advent;  
in fact, it is of great benefit in all  
forms of female weakness."WHY WOMEN SHOULD CONFIDE  
IN A MAN.It is much easier for a woman to con-  
fide in the average man than in the  
average woman. She knows that the  
man will respect her confidences and  
keep them to himself. He is strong,  
has more experience of the world and  
can help the woman who needs advice.  
Without a perfect medical understand-  
ing there can be no helpful advice,  
women should not trust their delicate  
constitutions in the hands of unskilled  
persons. It requires a thorough med-  
ical education to appreciate and under-  
stand the womanly organism. When a  
woman has ill and pains that she can-  
not bear—when life seems dark for  
every woman, she should confide her  
troubles to a physician of standing in  
the community, or one who has a na-  
tional reputation. Certainly it would  
not be the part of wisdom to confide  
in an ignorant person without medical  
education simply because she was  
a woman. There is every reason why  
she should write to some great special-  
ist, one who has made the diseases of  
women a specialty for a third of a cen-  
tury, like Dr. R. V. Pierce, founder of  
the Invalids' Hotel and Surgical Insti-  
tute, of Buffalo, N. Y. All correspond-  
ence is held sacredly confidential, and  
he gives his advice free and without  
charge.We guarantee that Dr. Pierce's Favorite Prescription does not contain  
alcohol, opium, or any harmful drug. It  
is a pure compound of medicinal plants  
scientifically combined. Persons making  
false statements concerning its ingredients  
will be prosecuted.
