

Just a little too far and the woman who reaches over the cliff for the coveted flower goes crashing down into the abyss below. Just a little too far and the woman, who, day by day, neglects to cure the womanly diseases which weaken her is prostrated upon a bed of sickness. No woman should trifle with the diseases peculiar to her sex. Neglect to-day means a worse condition to-morrow.

Dr. Pierce's Favorite Prescription is a safe and reliable remedy for the cure of diseases peculiarly womanly. It establishes regularity, dries enfeebling drains, heals inflammation and ulceration and cures female weakness.

"My wife, Mrs. Mary Estes, has been taking your medicine and received great benefit from it," writes Mr. Geo. Wm. Estes, of Spring Grove, Va. "Was troubled with female weakness, heavy, bearing-down pains, severe pain in back and head, and a tired, worn-out feeling all the time. Tried all the remedies we could hear of, but they did no good. Finally we wrote to you and my wife commenced taking 'Favorite Prescription.' Took ten bottles, and is in better health than before in a long time. We shall always recommend Dr. Pierce's Favorite Prescription to all who are thus afflicted."

"Favorite Prescription" makes weak women strong, sick women well. Accept no substitute for the medicine which works wonders for weak women.

Governor Terrell of Georgia Wants to Know About Recent Lynching.

THE MILITIA'S CONDUCT

Court of Inquiry Has Been Appointed to Investigate the Subject of the State's Disgrace.

"I Have Been Greatly Mortified Over the Crime of This Mob," Says Governor.

Atlanta, Ga., Aug. 24.—On his return from St. Louis Governor Joseph M. Terrell held a conference with Sampson W. Harrison, adjutant general of Georgia, in regard to the recent Statesboro lynching. The conference terminated with the appointment of a court of inquiry to investigate the conduct of the militia from which the mob took the prisoners. The court is composed of the following gentlemen: Colonel A. R. Lawton (retired) of Savannah, president; Colonel W. E. Wooten of Albany, Lieutenant Colonel W. A. Barker of Atlanta, Major W. J. Wyly of Thomasville, and Captain Warren Grice of Hawkinsville.

After the appointment of this court Governor Terrell issued a statement condemning in strong terms the lynching of the negroes. In conclusion Governor Terrell said:

"I have been greatly mortified over the crime of this mob. I take comfort in the fact that it did not represent the sentiment of this state, for its action is condemned by a large majority of the people of the state and, for that matter, of Statesboro and Bullock county, the scene of the crime. No defense can and no apology should be made for this action of the mob. 'I regret exceedingly the military did not preserve the peace. They were sent there to see that the law was enforced and that peace was preserved at all hazards.' 'In accordance with the report and recommendation of the adjutant general, I have ordered a court of inquiry composed of fair, conservative and competent officers, to investigate the action and conduct of the military on that occasion. I shall request the civil authorities, the court so outraged, to do its utmost to bring the offenders against its dignity and the majesty of the law to speedy and swift justice.'"

IGNORED THE SUMMONS

Postmaster General Payne Turns Down a Constable.

Chicago, Aug. 24.—Postmaster General Henry C. Payne was served with a summons to appear in a justice court in this city on Aug. 26, as a witness in a case against Chauncey M. Depew. The postmaster general did not receive the summons with pleasure, and informed the constable, John Simons, that he would ignore it entirely.

"Not only did he say that," declared Simons, "but when I offered him fifty cents, and even added ten cents for mileage, he threw the money in my face." Last June when Senator Depew was in Chicago attending the Republican national convention, he was sued by S. G. Brabrook of this city, who declared that he had in some manner been defrauded by a concern called the Penny Publishing company, with which he asserted Senator Depew had been connected in 1892. The case was continued until Aug. 26, and ever since the constable has been trying to serve a summons on Postmaster General Payne. He finally located Mr. Payne in the Chicago club.

"I have a subpoena for your appearance in Justice Caverty's court, Aug. 26," said the constable.

Mr. Payne made no reply. "It is the case of S. G. Brabrook vs. Chauncey M. Depew," said the constable.

Still no reply. "Here is fifty cents witness fees," said the constable; and still there was no reply. "Here is ten cents carfare," added the constable, and then he received a reply.

"I will ignore the summons and will not appear in that court under circumstances," said the postmaster general, and then, according to Constable Simons, Mr. Payne tossed the money toward him and walked away. The constable gathered up the 60 cents and returned to his desk in Justice Caverty's court.

AID WITHDRAWN

Chicago Teamsters Draw Out of Stockyards Strike.

Chicago, Aug. 24.—The members of the teamsters' union who have been on strike for several weeks in the effort to aid the striking butchers at the stockyards, held a protracted meeting last night to determine whether or not they should withdraw from the strike. The meeting lasted until after midnight, and at times the arguments were heated. It was finally decided that the teamsters as a body would refuse to give any further assistance to the strike and the question of remaining on strike or of going back to work was left to the vote of the various local unions.

TWO NOTES

Of a Political Nature—Candidate Suggested Against Watson.

Republican State officials say that the joke is on the men who framed the Democratic State platform. The governor is assailed vigorously in the platform for sending out copies of a railroad map of Indiana with his compliments printed thereon in gilt letters, but an investigation of the records shows that the custom of sending out free maps originated in 1895 under the Democratic administration of Governor Matthews. The records are not clear, however, as to when the practice of binding the maps in morocco began.

"Stokes" Jackson, of Greenfield, who never tires in his labors for the Democratic party, is being suggested for then nomination for congress in the sixth district against James E. Watson.

INDIANA'S GREAT DAY

Immense Gathering Looked for at the World's Fair, September 1.

Present indications point to a record-breaking day at St. Louis Thursday, September 1st, when the celebration of Indiana Day takes place at the World's Fair. The large number of Indiana people intending to be present at this great State function is shown by the advance requisitions for tickets to St. Louis the ensuing fortnight. The special low fares from Indiana to St. Louis has stimulated such interest that every provision is made for handling larger crowds of excursionists than at first expected.

Representatives of Indiana interests having exhibits in the Exposition public officials and citizens generally who have already signified their intentions of being at the greatest of all Fairs on Indiana Day show that the next few days will see the heaviest movement from Indiana to St. Louis since the opening of the World's Fair. Governor Durbin and his staff will leave Indianapolis for St. Louis Wednesday, August 31st, over the Vandalia Line. On the evening of the same day, the Newsboys' Band of the Indianapolis News, consisting of about eighty members will also go over the Vandalia Line to St. Louis, the youngsters going to the World's Fair as the guests of the News.

W. W. Richardson, assistant general passenger agent of the Pennsylvania Lines, has received more inquiries at his offices in Indianapolis from intending World's Fair visitors in the last week than at any time since the St. Louis Exposition was thrown open, which is taken as the most striking indication of the widespread interest manifested in the great celebration in honor of Indiana.

Blooded horses, cattle, sheep, hogs and poultry in numbers larger than ever before, will be on exhibition at the Portland fair, September 5, 6, 7, 8 and 9.
