CITY HEALTH FOR AUGUST

MONTHLY REPORT IS ISSUED
BY DR. DAVIS

12 TYPHOID CASES

And Every One Recovered Save Two
That Are Still Sick—Health
Statistics.

The health report of the City Health Officer for the month of August has been issued.

On the general health of the city the report says that the sanitary condition of the city has a great deal to do with the excellent health of the city in general. Richmond has seldom before been in such a healthy condition, and this is due in great part to the work of sanitation that has been carried on with increased vigor in the past year. The sanitary inspectors have done their work well, and the results are very beneficial.

As to typhoid fever, of which there has been an epidemic, slight, but alarming at times, in the past few months, the report says:

In the month of August there have been twelve cases of typhoid fever in Richmond, a number larger than it has been for several years. Of these twelve cases, there are two at present. All of the other cases have recovered, and the patients are now entirely convalescent and in good health again. There have been no deaths during the month from this disease.

In a statistical way the report says: During August there were forty births—25 males and 15 females; twenty-six deaths—8 males and 18 females.

There were five cases of consumption, or one in four.

In Praise of Chamberlain's Colic, Cholera and Diarrhea Remedy.

"Allow me to give you a few words in praise of Chamberlain's Colic, Cholera and Diarrhea Remedy," says Mr. John Hamlett, of Eagle Pass, Texas. "I suffered one week with bowel trouble and took all kinds of medicine without getting any relief, when my friend, Mr. C. Johnson, a merchant here, advised me to take this remedy. After taking one dose I felt greatly relieved and when I had taken the third dose was entirely cured. I thank you from the bottom of my heart for putting this great remedy in the hands of mankind." For sale by A. G. Luken & Co., W. H. Sudhoff, Fifth and Main streets.

TRAVELING MEN

Organize a Republican Club.

Indianapolis, Sept. 3.—There are 6,300 Republican commercial travelers in Indiana who are to organize for the coming campaign. This organization, or, rather, reorganization, began in Indianapolis last night, when a meeting of the Commercial Travelers' Republican club was held in room 128 of the English hotel.

It was decided to retain the old name so the club could get the \$16 left over from the last national campaign, when the club, 500 strong, marched in parade on the occasion of the visit of Roosevelt to Indianapolis.

Frank Wells was chosen president; T. E. Potter, first vice-president; Charles A. Ross, second vice-president; W. H. Nichols, secretary; C. P. Aten, treasurer; W. A. Walker, chairman of the membership committee; A. B. Conkle, F. F. Fox, W. A. Bristol, Jefferson Taylor, K. O. Hert and George K. Stephenson, directors.

When A. A. Womack was appointed as chairman of the committee to secure a permanent hall for meeting, it was remarked that if no other place could be found the club would pitch a tent somewhere.

The club will meet again next Saturday night at 8 o'clock in room 116 of the English hotel, when the organization will be perfected.

A question brought up for consideration at last night's meeting was a trip to Columbus, Ind., October 1, when the question will be brought up later. Senator Beveridge will speak there.

When troubled with constipation try Chamberlain's Stomach and Liver Tablets. They are easy to take and produce no griping or other unpleasant effect. For sale by A. G. Luken & Co., W. H. Sudhoff, Fifth and Main streets.

Sweet clover salt rising bread is the name of the new health food.

Tragedy Averted.

"Just in the nick of time our little boy was saved" writes Mrs. W. Watkins of Pleasant City, Ohio. "Pneumonia had played sad havoc with him and a terrible cough set in besides. Doctors treated him, but he grew worse every day. At length we tried Dr. King's New Discovery for Consumption, and our darling was saved. He's now sound, and well!" Everybody ought to know, it's the only sure cure for Coughs, Colds and all Lung diseases. Guaranteed by A. G. Luken & Co., druggists. Price 50c and \$1.00. Trial bottle free.

The letter of Miss Merkey, whose picture is printed above, proves beyond question that thousands of cases of inflammation of the ovaries and womb are annually cured by the use of Lydia E. Pinkham's Vegetable Compound.

DEAR MRS. PINKHAM:—Gradual loss of strength and nerve force told me something was radically wrong with me. I had severe shooting pains through the pelvic organs, cramps and extreme irritation compelled me to seek medical advice. The doctor said that I had ovarian trouble and ulceration, and advised an operation. I strongly objected to this and decided to try Lydia E. Pinkham's Vegetable Compound. I soon found that my judgment was correct, and that all the good things said about this medicine were true, and day by day I felt less pain and increased appetite. The ulceration soon healed, and the other complications disappeared, and in eleven weeks I was once more strong and vigorous and perfectly well.

"My heartiest thanks are sent to you for the great good you have done me."—Sincerely yours, MISS MARGARET MERKEY, 275 Third St., Milwaukee, Wis. \$5000 forfeit if original of above letter proving genuineness cannot be produced.

C. & L. New Schedule Most Favorable to the Richmond People.

Under the new schedule there will be through cars to Cincinnati via C. C. & L. direct; also through car service to College Corner, Oxford and Hamilton. The running time of all trains has been greatly reduced. Cincinnati is now reached in two hours and five minutes. The north bound morning train now leaves at 7 a.m. a much more seasonable hour than heretofore.

It Saved His Leg.

P. A. Danforth of LaGrange, Ga., suffered for six months with a frightful running sore on his leg; but writes that Bucklen's Arnica Salve wholly cured it in five days. For Ulcers, Wounds, Piles, it's the best salve in the world. Cure guaranteed. Only 25 cents. Sold by A. G. Luken & Co., druggists.

More Riots.

Disturbances of strikers are not nearly as grave as an individual disorder of the system. Overwork, loss of sleep, nervous tension will be followed by utter collapse, unless a reliable remedy is immediately employed. There's nothing so efficient to cure disorders of the Liver or Kidneys as Electric Bitters. It's a wonderful tonic, and effective nerve and the great stall around medicine for run down systems. It dispels nervousness, Rheumatism and Neuralgia and expels Malaria germs. Only 50c, and satisfaction guaranteed by A. G. Luken & Co.
