

WE seldom fear a danger that we cannot see. The danger of being run-down by a horse is a very real one to everybody, the danger of being murdered by a microbe does not trouble us. And yet the minute microbe is more dangerous than the wildest horse. The only people who can afford not to fear the microbes of disease are those who keep their blood pure and rich. These are practically immune from the attacks of most microbes.

Dr. Pierce's Golden Medical Discovery purifies and enriches the blood, and gives the body a vigorous vitality. It cures scrofula, eczema, boils, pimples and other eruptive diseases which are caused by impure blood.

"I had been troubled for about four years with eczema, or a skin disease, which at times was almost unbearable as it would itch so," writes Mr. John Larson, of 115 Powhattan St., Dallas, Texas. "I concluded to try Dr. Pierce's Golden Medical Discovery, and after using five bottles found that I was entirely cured. Please accept many thanks."

Accept no substitute for "Golden Medical Discovery." There is nothing "just as good" for diseases of the blood.

Dr. Pierce's Pleasant Pellets cure constipation and its consequences.

STRIKE IS ENDING

If the Present Plans Mature Stockyards Trouble Will Be Over.

NEGOTIATIONS NOW ON

Meetings and Conferences Being Held Today Which May Result In Adjustment of Strike.

Through the Medium of a Middleman Warring Factions May Be Brought Together.

Chicago, Sept. 6.—The indications today are that the stockyards strike begun two months ago will be called off within a few hours. Through the medium of a middleman, negotiations have been begun in an effort to secure an understanding with the packers on which the striking unions can rely as a basis for abandoning the strike. It is admitted by Secretary Tracy of the Allied Trades Council of the unions on strike that a message opening up such negotiations had been delivered to representatives of the packing firms by W. E. Skinner, general agent of the Union Stockyards and Transit company, acting as a middleman.

According to the plans an answer is to be submitted by the packers in time for it to be reported at a special meeting of the Allied Trades Council. Special meetings for all the local unions involved in the strike are being held today. If the packers give encouraging assurances to the strikers, messengers will be sent at once to the gatherings of the local bodies. The unions, it is said, will then vote on discontinuing the strike, and their referendum vote will be reported at once to the meeting of the Allied Trades Council.

ALL NOW READY

The Last of the Visiting Commanders Reaches San Francisco.

San Francisco, Sept. 6.—The local committee of the Knights Templar last night checked off its entire list of visiting commanderies, the last to arrive being St. Aldamer of Missouri and Oriental of Ohio. A notable event was the coming of the Right Hon. Theo. Arle of Euston, the most eminent and supreme grand master of the great priory of England and Wales and of the dependencies of the British crown. When the earl's special train arrived four mounted troops of Templars and two of foot stood ready to receive him. The reception of the delegation from across the sea was more replete with ceremonial than that of any other of the visitors to the conclave.

Militia in Labor Parade.

Cripple Creek, Col., Sept. 6.—Labor Day was observed here with a parade of 6,000 independent workmen. It was the first time in the history of the camp that the union men failed to parade and probably the first observance of Labor Day by strictly non-union men in America. Banners reading: "They can't come back," "Cripple Creek is still in America," and "We don't hire salaried agitators" were carried. Army officials and the local militia participated. It is thought to be the first time the militia ever marched in a Labor Day parade.

Walking Delegates Barred.

New York, Sept. 6.—Discussing the calling off of the beef strike here, a representative of the United Dressed Beef Co., said that it would take some time to provide places for the strikers to whom they could give positions. There would have to be a weeding out of all but the competent men. "In calling the strike," he said, "the men go back to work on the open shop basis. That is understood and no walking delegates will be allowed to enter the plants."

Negotiations Failed.

Buenos Ayres, Sept. 6.—The negotiations initiated by the foreign ministers at Asuncion, capital of Paraguay, between the Paraguayan revolutionists and the government have failed, and the revolutionists now revert to their former position of hostility.

A Despondent Woman's Suicide.

Fort Wayne, Ind., Sept. 6.—Mrs. Emma Whitlock, forty years old, wife of a St. Joe township farmer, is dead, the result of poison taken with suicidal intent. She left a note explaining that her act was prompted by poor health and suffering.

Came in and Surrendered.

Statesboro, Ga., Sept. 6.—Perry Barnes, Henry Barnes and Wesley Watters, charged with the beating and killing of the negro Sebastian McBride Aug. 27 came in and surrendered to Sheriff J. Z. Kendrick.

Three Were Drowned.

Clarendon, Ark., Sept. 6.—John H. Diggle and Miss Mamie Johnson of Stuttgart and Mrs. Leta Vasegin of Mullen, Idaho, were drowned in White river while boating in a gasoline launch.

Want to Send Him Back.

Honolulu, Sept. 6.—The Republican convention yesterday renominated Jonah K. Kalaniana'ole for delegate to congress. The platform endorses Governor Carter and the national ticket.

SERIOUS EMBARRASSMENT

Faces Noted Catholic University at Washington.

Baltimore, Sept. 6.—Rector O'Connell of the Catholic university at Washington is emphatic in his denial of the statement made that in consequence of the financial embarrassment

RIGHT REV. W. H. O'CONNELL, D. D.

of Thomas E. Waggaman, treasurer of the institution, the university would not be able to take students during the coming year.

"It must be remembered," said Dr. O'Connell, "that all the funds of the university were not in Waggaman's control. The last collection was still in the possession of the fathers, and the large collection of the Knights of Columbus had not been turned over to him."

Cardinal Gibbons would neither deny nor confirm the story that he was willing to sacrifice his own fortune for the university, nor would he say whether he would call a conference of the clergy or whether he would issue an appeal for aid. He contented himself by saying that he would do all in his power to prevent the university from suffering by the financial embarrassment of its treasurer.
