## Are You Interested in the South?

Do you care to know of the marvelous  
development now going on in

## The Great Central South?

Of innumerable opportunities for young men  
or old ones—to grow rich?

Do you want to know about rich farming lands, fertile, well located,  
a trunk line railroad, which will produce two, three and four crops from  
the same field each year? Land now to be had at from \$3.00 to \$5.00 an  
acre which will be worth from \$30.00 to \$150.00 within 10 years? About  
stock raising where the extreme of winter feeding is but six (6) short  
weeks? Of places where truck growing and fruit raising yield enormous  
returns each year? Of a land where you can live out of doors every day  
in the year? Of opportunities for establishing profitable manufacturing  
industries; of rich mineral locations, and splendid business openings?  
If you want to know the details of any or all of these write me. I  
will gladly advise you fully and truthfully.

## CONSTIPATION

is the first step on the road to disease. In its worst form it is a fearful disorder which  
destroys hope and brings despair and suffering to its victims. What is there in life for  
anyone afflicted with chronic constipation? Like a vampire it fastens on the system,  
poisons the blood, deranges the liver and saps the strength and vitality of the sufferer.  
Pleasures and rational enjoyments are not for him. His life is dragged out in a miser-  
able round of despondent days and sleepless nights. Constipation if not checked in  
time results in Piles, Blood Poison, Rheumatism, Bright's Disease, Apoplexy and  
Heart Disease. Are you a sufferer from constipation? Check it! There is a way.  
Thousands have found it in

## Vitona

"The New Way to Health"

Vitona prevents and cures constipation. It is the only sure and scientific remedy for  
this trouble, because it acts directly on the blood, keeping it pure and wholesome.  
The condition of the bowels, stomach and digestive system depends upon the state of  
the blood. Vitona contains a certain ingredient discovered by a German chemist,  
which destroys the disease germs and keeps the blood in a healthy and active state. It  
is the action of this chemical that gives Vitona its peculiar power in the curing of con-  
stipation, whether mild or chronic. Get a bottle today. Price \$1.00. Written guar-  
antee given with each bottle.
