## INTERURBAN TO NEWCASTLE

SEEMS TO BE AN ASSURED THING NOW.

## FRANCHISE GRANTED

And Eastern Capitalists Will Arrive  
Here in a Few Days to Look Around.

The announcement that the Newcastle City Council had given a franchise to the Indianapolis, Newcastle and Richmond interurban company, after holding out for a long time, created a good deal of interest among local interurban people.

The preliminary steps towards the permanent organization of the building of this line are expected to be started soon as Eastern capitalists will be in this city, either tomorrow or Monday, going over the route, and to confer with the local officials of the interurban lines. The proposed road will run from Indianapolis to Newcastle, then to Winchster, and thence to Richmond, and many small branches will be made from the main road, the proposed branch to Muncie being the largest of these.

The Newcastle-Winchester-Richmond extension of the proposed line was started some time ago by Mr. Gus Hodges, and afterwards Michael Gleason became interested in the project and a survey was actually made from this city to Newcastle. Then Mr. Gleason sold his franchise to eastern people, and the interest in the scheme died down. Now the eastern capitalists have worked a franchise grant through the Newcastle council, and representatives will arrive in this territory within a few days for going over the ground and making preliminary arrangements. It seems now as though the road would be a permanently assured thing. Hagerstown, Greensfork, and other small towns, that pour large numbers in to Richmond are clamoring for this road.

### Only Did His Duty as He Saw it.

"I deem it my duty to add a word of praise for Chamberlain's Colic, Choera and Diarrhoea Remedy," says J. Wiley Park, the well known merchant and postmaster at Wiley, Ky. "I have been selling it for three or four years, and it gives complete satisfaction. Several of my customers tell me they would not be without it for anything. Very often, to my knowledge, one single dose has cured a severe attack of diarrhoea, and I positively know that it will cure the flux (dysentery). You are at liberty to use this testimonial as you please," Sold by A. G. Luken & Co. and W. H. Sudhoff, Fifth and Main street.
